**BALTIMORE RAVENS (8-7) AT CINCINNATI BENGALS (5-9-1)**

**WEEK 17: SUNDAY, JAN. 1, 2017 • 1 P.M. ET • PAUL BROWN STADIUM (65,535)**

**JUST THE FACTS**

- The Baltimore Ravens (8-7) aim to produce their seventh winning season in nine years under **John Harbaugh** when they travel to face the Cincinnati Bengals (5-9-1) for a New Year's Day special. Kickoff at Paul Brown Stadium for this AFC North tilt is set for 1 p.m.
- The Ravens lead the all-time series with Cincinnati, 21-20. Under coach Harbaugh, Baltimore is 8-9 against the Bengals, including 2-6 in The Queen City. For the fifth time in the past six years, the Ravens close out the regular season by playing at Cincinnati.
- In Week 12's initial matchup vs. Cincinnati, the Ravens upended the visiting Bengals, 19-14. Baltimore built a 16-3 halftime lead after limiting Cincinnati to 115 total yards in the opening half. **K Justin Tucker** was spectacular, hitting 4 FGs on the day, including 3 from 50-plus yards (52, 57 & 54) in the first half. (Tucker became just the ninth player in NFL history to record 3 FGs from 50-plus in a single game.) **OLB Terrell Suggs** led Baltimore's defense by posting 2 sacks, 2 FFs and 1 PD. **OLB Elvis Dumervil** registered a strip-sack of QB Andy Dalton to help close out the contest, which was sealed when Ravens **P Sam Koch** took a safety as the clock ran out.
- This past Sunday, the Ravens dropped a 31-27 Christmas Day thriller at Pittsburgh and were knocked out of the playoffs in a game fitting of the NFL's best rivalry. Early in the fourth quarter, the Ravens enjoyed a 20-10 lead after Tucker made a 23-yard FG. But, 3 TD drives in that final stanza, engineered by Pittsburgh QB Ben Roethlisberger – amounting to 240 yards – made the difference. The winning TD came on a Roethlisberger-to-WR Antonio Brown 4-yard strike that finished with Brown making a desperate reach across the goal line after being stopped at the 1. That play left :09 seconds on the game clock.

**HARBS SAYS**

**JOHN HARBAUGH ON THE RAVENS' APPROACH TO WEEK 17 AT CINCY:**  
"We work really hard at what we do. I'm proud of our guys. I love our guys. I think our guys are great competitors. Our guys want to do really well. We are very close to being a very good football team, but we're not there yet. We haven't gotten there this year. We have to get there. We have to do what we have to do. Our focus right now is on Cincinnati. It's not going to be on measuring disappointment. That's not what we do. That's not what we're about. It's going to be going to Cincinnati and playing the best football game of the season. That will be our goal. Everybody buys into that. That's what our guys want to do."

**INJURY UPDATE**

Standout **CB Jimmy Smith** has missed the past two games after suffering an ankle injury at New England in Week 14. Starting **RT Rick Wagner** left last Sunday's contest at Pittsburgh with a concussion. The Ravens have 16 players on Injured Reserve, including **TE Benjamin Watson**, who tore his Achilles tendon on Aug. 27. Other key contributors on IR include **DT Carl Davis** and **TE Maxx Williams**.

**NOTE THE QUOTE**

**S ERIC WEDDLE ON THE RAVENS' OUTLOOK HEADING INTO WEEK 17:**  
"Hopefully guys look at this moment and realize just how close we are, and that they let it drive them heading into the offseason. We have a great group of guys in the organization, from the top down, and we'll be back in this situation [playing big games in December]. I'm proud to be a part of this team, a part of this group of men who really challenge each other. We've never pointed fingers or turned our backs on one another; we always stick together. That is going to carry us into the future."

**WHAT'S GOING ON?**

Entering Week 17, Baltimore's defense has produced an NFL-high 18 interceptions, including 4 apiece from Pro Bowl **ILB C.J. Mosley** and **S Eric Weddle**. Impressively, Mosley's 4 INTs rank as the NFL's most among linebackers this season, while they also stand as the second most by a 'backer in Ravens single-season history.

## SPOTLIGHT: MARSHAL YANDA

**Pos:** G **Ht:** 6-3 **Wt:** 305 **Exp. (NFL/Ravens):** 10/10  
**College:** Iowa **Hometown:** Anamosa, IA

**What is your approach to teaching young linemen?** "I've seen enough older guys do it when I was a young guy – [Jonathan] Ogden, [Mike] Flynn, [Matt] Birk, guys like that paved the way for me. You follow those guys, and naturally,

you keep playing and understand that you will take on that role when you get older. You just want to be there to guide and help them in any way possible. You also want to be an example to show them how it's done day-in and day-out."

**There was a stretch for the O-line with injuries and an uncertain rotation. How did you rally guys to keep confidence?** "Believe it or not, it really doesn't matter. Good or bad, up or down, it's about us getting the job done on Sunday. It doesn't matter the score. We have a job to do. We're supposed to do it, and we're paid a lot of money to do it at a high level. I try to tell the young guys, no matter what the situation is, when it's Sunday, we go out there and put our best foot forward to compete and win. That's the way we stick around, and that's the way you have success in the NFL."

**Much was made about your switch from right guard to left in the middle of the season, but the transition has been seamless. Did you have any doubt you could make it work?** "I had my doubts. I was really nervous, and I still get really nervous about it just because I'm not as comfortable in my stance. I would say experience has definitely helped me. Just knowing that even if I feel a little awkward, as long as I stay in front of them and stay square in the passing game, it will give me a chance to win the block. It's definitely not been easy, and I don't have it all the way down yet. But I just take the same approach every day to work hard and get better."

**What do you like about O-line coach Juan Castillo's coaching style?** "As a lineman, you have to be a grinder. I feel like we are grinders. Juan is a grinder, too. We're working hard and staying on top of our fundamentals. In our aspect of the game, it's all about doing things through repetition and honing fundamentals to make it easier on Sunday. We don't want to have to think about it. It's better to naturally be in the right position. Juan is on top of this. It's about grinding and Juan is a grinder."

**You were just voted to your sixth Pro Bowl. What do you love about the experience?** "One of the best things about the NFL in general is you get to meet a lot of good people from all across the world. It's just awesome to see. No matter where they come from, good people are good people. It's nice meeting them and sharing experiences with other NFL players."

**If you were to endorse a product, what product or business would it be?** "A fishing company – Rapala Fishing."

**Dream retirement plan?** "I plan to be in some aspect of the fishing industry, maybe getting paid to fish and endorse or test out new products. If I could go fishing for leisure, not like tournament fishing, but leisure and spending time with my family, that would be great."

## MILESTONES IN REACH

**1**

FG of 50+ yards needed by **K Justin Tucker** to set an NFL single-season record. Tucker's 10 such boots in 2016 currently tie Blair Walsh (2012) for the most in a season.

**2**

FG makes needed by **K Justin Tucker** (an NFL-high 37 currently) to set a Ravens' single-season record and break his current mark of 38 from 2013. With 3 FGs, "Tuck" would also become just the third kicker in NFL history to reach 40 FGs in a season (David Akers, 44 in 2011 & Neil Rackers, 40 in 2005).

**4**

Points needed by **K Justin Tucker** (137 currently, second most in the NFL) to set a new Ravens' single-season record, which would break his previous mark of 140 from 2013.

**16**

Receiving yards needed by **WR Mike Wallace** (984 on 68 catches) to post the third 1,000-yard season of his career and the 12th in Ravens history. Wallace's team-high 984 yards rank 18th in the NFL.

**32**

Receiving yards needed by **TE Dennis Pitta** (638 on a career-high 75 catches) to post a single-season career high (current best is 669 from 2012). With 1 more catch, he'll set the Ravens' single-season record for most by a TE (currently tied with Todd Heap from 2005).

**128**

Passing yards needed by **QB Joe Flacco** (4,050 currently) to break Vinny Testaverde's single-season team record of 4,177 from 1996.

## 2016 PRO BOWL RAVENS

**FB Kyle Juszczyk, LB C.J. Mosley, K Justin Tucker and G Marshal Yanda** have been selected to play in the Pro Bowl for their standout play in 2016. This marks the 11th-straight year that the Ravens will have at least four players tabbed to play in the game.

### FB Kyle Juszczyk – First Pro Bowl

Juszczyk leads the NFL in receptions (35) and receiving yards (265) by a fullback, while he has also rushed 5 times for 22 yards and 1 TD.

### LB C.J. Mosley – Second Pro Bowl

Mosley ranks third on the team with 80 tackles. He has also posted 4 INTs, which rank No. 1 among all NFL linebackers, adding 8 PD and 1 FF.

### K Justin Tucker – Second Pro Bowl

Tucker has produced one of the best seasons ever by a kicker. The NFL's most accurate kicker of all time (89.8%), he is 37-of-38 (NFL-high 97.4%) on field goal attempts and 26-of-26 on PATs this season. (His lone FG miss was a blocked kick.) A perfect 10-for-10 from 50 yards and beyond, Tucker is currently tied (Blair Walsh, 2012) for the most 50-plus FGs made in NFL single-season history. Amazingly, an NFL-single-season record 24 of Tucker's 37 FGs made have come from at least 40 yards.

### G Marshal Yanda – Sixth Pro Bowl

Yanda continues to cement himself as the top interior lineman in Ravens history. His six Pro Bowl invites tie **OLB Terrell Suggs** for fourth most in team history and are second among offensive linemen only to Hall of Fame T Jonathan Ogden (11). Though he typically plays right guard, Yanda, considered one of Baltimore's toughest players, moved seamlessly to left guard midway through the season to help combat a shoulder injury.

# QUOTE THE RAVENS

---

## TE DENNIS PITTA ON THE GOAL OF FINISHING THE SEASON 9-7:

"We need to keep our heads up about the resiliency we showed [in Pittsburgh]. But our goal now is to get to 9-7. The Bengals will be our next test. We want to win that game, so that will be our focus."

---

### QB Joe Flacco on what S Eric Weddle brings to the team and if he was snubbed by not making the Pro Bowl:

"There is no doubt [he got snubbed]. When it comes to the Pro Bowl, it is about stats, and it is really about the fans, which it should be. I think Eric's season speaks for itself, just what he has gone out there and done – tackles, interceptions and all of that stuff. Now, having said that, you do not get a chance to see the kind of leader he is, the type of person [he is]. It is not easy to come to a new team, come in here and try to prove to everybody, 'I belong here; I'm a good player.' And at the same time, be a leader right away. That is the thing you can feel from Eric. He has come in here, and he has not been bashful. He has made the right impact right away in leading this football team. How he plays on the field, that speaks for itself. Of course he should be there [in the Pro Bowl]."

### S Eric Weddle on OLB Terrell Suggs:

"He brings the fire, passion and energy, but also a calming influence to the whole defense and to the team. We all look to him for these types of games, not only to be our leader – be our playmaker – but also to calm us when things aren't going so well, to calm our nerves and be like, 'Hey, let's stick together. Let's do what we're coached to do. We're a great defense, a great team. Let's go play like it.' He's an unbelievable player, person, and it's been an honor to be with him these last six months."

### S Eric Weddle on ILB C.J. Mosley's selection to the Pro Bowl:

"When I first got here, I was excited to play with him, because I've seen him. I was at the Pro Bowl with him in his rookie year. He's just light years ahead of where you'd think a third-year player would be, both mentally and the way he carries himself. He's a very quiet, humble kid. He takes coaching. He takes when I alert him to something or tell him, 'Maybe this is a better way to do this here on these plays. You can count on me this way.' He soaks it up, and it's like he's been practicing it for years. He's a special talent – a special teammate, a guy that leads by the way he carries himself and the way he practices. It's old school, and I love it. I love being around him. I love trying to give and share everything I can to make him a better player."

### Offensive coordinator Marty Mornhinweg on the strong play of rookie T Ronnie Stanley:

"Ronnie is one of those select few, I would say, as a rookie [who has been] able to do what he has done. Typically to do that, you have to be really, really good, first. You sort of have to have natural instincts, second. You have to stay healthy, typically. Then, you have to play at a real high level. All of the rookies that I have had that have played at that high level have had all of those. The one fortunate thing is staying healthy. He certainly has played better and better every week with very few setbacks. Sometimes a rookie plays really well and then steps back to be able to go forward. He has not done that. He has played at a high level on a consistent basis."

### WR Mike Wallace on the impact of WR Steve Smith Sr.:

"Legendary player. I was just telling him, 'You can play a couple of more years if you want to. Let's just keep it going.' I think he's going to probably [retire] after this year because he's been playing 16 years. That's a long time. But if anybody can keep playing, it's him. It's just an honor to be on the team with him every day, to see the way he works, the way he carries himself. I just love it. I love that guy to death. I wish I had more time with him, but when you have greatness around you, you just absorb whatever you can get from him."

### ProFootballTalk's Michael David Smith on K Justin Tucker:

"Tucker is a perfect 10-for-10 on field goals 50 yards or longer, and not only does he make those kicks, but he makes them look easy: I don't think I've seen a single Tucker kick this year that wouldn't have been good on the narrower goal posts they use in arena football. With 10 field goals beyond 50 yards this year, Tucker is tied for an NFL single-season record. What Tucker is doing is extraordinary."

### Head coach John Harbaugh on Pro Bowl FB Kyle Juszczyk:

"He's been extremely valuable. He plays the fullback position, but he's also a very multiple-type of a player. You can give him the ball. He's great in pass protection. He can line up outside and then run routes as an outside receiver. Not to minimize, he's one of our best special teams players. He's just a core special teams player. He's excellent at that. I think his value is very high."

### The Baltimore Sun's Childs Walker on ILB Zachary Orr:

"Orr certainly does not play the most glamorous role on a very good defense. He rarely rushes the passer. He's not a monster at the line of scrimmage like Brandon Williams or a coach on the field like Eric Weddle. He doesn't make as many plays in coverage as fellow linebacker C.J. Mosley. But much like the guy he replaced, Daryl Smith, he produces every game, leading the Ravens in tackles as he swoops in to clean up the ball carriers who've been diverted by Williams and Co. He's just a sound cog in the machine."

### ILB Zachary Orr on the Ravens organization giving him a chance as an undrafted rookie in 2014:

"This organization is the key to my success right now. They gave me a chance to show what I can do. They didn't coach me any different than they coached C.J. Mosley, a first-round draft pick. They didn't coach me any different than Albert McClellan or Daryl Smith or Terrell Suggs or Elvis Dumervil. They all coached everybody the same. That is the great thing about it. I have heard in other places players are basically 'training camp bodies.' But here, they coach every player like you are actually on the team, and you are a Raven."

## WEEK 16 RECAP: PIT. 31, BAL. 27

The Ravens dropped a 31-27 thriller at Heinz Field last Sunday and were knocked out of the playoffs in a game fitting of the NFL's best rivalry. Early in the fourth quarter, the Ravens enjoyed a 20-10 lead after **K Justin Tucker** made a 23-yard FG at the 14:18 mark. But, 3 TD drives in that final stanza, engineered by Pittsburgh QB Ben Roethlisberger – amounting to 240 yards – made the difference. (It was the Steelers' sixth-straight victory and ended a four-game losing streak to the Ravens.) The winning TD came on a Roethlisberger-to-WR Antonio Brown 4-yard strike that finished with Brown making a desperate reach across the goal line after being stopped at the 1. That play left 9 seconds on the game clock, and completed a 10-play, 75-yard drive in 1:09. Baltimore had taken a 27-24 lead with 1:18 left in the contest on a spectacular 10-yard TD run by **FB Kyle Juszczyk**, completing an impressive 14-play, 75-yard series. On its first possession of the game, Pittsburgh took a 7-0 lead after Roethlisberger found TE Xavier Grimble with a 20-yard TD dart. A 41-yard Tucker FG made the score 7-3 after one quarter. A 38-yard Tucker FG left the Ravens trailing by one, 7-6, at the half. A nifty **QB Joe Flacco** 18-yard throw to **WR Steve Smith Sr.**, plus a Flacco-to-Smith 2-pointer, gave the Ravens an early third-quarter, 14-7 lead. After a K Chris Boswell FG (36 yards), Tucker added 2 more FGs for the 20-10 lead. The Steelers closed the gap to 20-17 on the first of their 3 fourth-quarter TD drives when RB Le'Veon Bell ran 7 yards for a score. On their next possession, Bell scored again, this time on a 7-yard pass from Roethlisberger, to give the Steelers a 24-20 lead. Bell finished with 137 yards, including 122 rushing. Big Ben was 24-of-33 for 279 yards, including 10 for 96 to Brown, who had just 1 catch for 7 yards in the first half. Roethlisberger threw 2 interceptions (**ILBs Zachary Orr** and **C.J. Mosley**). Flacco was 30-of-44 for 262, with **TE Dennis Pitta** catching 8 for 75 yards and 7 to Smith Sr. for 79. **RB Kenneth Dixon** led the Ravens with 57 rushing yards.

## RAVENS 19, BENGALS 14: 11/27/16 IN BALTIMORE

The Ravens dominated the first half, limiting Cincinnati to 115 yards and taking a 16-3 lead, and then held on for a 19-14 victory over the Bengals at M&T Bank Stadium. The win snapped a five-game losing streak against their division rivals and kept the Ravens in a firstplace tie with Pittsburgh in the AFC North. **K Justin Tucker** tied the NFL record with three 50-plus-yard field goals, all in the first half. Tucker converted 52-, 57-, 54- and 36-yard FGs in the contest. The Ravens opened the game with an 11-play, 75-yard touchdown drive that ended with a **QB Joe Flacco**-to-**WR Breshad Perriman** 14-yard touchdown score. Tucker's first FG made the score 10-0 after the initial quarter. A Mike Nugent 23-yard FG made the score 10-3 in the second period before Tucker added 57- and 54-yarders to end the half. Cincinnati closed the gap to 16-9 in the third when QB Andy Dalton directed an 11-play, 86-yard TD series that ended with a 3-yard TD pass to TE Tyler Eifert. (Dalton was 7-of-9 for 94 yards on the drive, but Nugent missed the PAT.) With seven minutes left in the game, Tucker's fourth FG (36 yards) gave the Ravens a 19-9 lead before a Nugent 36-yarder with 2:50 left in the game made it 19-12. Baltimore **P Sam Koch** ran out the clock, taking a safety on the game's final play to make the margin 19-14. **OLB Terrell Suggs** was spectacular, producing 2 sacks and 2 FFs, helping limit the Bengals to just 64 rushing yards. Flacco completed 25 of 36 passes for 234 yards to nine different receivers. Rookie **RB Kenneth Dixon** caught 4 for 31 yards and added a game high 49 rushing yards. Dalton was 26-of-48 for 283 yards, with six of those passes going to RB Jeremy Hill for 61 yards. Hill managed only 21 yards on 12 rushing attempts. **OLB Elvis Dumervil** returned to the Ravens after missing the last five games and produced the key strip sack of Dalton with just over a minute left in the game.

# RAVENS WINNING WAYS

## SUPER BOWL TITLES

**LB Ray Lewis - 2000 Super Bowl XXXV MVP**

In a magnificent effort showcasing thrilling performances by their defense, offense and special teams units, the Baltimore Ravens won Super Bowl XXXV with a 34-7 victory over the New York Giants. Allowing the Giants a meager 152 total net yards, New York's attack crossed midfield just twice, while Baltimore's "D" posted 4 INTs. LB Ray Lewis was named the game's MVP, capping an accolade-filled season in which he was also tabbed the NFL's Defensive Player of the Year.

**QB Joe Flacco - 2012 Super Bowl XLVII MVP**

Baltimore defeated San Francisco, 34-31, in Super Bowl XLVII, capturing the franchise's second World Championship. After an amazing first-half performance, the Ravens took a commanding 28-6 lead. But following a bizarre, 34-minute power outage that halted play, the 49ers stormed back into contention. Clinging to a 34-29 edge late in the game, the Ravens stood firm on a pivotal goal-line stand, jamming SF on four-straight plays inside the 7-yard line. QB Joe Flacco was named the game's MVP.

## FOUR-STRAIGHT TOP 5s

In 2015, senior NFL writer Rick Gosselin of *The Dallas Morning News* ranked the Ravens' special teams unit No. 1 in the NFL in his annual comprehensive ratings system based on 22 categories, assigning points according to each standing — 1 for best, 32 for worst. 2015 marked the fourth-straight year in Gosselin's Top 5, as Baltimore was No. 5 in 2014, No. 5 in 2013, and in 2012, earned the No. 2 spot.

## RAVENS THRIVE UNDER ROSBURG

Special teams coordinator/associate head coach **Jerry Rosburg**, a 38-year coaching veteran, has guided a strong special teams group since arriving in Baltimore in 2008. Here are several standout notes:

### SIX PRO BOWLERS

• Six Ravens have earned Pro Bowl honors while playing for Rosburg: ST **Brendon Ayanbadejo** (2008), **K Billy Cundiff** (2010), **RS Jacoby Jones** (2012), **K Justin Tucker** (2013 & 2016), **LS Morgan Cox** & **P Sam Koch** (2015).

### PRIME PUNTER & KICKER

• Earning his first Pro Bowl nod in 2015, **P Sam Koch's** 46.7 gross average ranked No. 9 in the NFL, while his 42.9 net average was No. 2. In 2014, Koch posted the NFL's No. 3 gross (47.4) and No. 1 net (43.3) averages. Both marks are career highs and Ravens records. Two-time Pro Bowl **K Justin Tucker**, who Rosburg scouted and helped sign as a rookie free agent, owns the NFL's most FGs (167) since entering the NFL in 2012. With an 89.8% career success mark, "Tuck" is the most accurate kicker in league history (167-of-186 on FGAs).

### RAVENS BIG RETURNS

• Led by Pro Bowl **RS Jacoby Jones** in the 2012 Super Bowl season, Baltimore ranked first in the NFL in KOR average (27.3). Jones, who became the first player ever to record dual KORs of at least 105 yards in a career, tied for a league-leading 3 kick return TDs (2 KORs & 1 PR). He also tied an NFL record for longest KOR in a Super Bowl with his 108-yard KOR-TD. *(In 2014's game at Pit., he added another 108-yarder to his resume, marking 4 total KOR-TDs over 100 yards in his career.)*

### ROSBURG'S PAST

• Prior to Baltimore, Rosburg built a successful NFL special teams resume with the Browns (2001-06) and Falcons (2007). Over a five-year span (2002-06), Cleveland's special teams were ranked as the top NFL unit in *The Dallas Morning News'* annual comprehensive report.

### RAVENS BLOCK PARTY

• Since 2014, the Ravens have produced 12 blocked kicks (breakdown detailed below), ranking as the NFL's No. 1 figure. In fact, Baltimore has a league-best (tied, Mia.) 4 blocks in 2016 — 1 punt, 1 PAT and 2 FGAs.

Total Blocks	12	1st Qtr.	2	When Losing	8
FG Blocks	6	2nd Qtr.	1	When Winning	2
PAT Blocks	3	3rd Qtr.	3	When Tied	2
Punt Blocks	3	4th Qtr.	6	Record w/Block	7-5

• In Games 7-11 during the 2015 season, the Ravens blocked a kick (2 PATs, 2 FGs and 1 punt) in five-straight contests, a feat that had not been accomplished since 1983 (Atlanta Falcons). Impressively, Baltimore's 5 blocked kicks in 2015 tied (Oakland) for the NFL's most.

## A STRONG RETURN

Since 2008, when **Jerry Rosburg** became the Ravens' ST coordinator, Baltimore owns the NFL's No. 1 KOR average (25.3).

### NFL KICKOFF RETURN AVERAGE (Since 2008 / Rosburg's Baltimore Tenure)

## STANDING GUARD

The 2016 campaign marks the sixth-consecutive Pro Bowl invite for **G Marshal Yanda**. The 10-year veteran has played in 143 games (132 starts) during his career, ranking as the second-most games played among offensive linemen in Ravens history (Jonathan Ogden – 177). Prior to the 2015 campaign, Ravens' season ticket holders voted Yanda as one of the Top 10 players in the franchise's 20-year existence.

<b>G Marshal Yanda (Bal.)</b>	<b>6</b>

### The Baltimore Sun's Childs Walker on G Marshal Yanda:

"Of the many traits that have marked Yanda as a great player over the years, one is his ability to shift positions without losing effectiveness. That versatility is a product of his intelligence and his underappreciated athleticism. He's also a straight-up tough dude, much like Terrell Suggs on the other side of the ball. Only the elite of the elite guards earn serious Hall of Fame consideration. Yanda belongs in that realm."

## JUICE MAKES THE BOWL

A 2013 fourth-round draft pick, **FB Kyle Juszczyk** is the most-recent Ravens' "homegrown" Pro Bowler, earning NFL All-Star honors for his standout performance in 2016. This season, he leads the NFL in receptions (35) and receiving yards (265) by a fullback, while he has also helped **RB Terrance West** rush for a career-high 756 yards and 5 TDs.

2. Jamize Olawale (Oak.)	217

### Juszczyk Quick Hits:

- ✓ Juszczyk is the third fullback in Ravens history to earn Pro Bowl honors, joining Le'Ron McClain (2008-09) and Vonta Leach (2011-12).
- ✓ John Harbaugh on Juszczyk: "He's been extremely valuable. He plays the fullback position, but he's also a very multiple-type of a player. You can give him the ball. He's great in pass protection. He can line up outside and then run routes as an outside receiver. Not to minimize, he's one of our best special teams players. He's just a core special teams player. He's excellent at that. I think his value is very high."

## B-DUBS DOMINATES

Named a second alternate to the Pro Bowl in 2016, **NT Brandon Williams** has emerged as one of the NFL's most dominant defensive linemen. This season, Williams played perhaps his best game in Week 7 at NYJ when he racked up 8 tackles, 1 sack and 1 blocked FG attempt. Impressively, his 48 total tackles rank third among all NFL nose tackles entering Week 17.

### TOTAL TACKLES / NFL NTS (2016 Season)

2. Danny Shelton (Cle.)	31
<b>3. Brandon Williams (Bal.)</b>	<b>32</b>
4. Sylvester Williams (Den.)	19
5. Two Players	17

- ✓ Since Williams became a starter in 2014 and consistently helped anchor the Ravens' D-line, Baltimore has allowed just 92.6 rushing yards per game, ranking third in the NFL.
- ✓ In 2016, the Ravens' run defense ranks No. 2 in the league, permitting 85.1 yards per game. Baltimore has allowed an NFL-low 64 rushing first downs (tied with Tennessee).

## NOTE THE B-DUB QUOTE

**CBS Sports' Pete Prisco on ranking NT Brandon Williams the most underrated player in the NFL:** "A year ago, I picked him as his *team's* most underrated player. But after an impressive 16 games in 2015, where he played as well as any nose [tackle] in the league, Williams shoots to the top overall honor. ... How he missed out on a Pro Bowl in 2015 is mystifying. It's tough for centers to move him in one-on-one situations, and he helps free up the linebackers to run to the football."

## ORR HELPS MAN THE MIDDLE

**ILB Zachary Orr**, the next in a long line of undrafted (2014) rookie free agents who have gone on to shine as a starter for the Ravens' defense, has produced the NFL's seventh-most tackles (130) entering Week 17. Orr and Carolina's Thomas Davis are the only NFL defenders with at least 100 tackles, 3 INTs, 1 forced fumble and 1 fumble recovery this season.

### Orr Quick Hits:

- ✓ ESPN's Jon Gruden on Orr: "He diagnoses plays as well as anyone. He has tremendous instincts. I love his playing style."
- ✓ From Weeks 11-14, Orr tallied double-digit tackles in four-straight games. The last Raven to accomplish this feat was Ray Lewis, who had five-straight performances in games 4-8 of the 2009 campaign.
- ✓ Orr's 3 INTs in 2016 tie three players for the second most among all NFL linebackers (teammate **LB C.J. Mosley** is first with 4).

# IN MEMORIAM: CLARENCE BROOKS

**CB**

**Clarence Brooks**, the Baltimore Ravens' longest-tenured assistant coach, passed away on Sept. 17 at a hospital in Weston, Fla., following a battle with esophageal and stomach cancer. He was 65. The beloved Brooks – referred to by most as “C.B.”

– originally joined the organization in 2005 and served 11 seasons as defensive line coach. This past spring, while undergoing intense treatment for his illness, he transitioned into a senior defensive assistant role, but still spent as much time as he possibly could working with players and fellow coaches, including during the Ravens' recent training camp. Brooks was a 24-year NFL coaching veteran and one of six assistant coaches retained by head coach John Harbaugh upon his 2008 Baltimore arrival.

In addition to the Ravens, “C.B.” coached for the Miami Dolphins (2000-04), Cleveland Browns (1999) and Chicago Bears (1993-98). Brooks also spent 17 years in the collegiate ranks holding coaching positions at Arizona (1990-92) – where he was instrumental in the notable “Desert Swarm” defense that led the nation in scoring defense in 1992 – Syracuse (1981-89) and his alma mater Massachusetts (1976-80).

During Brooks' Baltimore tenure as defensive line coach (2005-15), the Ravens allowed the NFL's fewest rushing touchdowns (89), second-fewest points per game (18.9) and the league's second-fewest rushing yards per game (94.2).

## **Head Coach John Harbaugh:**

“Our heartfelt condolences and love go out to Justa and the Brooks family on the passing of Clarence. We loved that man! He is at peace now through the grace of Jesus Christ. He fought the good fight and won. One of the finest coaches I have ever met, he changed the lives and influenced players and coaches for the better. He was a great man, loving husband and devoted father. He was as tough and determined in adversity as you'll ever see and as loyal a friend as there is. ‘C.B.’ will forever walk as a loved and cherished member of the Ravens family.”

## **General Manager & Executive Vice President Ozzie Newsome:**

“Very few, if any, coaches influenced their players – on and off the field – like Clarence Brooks. How fortunate are the Ravens to have had this special person in our lives for the past 12 years? He was a teacher, a friend, a father figure to many and a great football coach. A lot of our defensive success over the years is due to his ability to get the most out of his players on the defensive line. This is a sad, sad day for our team and extended family. Our hearts ache for Justa and the rest of Clarence's family.”

## **Owner Steve Bisciotti:**

“The Bisciottis are so sad to hear about Clarence's passing. He was the sweetest man I've ever met in football. He was also as tough as nails and was as respected by everyone on our team as any coach who ever touched the Ravens. His impact was more than people on the outside could know. He will be so missed.”

## **President Dick Cass:**

“Clarence had a special rapport with his players. He was both beloved as coach and as a person. His infectious laugh and welcoming smile will be greatly missed, not by just the players and his fellow coaches, but by everyone in our building.”

## **DT Brandon Williams:**

“Coach Brooks was like a father figure to me and every other player he coached. He made me the player I am today, but more importantly, helped me to be the man I am today. He always got the best out of you. He saw the potential in every player and did everything in his power to help you be the best you could be – on and off the field. Every day I walked in this building, no matter what was going on, he could always make me smile. I will miss him, and my heart goes out to the entire Brooks family.”

## **DE Lawrence Guy:**

“Coach Brooks was a heck of a coach, but an even better man. He cared so much about all of us and could always pull the best out of you in any situation. Through him, I learned how to prepare better, practice better and play better. I will truly miss his coaching, his fellowship and his mentorship. Rest well, ‘C.B.’”

## **OLB Terrell Suggs:**

“Clarence Brooks was a rare, special coach. We had a relationship that became more than football; he was family. He was every bit the definition of the word ‘coach.’ He was firm and demanding when he needed to be, but was a father figure and caring at the same time. I will definitely miss my friend.”

## **Linebackers Coach Don Martindale:**

“Clarence Brooks is one of the finest human beings I have ever met. Selfishly speaking, you would like to say he was your best friend, but he was really everybody's best friend. We are happy he is not suffering anymore. I love him like a brother, and I am going to miss him terribly.”

## **Former Ravens Head Coach Brian Billick (Who Hired Brooks in 2005):**

“Whew, this hurts. What a man, what a coach, what an inspiration. Beyond being one of the best position coaches in the league, Clarence was one of the most respected people in the NFL. He was a great teacher and friend. His positive and upbeat, yet stern, way was special. The proof is in the pudding. Look at how players improved under him. It would be tough to find a more respected assistant in the NFL. My heart reaches out to Justa and his family.”

## **Former Ravens DT Haloti Ngata:**

“I am deeply saddened by the news of ‘C.B.’ passing away. I hope that I can help continue his legacy by the way I live and play. I played under ‘C.B.’ for nine years. In that time, he helped me go to five Pro Bowls and win a Super Bowl ring. He deserves a lot of that credit. He worked so hard with me and my Ravens teammates. This is tough news to swallow. I will miss you, Coach. Thank you for everything you taught me through the years – on and off the field. I love you, Clarence.”

## **Former Browns, Ravens & Dolphins DE Rob Burnett:**

“I cried a few weeks ago when I found out about Clarence and his fight against cancer, and I immediately reached out to Justa and ‘C.B.’ His death rips at my heart. I loved Clarence. He was more than my coach. He was my friend, a mentor and a motivator. This is a sad day for all of those fortunate enough to have known this great person.”

# RAVENS IN OUR COMMUNITY

## GIANT FOOD DISTRIBUTION

On Monday, Dec. 19, Ravens players visited the Harry and Jeanette Weinberg Family Center YMCA to distribute holiday dinner baskets to 150 pre-registered Baltimore-area families in need. The Ravens partnered with Giant Food, the official supermarket of the Baltimore Ravens, to provide dinner baskets that included a turkey, canned goods and non-perishable side dishes. Ravens **RB Javorius Allen**, **DE Kapron Lewis-Moore** and **RB Terrance West** were in attendance to give the gift of a meal this holiday season. The annual event helps feed those who may not have the means to feed their families during the holiday season.

## WEBB TOY DISTRIBUTION

Ravens **DB/RS Lardarius Webb** hosted his seventh-annual toy drive on Monday, Dec. 19 at the Webster Kendrick Boys & Girls Club. Through the Lardarius Webb Foundation, approximately 250 children received gifts for the holidays. Webb spoke to the youth about the importance of giving back, and each individual was given a hand-picked present. Webb adopted the Webster Kendrick Boys and Girls Club and hosts multiple events there throughout the year.

## BIG BENEFIT

Ravens **TE Benjamin Watson** hosted his 12th Annual Big BENefit Shopping event on Monday, Dec. 19 at the Walmart on Liberty Road (Randallstown, Md.). Watson and his One More Foundation surprised 25 families from Building Families for Children with a Christmas shopping extravaganza. Many of these families have fallen on hard times and needed a little assistance around the holidays.

## ADOPT A FAMILY

Ravens **WR Kamar Aiken** and **CB Jimmy Smith** adopted families through the United Way this holiday season. These players took it upon themselves to purchase presents for parents and children from Baltimore City and County. The grateful families were carefully selected based on need and circumstances. This year, personal deliveries were made possible through the agencies, giving the family members an opportunity to meet the players who chose to show some holiday spirit and give back to those in need.

## JOHN HARBAUGH MONDAY PRESS CONFERENCE: WEEK 17 AT BENGALS

**Opening statement:** “Good to see everybody – appreciate you being here. Obviously, we had a chance to study the tape and start on Cincinnati. We go to work. That’s what you do after anything, really. Win, lose, tie in life, you go back to work. That was a game that we really were excited to play. I was really proud of the way our guys played [and] the way our coaches coached. I thought we were very aggressive with our game-planning. [We] had a lot of good game-planning ideas that we used and that were very effective. I thought our guys just really fought like crazy against a very good football team – talented football team. In the end, they made one more play than we did. When you boil it right down to it, in the end, the very last play, it comes down to if he doesn’t get the ball across the goal line there – I’m talking about Antonio Brown; fabulous football player – if he doesn’t get the ball across the goal line, we win the game right there. That’s how close of a game it was and how good of a game it was – the ball being moved back and forth, up and down the field and things like that. We’re just disappointed, obviously. We wanted to win the game. When you put that much into it – heart, soul, effort, belief in one another, a lot of hard work – it’s going to sting. It’s going to sting for us. It’s going to sting for our fans. It’s going to sting for everybody, because we all care, and we certainly understand that. That’s the nature of the game. That’s the nature of football, and that’s the nature of life. That’s where we’re at, but all of our attention now goes to Cincinnati. We have a week of football left to play, and we intend to make the most of it. I know our players feel the same way.”

**With a winning record now being the lone objective, can we assume it’s business as usual as far as the allocation of playing time? (Joe Platania)** “That’s a good question. Yes, we’re going [there] to win the game. We’ll play our guys. Everybody that’s healthy will go play. That’s the plan – wouldn’t look at it any other way.”

**John, now that you’ve looked at the tape, what did you see from the defense at the end? Did they wear down? Was it just success on Pittsburgh’s end? (Jerry Coleman)** “We just saw plays being made on the one side, and we weren’t able to come up with a play. We really couldn’t get to Ben [Roethlisberger]. We tried to blitz – zone blitz, man blitz. We rushed four. We never rushed three. He got out of the pocket a couple times and made some throws. They made a couple of catches, and really, that’s what it boils down to in the end. It was plays being made, and you give them credit for it. I think that’s what you have to do. I don’t feel like we were worn down. Guys were going hard. We had a good rotation. That’s why we put Za’Darius [Smith] up, so we would have enough pass rushers late. Our guys were bringing it, so I think you have to give them credit.”

**On the game-winning play, did ILB C.J. Mosley sort of slip as he tried to help S Eric Weddle with that tackle? What happened that got him on the ground? (Stan Charles)** “I don’t know about slipping. I didn’t notice that on the coach’s tape. Maybe you noticed it on the TV copy. I haven’t seen the TV copy. I think it was a couple guys doing everything they could to keep him out of the end zone. It was a fast-hitting play. There were some major hits being laid right there. Really, they kept him out of the end zone, but he was able to reach the ball across the line in the end. That’s what it was. It was a great play.”

**You don’t think they would have had enough time to spike the ball? (Jeff Zrebiec)** “I don’t know. I can’t say. That would be a good question for them. It would have been tough. It was nine seconds when the clock stopped when it was across the goal line. You had to untangle and get everybody to the line of scrimmage. It would have been very challenging to do that. Maybe they could have pulled it off, but we would have had a pretty good chance of that not happening if it would have gone the other way. I don’t want to speak for them. Maybe they could have done it.”

**Are you confident in the resiliency of your team after having such an emotional swing and now having this last game? Do you tell them and do you believe winning this game and being 9-7 is important, particularly after last season? (David Ginsburg)** “The last part of the question there is irrelevant. I think the whole point is you try to do the best you can. You always try and do the best that you can. You try to win. We talked about it in the locker room after the game. That is what I pointed toward, is the next game. We want to go win it. We do want to be 9-7; it is important. It is important to have one more win than we potentially could have. I do not care what the record is. We want to go win the game. Absolutely, it is important. That is what we do this for; that is what it is all about. Our guys are going to be fired up to do it. I would never question the resiliency, and I really probably did not need it confirmed. It won’t need to be confirmed in this game, because I think anyone who has followed us as you have – you followed us the whole year, you covered us very closely, you are here every day – you know these guys. You know how they have handled adversity throughout the course of the season and throughout the course of the seasons. That is not going to change.”

**What do you expect the preparation and this week to be like for your team, and in particular, for WR Steve Smith Sr. heading into what is likely his final game? (Shawn Steptner)** “Yes, I think for Steve, it is going to be a big deal for him. But he has been that way all year. I think he will approach it the same way he has all year – as a pro. It will be very meaningful, certainly. How could it not be? But that is a great question for Steve, and he will be much more eloquent in answering it than I could be.”

**After the game, S Eric Weddle talked about how he felt like being so close could kind of drive some guys going into the offseason and into next year. Do you think a game like that can have a tangible effect or benefit when you go from year to year? (Garrett Downing)** “I am personally motivated anyway. I think all of our guys are very highly-motivated, no matter what. Of course, we feel very excited about where we are as a football team. I know we are a good football team. I know we are a very good football team. That is evident in the way we play. That game hinges here and there; it can fall on a play here and there. That is how close the National Football League is. That is how hard our guys played; that is how hard they [the Steelers] played. It was a dramatic environment. It was a tough environment to be on the road, and our guys handled it very well. There is just no denying that. They [the Steelers] made another play in the end when it was all said and done, and that is what they get credit for. I don’t think we need a game, an environment, to tell us to be excited for next year. How about we just look at next week? How about we just look at next week, and we get ready to go play this game? We will look at next year when the time comes. We will be excited about it, yes.”

**Will CB Jimmy Smith play again this year? (Jerry Coleman)** “I don’t think so. It is a high ankle [injury]. He probably will not be able to make it for this week. We were hoping for the playoffs.”

**You talked about the fanbase in your opening statement about the fans. They have been very loud yesterday. They have been very loud on social media about how they want [owner] Steve [Bisciotti] to make changes at the top, and they are upset with the team not making the playoffs again. What are your thoughts on the fans’ side of it? (Bill West)** “I love our fans. I think our fans are great. Fans are going to be disappointed when you do not win; they are going to be excited when you do win. Every fan that I have met over the years – it has been a joy to be around them. That is how I look at it.”

**How did you feel CB Shareece Wright played on Sunday? (Ed Lee)** “I thought he played well. I thought he had a lot of good moments and played a solid football game.”

**Two of your leaders, OLB Terrell Suggs and G Marshal Yanda, played despite significant injuries. I don’t know if they need offseason surgery or not, but for them, is it tempting to not play this week and maybe they can start the rehab early? Or is that not a factor? (Jeff Zrebiec)** “You would have to ask them that. I have not heard anything along those lines.” (Reporter: “So you plan on having them this week?”) “I think I have already answered that.”
