GAME DAY IN ANNAIPOLIS

NAVY FOOTBALL

An American treasure, Navy football will bring a small historic district to life five times this fall. A Navy football "Game Day Experience" is unrivaled by any other collegiate football game in the country. Each home game lends itself to an entire day of fun, an event to say the least, for fans of all ages. From the minute fans arrive at the stadium, they are entrenched in wholesome entertainment everywhere they turn.

NavyFest

Looking for a more intimate setting for your group event? NavyFest is an area that provides space for groups of 30 to 1,000 to gather with friends, family, employees, clients and neighbors in anticipation of the heated action on the field. From your game ticket to a buffet lunch by one of our preferred caterers, everything can be provided as you experience one of the best tailgating traditions in college football. It is also the best place to view the march-on by the Brigade of Midshipmen.

Captain's B.B.Q.

For those fans who want their pregame tailgate provided for them, this is the perfect solution. You can enjoy an all-you-can-eat and drink buffet for two-and-a-half hours prior to kickoff, while watching all of the pregame festivities from a bird's eye view inside of the stadium.

Pageantry

True patriotism and pride in one's country are felt every home game when the entire Brigade of Midshipmen marches from the grounds of the Academy to midfield of Navy-Marine Corps Memorial Stadium to salute its school, its team and most importantly, its country. Immediately following the National Anthem, sung by the Naval Academy glee club, fans experience one of the most breathtaking moments of their lives, as planes fly-by overhead to welcome the start of the game.

Team Walk

Don't miss the Navy football team's arrival at the stadium as it makes its way from the team buses through NavyFest and into the locker room. Join the Navy cheerleaders and fellow fans at the Mid Walk, two-and-a-half hours before every home game near the Blue Angel on the blue (press box) side parking lot.

The Game

Game day features even more tradition and pageantry, beginning with the sounding of the cannon, symbolizing the official start of the game and heard again only when Navy scores. When the Mids put points on the board, fans witness another spectacle as a sea of uniforms race to the North end zone to do push-ups that match their team's point total on the scoreboard.

Postgame

At the conclusion of the game, the Navy football team will stand in front of the Brigade of Midshipmen and sing Navy Blue & Gold, the school's alma mater. It is the greatest tradition in college football.

NATIONAL CHAMPIONS

In today's modern era, three undefeated teams with nearly identical records would cause a stir among fans and pollsters alike. This was the case when Navy earned its lone national championship in 1926, as the Midshipmen shared the honor with Stanford and Alabama.

A 7-7 tie between Alabama and Stanford in the 1926 Rose Bowl gave the Cardinal a 10-0-1 mark, while the Crimson Tide and the Mids each had identical 9-0-1 records.

The Midshipmen opened the '26 season with a new coach, Bill Ingram. A former Navy standout from 1916-1918, Ingram took over a Navy team that had only won seven games in the previous two seasons combined. One of the keys to Navy's 1926 squad was a potent offense led by All-America tackle and team captain Frank Wickhorst, who proved to be a punishing blocker for the Navy offense. One member of the Navy offense that appreciated the blocking of Wickhorst was Tom Hamilton. The quarterback and kicker had a pair of 100-yard rushing games en route to All-America honors.

Navy's biggest win that year was against Michigan in front of 80,000 fans in Baltimore. The Mids scored 10 second-half points to upset the Wolverines, 10-0. Navy's offense tallied 165 yards behind the powering attack of Hamilton and Henry Caldwell who scored Navy's lone touchdown on a one-yard plunge. Jubilation from the victory continued after the game, as the Midshipmen tore down the goal post at each end of the field and carried away all the markers that lined both sides of the field. The joy replaced the disappointment of the previous year when Michigan handed Navy its worst loss in school history at the time, 54-0.

Navy headed into its season finale against Army with a 9-0 record. The game was to be played in Chicago at Soldier Field, which had been built as a memorial to the men killed in World War I. It was only natural Army and Navy would be invited to play the inaugural contest there. James R. Harrison of the New York Times described the game as "the greatest of its time and as a national spectacle." Over 110,000 people witnessed the Midshipmen open up a 14-0 lead on the Cadets, only to see Army fight back to take a 21-14 lead early in the third quarter. The Navy offense responded behind its strong ground game led by running back Alan Shapley. On fourth down and three yards to go, Shapley ran eight yards for a touchdown to tie the game at 21. As the final guarter concluded, Army mounted a brief threat only to miss a 25-yard field

The tie gave the Midshipmen a share of the national championship, as a pair of polls, Boand and Houlgate, named Navy the national champion.

In 1960, Joe Bellino, the Winchester Rifle, the "player who was never caught from behind," became the first Naval Academy football player to win football's coveted Heisman Trophy. That achievement merely underscored what an outstanding athlete Bellino was.

His football feats are even more remarkable when it is pointed out that he played the sport in the one-platoon era, with players going both ways. His collegiate statistics had him, in just three years, score 31 touchdowns, rush for 1,664 yards on 330 carries, return 37 kicks for 833 more yards and altogether set 15 Naval Academy football records.

One of the most interesting stories about Bellino's on-field exploits involves his 50-yard touchdown run against Boston College in the 1959 season opener. As he crossed the goal line, he began to limp and fell to the ground. Navy partisans looked on anxiously, thinking he had incurred an injury.

Not so. The Midshipmen were wearing new knee length socks for the first time that day. Bellino's calves were as a thick as some men's thighs. The elastic rims on the top of the stockings had cut off his circulation and his feet had turned blue because of a lack of circulation. Those socks were cut to allow him to continue to play that day and new socks were ordered.

Bellino was a unanimous All-America selection at halfback in 1960 and was also the winner of the Maxwell Award. His end zone interception preserved Navy's 17-12 win over Army that season. The Midshipmen were ranked as a high as fourth in the country and went on to play in the Orange Bowl on

Bellino was an outstanding catcher and later outfielder on Navy baseball teams. He hit .428 in 22 games in 1959 and led the Eastern Intercollegiate League in stolen bases. He had a .320 average in 1960 and was the baseball team captain in 1961.

Army partisans can hardly forget the 1959-60 academic year for what Bellino did to the Cadets. In addition to his three-touchdown performance in the 1959 Army-Navy game, he was equally sensational in the Army-Navy baseball game of Commissioning Week in 1960. The Cadets had won the Eastern League title and their pitcher had won nine games in a row. Bellino went 4-for-4 at the plate, drove in three runs, stole two bases and threw out two Army runners attempting to steal as Navy carved out a 9-1

He capped off his senior year (1960-61) at the Academy by winning the school's top two athletic awards, the Thompson Trophy and the Naval Academy Athletic Association Sword, marking the first time in 41 years that one midshipman received both of these awards.

Bellino's number 27 jersey was retired after the 1960 season. He had a three-year stint with the Boston Patriots after he had completed his four-year service obligation. He stayed in the Navy Reserves and reached the rank of Captain.

Bellino was a 1977 inductee into the National Football Foundation and Hall of Fame and was a charter inductee into the Maryland Football Shrine in 1984. The Bellino Auditorium in Ricketts Hall is named after this outstanding athlete and in 2009, he was named to the Navy-Marine Corps Memorial

Bellino is semi-retired after working for 40 years in the auto leasing and auction industry. Joe is also a longtime member of the Board of Directors of the Northern Bank and Trust, home based in Woburn, Ma., which recently was ranked as the #1 Community Bank in the United States His son, John, is a 1989 graduate of the Naval Academy, and his daughter, Therese, is a public school teacher in Cambridge, Mass.

Known as "Roger the Dodger," Roger Staubach has scrambled his way to success as a college athlete, an All-Pro NFL quarterback and as a successful businessman.

In 1963, Staubach became the second Naval Academy football player in four years to win the Heisman Trophy. It was his junior season with the Midshipmen, and all he did was lead Navy to a ranking of second in the country and a berth in the Cotton Bowl, where he set Bowl records for pass completions (21-of-31) and yards passing (228). The Midshipmen posted wins over West Virginia, Michigan, Notre Dame and Maryland that season. He completed 106 passes in 161 attempts for 1,474 yards, while earning consensus All-America honors, as well as the Maxwell Trophy and Walter Camp Memorial Trophy.

At one time, Staubach, who was hampered by injuries in his senior season of 1964, had set 28 Naval Academy records in football. He also had some outstanding performances as a varsity baseball player and a brief but significant moment as a varsity basketball player. He lettered in baseball threestraight years (1963-65) as an outfielder and pitcher. In 1963, he hit .420, and in 1965 he was the team captain. He also won a letter in basketball in 1962-63.

Staubach was the recipient of the Thompson Trophy Cup at the Academy for threeconsecutive years and was the 1965 winner of the Naval Academy Athletic Association Sword. He was the first sophomore to win the Thompson Trophy Cup and is its only three-time winner. He was only the fourth midshipman since 1900 to win both the Thompson Trophy Cup and NAAA Sword.

After four years in the U.S. Navy, including a tour in Vietnam, Staubach joined the Dallas Cowboys and led that team to unprecedented heights. Again, displaying the daring play he had shown at Navy. Staubach directed the Cowboys to 23 fourth-guarter comeback wins, 14 in the final two minutes of a game or in overtime. He played 11 season with the Cowboys and led them to the Super Bowl four times, including world championships in 1972 and 1978. The Cowboys were 90-31 with Staubach as their starting quarterback.

Among his awards were the NFL Players Association Most Valuable Player and The Sporting News NFL Player of the Year in 1971, Most Valuable Player of Super Bowl VI (1972), Washington Touchdown Club NFC Player of the Year in 1976 and 1978, NFC Pro Bowl selection five times, the Vince Lombardi Sportsman of the Year Award in 1975, NFL Players' Association NFC Offensive Player of the Year (1978), and the Byron "Whizzer" White Humanitarian Award in 1979.

Staubach was named Walter Camp Foundation Man of the Year in 1985, was selected to the Pro Football Hall of Fame in 1985, his first year of eligibility, and inducted into the National Football Foundation and Hall of Fame in 1981.

The football locker room in Ricketts Hall was named in his honor in 1996 and in 2008, Staubach received the National Football Foundation's Gold Medal, the highest honor one can receive from that organization. Staubach has also been honored as a "Distinguished Graduate" of the United States Naval

He was named to the Walter Camp All-Century Team, was elected into the Cotton Bowl Hall of Fame, spearheaded a successful movement to land North Texas and the Dallas Cowboys the Super Bowl in 2011 and was named to the Navy-Marine Corps Memorial Stadium All-Stadium Team.

At the Naval Academy, beating Army is important. Plebes yell "Beat Army!" in Bancroft Hall, "Beat Army!" is on every weight in the Naval Academy weight rooms, and alums and fans alike yell "Beat Army!" at the end of Blue & Gold, the Naval

Academy's alma mater. The annual showdown between the two rivals in each sport is deemed the Star Game with the players from the winning team receiving a Star for their letter sweaters. For those sports that face Army multiple times in a season, the Star Game is designated prior to the start of the year.

Navy continued its dominance over Army in 2016-17 in both the overall and Star series going 20-12 (.625) overall and 14-9 (.609) in Star competitions.

Navy is 41-3-2 against the Black Knights over the last 46 years in the overall series and 33-4-2 over the last 39 years in the Star series.

Navy leads the all-time series against Army in all sports, 1,046-792-41 (.568).

2016-17 STAR SERIES PRESENTED BY USAA

Women's Soccer

Sophomore Anabell Motley provided the game-winning goal in the ninth minute as Navy defeated Army West Point, 1-0. Navy earned its 12th Star match victory in front of the fifth-largest Glenn Warner Soccer Facility crowd at 2,347.

Men's Golf

Senior men's golfer Devin Terry earned a letter sweater following his freshman year, but had yet to wear it. In fact he never even picked it up. He told his teammates he wouldn't wear his sweater until he earned a Star. But after Terry won the 18th hole of the final match to halve the final point, he finally made that march to retrieve his sweater and Star. The Midshipmen, who held a 3-1 advantage after the four-ball matches on day one, won two singles matches and halved two others on the final day to defeat Army West Point, 6-5, at the West Point Golf Course.

Volleyball

Balance on both offense and defense sparked the Navy volleyball team to a three-set victory over Army West Point at the Wesley A. Brown Field House in the annual Star Match between the two programs. The Mids defeated the Black Knights, 25-19, 25-17, 25-16 before a boisterous overflow crowd of over 1,000 in Navy's home venue. Navy had three players finish with 13 kills, three different players grab 13 digs and four players record multiple blocks.

Men's Cross Country

For the second straight Army-Navy Star Meet, the Navy men's cross country team posted a perfect score of 15 to 46 to defeat Army West Point at the United States Naval Academy Golf Course. It was the eighth time in program history that Navy recorded a perfect score of 15 in an Army-Navy Star Meet. Senior Lucas Stalnaker broke out from the start and kept up his pace as he blew by the competition with a first-place time of 23:39.39, which was a full 17 seconds ahead of secondplace finisher Ryan McCoy. Stalnaker's first-place time broke the course record that was previously held by Ron Harris ('87) at 23:47.8, which was established exactly 30 years ago in 1986.

Women's Cross Country

The Navy women's cross country team recorded six of the top-seven finishers to defeat Army West Point, 20-42, at the United States Naval Academy Golf Course. Navy tallied its sixth-straight victory over Army for the second time in program history. Navy sophomore Erin McDonnell finished second in the race in a time of 23:03.71.

Sprint Football

Behind a complete team effort the Navy sprint football team earned a gritty 10-3 victory over Army West Point in the two rival service academy's annual Star Game. After a slow start saw the Mids fall behind 3-0 in the first quarter and get held to minus-three rushing yards in the first half, a stifling defense and hard-nosed running attack in the second half helped the hosts come from behind for a dramatic 10-3 victory over the Black Knights before a boisterous crowd at Navy-Marine Corps Memorial Stadium.

Men's and Women's Swimming & Diving

The longest winning streaks in Army-Navy series history were extended by another year as the Navy swimming and diving teams swept their counterparts from Army West Point at Crandall Poll in West Point, N.Y. The Navy women's team won by a score of 194-106 to win its 28th straight meeting in the rivalry, and the Navy men's squad won its 26th consecutive meet with a 156.5-143.5

Women's Basketball

Sarita Condie and Taylor Dunham combined for 38 points to help lead the Navy women's basketball team to a 67-62 victory over Army West Point at Alumni Hall in Annapolis in the annual Star Game between the programs. The win for Navy was its first in the Star Game, presented by USAA, since the 2012 season and its first in a home Star Game since 2003.

Women's Outdoor Track & Field

For the fourth consecutive year, the women's track and field meet between Army West Point and Navy was decided by less than 10 points as the Midshipmen posted a 105-98 victory over the rival Black Knights. With the win, Navy has now won three consecutive outdoor meets against Army, eight of the last nine, and 11 of the last 13. The Mids improved their overall record against the Black Knights to 17-14.

Men's Outdoor Track & Field

The Navy men's track and field team avenged its indoor loss to Army West Point with a 108-95 victory over the Black Knights at Ingram Field. The Mids' victory is the sixth consecutive win over their rivals in outdoor track & field. Navy used first-place finishes in the 400-meter hurdles, 200m dash and the 5,000m run to pull away and secure the win.

Men's Lacrosse

A crowd of 12,705 gathered at Navy-Marine Corps Memorial Stadium in Annapolis to watch one of the most storied rivalries in college sports - the 98th edition of Army-Navy men's lacrosse. Navy went on a 7-0 run over the final 16 minutes of the game to overcome a three-goal deficit and defeat #8 Army West Point, 10-6. The Mids also clinched the Army-Navy Star Series presented by USAA for the 19th time in the last 21 years. The crowd was the 11th-largest crowd to see a regular-season Navy men's lacrosse game at Navy-Marine Corps Memorial Stadium and the second-largest for an Army-Navy game at the Stadium.

Men's Tennis

The Navy men's tennis team posted a 4-1 victory over Army West Point in the Star Match between the two teams at the Malek Tennis Center in West Point, N.Y. The Mids have now won back-to-back Star Matches over the Black Knights for the first time since they won four in a row from 2006-09.

Baseball

The Navy baseball team completed its 3-1 series win over Army West Point with a doubleheader sweep at Johnson Stadium at Doubleday Field. The Mids knocked off the Black Knights by a score of 7-2 in game one to clinch the N-Star and 10-6 in the second contest. A pitchers' duel in game one quickly fell apart over the final three innings as the teams scored all nine runs to close the game. In the second half of the twinbill, the teams started out hot and saw the game tied at 5-5 after three innings before Navy pulled away with a two-run home run in the fifth and three insurance runs in the eighth. Game one starter, Kyle Condry hurled six innings of three-hit action before giving way to Jett Meenach in the seventh and final inning to secure the Star.

COMMANDER-IN-CHIEF'S

TRUPHY

The Commander-In-Chief's Trophy is presented annually to the winner of the football competition among the three major service academies — Army, Navy and Air Force — and is named in honor of the President of the United States.

Navy has won the trophy in 10 of the last 14 years and are 24-5 over the last 29 games against Army and Air Force.

Navy has won the trophy a total of 15 times: 1973, 1975, 1978, 1979, 1981, 2003, 2004, 2005, 2006, 2007, 2008, 2009, 2012, 2013 and 2015.

When there is no clear-cut winner, the trophy remains with the winner of the previous year's competition.

The three-sided trophy stands two-and-a-half-feet tall and is engraved with the academy seals. Reproductions of the three mascots — the Army Mule, the Navy Goat and the Air Force Falcon — are ensconced on the respective sides of this bauble. The trophy is sponsored by the West Point Association of Graduates, the Naval Academy Alumni Association and the Air Force Association of Graduates.

The year in which the trophy is won is engraved on a plate gracing the respective academy's side of the trophy.

THE AMERICAN ATHLETIC CONFERENCE

The American Athletic Conference consists of 13 prestigious institutions: the University of Central Florida, the University of Cincinnati, East Carolina University, the University of Connecticut, the University of Houston, the University of Memphis, the U.S. Naval Academy (in football only), the University of South Florida Southern Methodist University, Temple University, Tulane University, the University of Tulsa, and Wichita State University (as of July 1, 2017).

AMERICAN POWER

Under the leadership of commissioner Mike Aresco, the American Athletic Conference has written an impressive list of accomplishments, both in the competitive arena and the classroom. The American has taken its place at the forefront of intercollegiate athletics, with a collection of national team and individual championships and football and men's and women's basketball postseason victories that place The American among the elite Division I FBS conferences.

The league has produced four NCAA championship teams – UConn men's basketball in 2014 and UConn women's basketball in 2014, 2015 and 2016 – in addition to two New Year's Six bowl champions, five NCAA individual championships, and one Rhodes Scholar. Additionally, American Athletic Conference teams have advanced to the College World Series, reached the semifinal and final rounds of the NIT, qualified for the match play round of the NCAA Men's Golf Championship and registered top-10 finishes at the NCAA Cross Country and Outdoor Track and Field championships.

The American Athletic Conference was one of six finalists for the 2016 Sports Business Journal Sports League of the Year award, along with Major League Baseball, Major League Soccer, NASCAR, the National Basketball Association and the PGA Tour.

In football, Temple and Navy were ranked in the final College Football Playoff poll of the 2016 season, marking the second straight season that The American finished with at least two ranked teams. Seven teams from The American played in bowl games, while three teams (USF, Temple, Tulsa) finished with at least 10 wins.

The American has had a combined 15 teams play in bowl games in the last two seasons, highlighted by Houston's win against Florida State in the 2015-16 Chick-fil-A Peach Bowl. Houston's finish at No. 8 nationally in 2015 gave The American a top-10 team in the final national polls for the second time in three seasons after UCF finished No. 10 in the 2013 rankings after the Knights' Fiesta Bowl win against Baylor. Additionally, Memphis, Navy, USF and Temple have all finished in the top 25 of either the CFP, Associated Press or USA Today polls as members of The American.

Individual teams in The American have enjoyed unprecedented success since the conference's formation. Houston went 13-1 in the 2015 football season, setting a school record for wins, while Navy won a program-record 11 games in its first season in the conference, also in 2015. The 2014 season saw Memphis finish with 10 wins in football for the first time since 1938, while Temple enjoyed its first 10-win season in 2015.

Beyond the gridiron, The American sent four teams to the 2016 NCAA Men's Basketball Championship, and the league had the best men's basketball postseason record of any conference in 2014. Since the conference's formation in 2013-14, teams from The American have registered top-10 national rankings in football, men's basketball, women's basketball, baseball, men's soccer, men's golf, and men's track and field. Student-athletes from The American won three NCAA individual titles in track and field in 2016-17 as Cincinnati's Annette Echikunwoke won the indoor weight throw, Tulsa's Marc Scott won the outdoor 10,000-meter title, and Houston won the crown in the outdoor 4x100-meter relay.

Under The American's banner, SMU advanced to the NCAA Men's Basketball Championship for the first time since 1993. The UConn women's basketball team won its NCAA-record ninth, 10th and 11th national championships and broke its own NCAA record with a 111-game winning streak that spanned three seasons. UCF, East Carolina and Houston have all achieved top-10 rankings in baseball in the past three years. Tulsa placed sixth at the 2016 NCAA Men's Cross Country Championship, while USF finished the 2014-15 season at No. 8 in the final men's golf national ranking.

American Athletic Conference student-athletes have distinguished themselves in all facets of intercollegiate athletics. Temple linebacker Tyler Matakevich won the Bednarik Award and the Nagurski Trophy as the nation's top defensive player in 2015, while Navy quarterback Keenan Reynolds finished fifth in the Heisman Trophy voting. UConn basketball standout Breanna Stewart finished her career as the most decorated player in college basketball history as she was chosen as the consensus national player of the year for the third time and

became the first player be named four times as the Most Outstanding Player at the Final Four. Reynolds and Stewart were selected as the winners of the 2016 AAU James E. Sullivan Award as the nation's top amateur athletes, marking only the second time in the 86-year history of the award that multiple winners were chosen.

Additionally, SMU's Avery Acker was chosen as the Division I women's volleyball Academic All-America of the Year in 2015, while Navy offensive guard E.K. Binns and East Carolina wide receiver Zay Jones have both been named as finalists for the 2016 Campbell Trophy, which is presented by the National Football Foundation to the top scholar-athlete in college football. Tulsa cross country standout Kirk Smith was chosen as a Rhodes Scholar in the fall of 2016, while two student-athletes from The American earned NCAA Postgraduate Scholarships in the conference's first three years.

American Athletic Conference alumni have made their mark in professional sports as well. UCF quarterback Blake Bortles was selected by the Jacksonville Jaguars with the No. 3 pick in the 2014 NFL Draft. More recently, a number of American Athletic Conference athletes have been selected in the first round of the professional entry drafts in football, basketball, baseball and soccer. The American has had two first-round picks in football in each of three of the last four seasons, while the conference produced four first-round picks, including the top three selections, in the 2016 WNBA Draft.

The American Athletic Conference holds media rights partnerships with ESPN and CBS Sports which provide the conference with outstanding national exposure on the two industry leaders in sports television. The football portion of the contract calls for nearly 90 percent of conference-controlled games on national broadcast or national cable platforms. The first two American Athletic Conference Football Championships were televised by ABC as part of Championship Saturday.

In men's basketball, the television deal calls for all conference-controlled games to be televised, with more than 63 percent slotted for national broadcast or national cable – a minimum of 107 games. The entire postseason tournament is televised, including the championship game, which is on ABC or ESPN. Sixty percent of the American's women's basketball games are carried on national cable, regional sports networks or ESPN3, while the conference has a multi-year agreement with CBS Sports Network for coverage of select baseball games.

American Athletic Conference teams have access to the pinnacle of college football's postseason structure. An American representative would be chosen for the College Football Playoff semifinals if it is among the top four teams in the CFP selection committee's final ranking. Otherwise, the league would place its champion in a New Year's Bowl if it is ranked higher than the champions of Conference USA, the Mid-American Conference, the Mountain West Conference and the Sun Belt Conference.

Additionally, The American holds primary or secondary partnerships with 12 bowls for the current six-year cycle, ensuring multiple annual matchups against the nation's top conferences and providing desirable postseason destinations to member institutions and their fans.

The American Athletic Conference serves its membership from a state-of-the-art office located in Providence, R.I. The location of the conference headquarters – just steps from the city's Amtrak station and 10 minutes from T.F. Green International Airport – gives the conference easy access to its member schools. The conference headquarters also serves as the home of the American Digital Network, which provides live coverage of all 21 conference championships.

ACADEMY HISTO

From the first athletic competition played on the gridiron in 1879 to Navy's recent triumphs, several events, people, rivalries and personalities have shaped the entire Naval Academy athletic program. Below is a look at just some of the history and traditions that make Navy one of the most storied programs in all of collegiate athletics.

Anchors Aweigh

"Anchors Aweigh" was written by Lt. Charles Zimmermann, Musical Director of the Naval Academy in 1906, with the lyrics provided by Alfred H. Miles of the Class of 1906, as a fight song for the 1907 graduating class instead of the usual class march Zimmermann had composed for previous classes. The song made its debut at the 1906 Army-Navy game, and when the Midshipmen won the game, the song became traditional at this game. It gained national exposure in the 1920s and 1930s when it was heard on the radio and was in a number of popular movies. In 1997 a one-hour documentary on the history of Navy football, titled "Anchors Aweigh for Honor and Glory", was produced by NFL Films. The film was deemed a success by both critics and fans alike. Here are the words:

Stand Navy down the field, Sails set to the sky, We'll never change our course, So Army you steer shy. Roll up the score, Navy, Anchors Aweigh, Sail Navy down the field, And sink the Army, Sink the Army Grey

Bill the Goat

The first recorded use of a goat mascot for Navy athletic teams was in 1893 when an animal named El Cid (The Chief) was turned over to the Brigade by young officers of the USS New York. El Cid helped Navy to a 6-4 triumph over Army that year. Two cats, a dog, and a carrier pigeon have also enjoyed brief reigns as the Navy mascot, but goats have served without interruption since 1904.

Bill XXXVI (36) and Bill XXXVII (37) are the current mascots. A group of midshipmen from the 8th company, known as Team Bill, are trained as goat handlers to ensure the goats' safety, security and comfort on the sidelines during football games.

Blue & Gold

This song was written in 1923 by Cmdr. Roy de Saussure Horn, USN (Ret.) with music composed by J.W. Crosley. Following every home athletic competition, the team faces its fans with its hand on its heart and sings the following:

Now, colleges from sea to sea May sing of colors true; But who has better right than we To hoist a symbol hue? For sailors brave in battle fair, Since fighting days of old, Have proved the sailor's right to wear The Navy Blue and Gold

Enterprise Bell

From the bridge of the famed World War II aircraft carrier, it has been a part of the Naval Academy tradition since 1950. The late Admiral Harry W. Hill, then Superintendent, was instrumental in bringing the "E" Bell to Annapolis. It rings during special ceremonies honoring the sports teams that won the N-Star against Army. The bell is stationed in front of Bancroft Hall.

Midshipman

The word midshipman first appeared in English in the 17th century in the form of the word midshipman to designate those men who were stationed "amidships," i.e. in the waist or middle portion of the vessel, while on duty. By 1687, however, the second 's' had been dropped to give the current form of the word. Midshipmen were originally boys, sometimes as young as seven or eight, who were apprenticed to sea captains to learn the sailor's trade.

In the early days of the American Navy, midshipmen trained aboard ship until they were eventually commissioned as ensigns. With the founding of the Naval Academy in 1845, it became possible, as it still is, for a midshipman to enter the Navy directly from civilian life. The name of students at the Naval Academy changed several times between 1870 and 1902, when Congress restored the original title of Midshipman, and it has remained unchanged since.

Tecumseh

The familiar Native American figurehead facing Bancroft Hall and Tecumseh Court has been an Annapolis resident since 1866. Originally, the figurehead of the USS Delaware was meant to portray Tamanend, the great chief of the Delawares. It developed that Tamanend was a lover of peace and did not strike the fancy of the Brigade. Looking for another name, Midshipmen referred to the figurehead as Powhatan and King Philip before finally settling on Tecumseh, the fierce Shawnee chieftain who lived from 1768-1813. The original wooden statue was replaced after some 50 years in the open weather by a durable bronze replica, presented by the Class of 1891. It is considered a good-luck "mascot" for the midshipmen, who in times past would throw pennies at it and offer left-handed salutes whenever they wanted a 'favor', such as a sports win over West Point, or spiritual help for examinations. These days it receives a fresh coat of war paint and is often decorated in various themes during football weeks and other special occasions such as Commissioning Week.

Navy is dedicated to providing its student-athletes top-notch game day and practice atmospheres in every sport. Navy annually ranks among the league leaders in attendance in nearly every sport, and has hosted numerous Patriot League and NCAA Championship events over the last several years. Recently, many of the facilities have undergone extensive renovations, showing Navy's commitment, dedication and passion to providing the very best for its athletes.

Navy has played host to the NCAA Men's Lacrosse Quarterfinals five times in the last 11 years and will make it six times in 12 years this spring, the NCAA Women's Lacrosse Final Four, the season-opening Veterans Classic for men's basketball featuring some of the top teams in the country including Final Four participants Michigan State and North Carolina, the College Squash Association Individual Championship, the CWPA Eastern Water Polo Championship, the EIWA Wrestling Championship, the NCAA Zone Diving Championship, the ECAC Swimming Championship, the Women's Intercollegiate Sailing National Championship, the ECAC and the USAG Collegiate Gymnastics Championship and is the yearly home of the Military Bowl Presented by Northrop Grumman. This year, the Naval Academy will be hosting an NHL hockey game at Navy-Marine Corps Memorial Stadium between the Washington Capitals and the Toronto Maple Leafs.

In addition, Navy has also played host to Patriot League championships in the following sports: women's basketball, men's soccer, women's soccer, baseball, men's and women's tennis, men's and women's indoor and outdoor track and field, men's and women's lacrosse, men's and women's cross country, men's and women's golf and men's and women's swimming and diving.

Navy's facilities have also undergone major renovations and construction improvements, from the building of the \$52 million Wesley A. Brown Field House to a \$58 million overhaul of Navy-Marine Corps Memorial Stadium that gives the Midshipmen a dominant home-field football presence and made the facility the finest in college lacrosse.

Other major facility improvements include the building of the \$18.5 million Brigade Sports Complex, the \$18 million Hubbard Hall Rowing facility renovation, a \$10 million renovation to the Lejeune Hall pool that included new tile throughout both the 50 meter pool and dive well, a replacement of the dive towers and the addition of video boards, a \$5 million renovation of Rip Miller Field (removed crown, installed vertical drainage, replaced bleacher and press box), the \$1.8 million Willis Bilderback-Dinty Moore Navy Lacrosse Hall of Fame, a \$6 million renovation that is underway at the Naval Academy Golf Course a \$1.5 million renovation of the Halsey Field House squash facility and Dyer Tennis Center, the \$4 million Prusmack Rugby complex and a \$5.1 million renovation and expansion of the Halsey Fieldhouse multipurpose basketball facility giving both teams new locker rooms, player lounges with adjacent film rooms, expanded athletic training room with dedicated hydrotherapy room and new coaches' locker rooms.

Other facility improvements have included the Ricketts Hall training room expansion, a new video board at Alumni Hall, a new press box at the Glenn Warner Soccer facility, new hammer throw venues for track & field, installation of FieldTurf in Halsey Fieldhouse, new wrestling locker rooms as well as major renovations to the Terwilliger Brothers Field at Max Bishop Stadium where the Mids play baseball, and at Macdonough Hall for water polo.

Navy-Marine Corps Memorial Stadium was initially renovated with the first of three phases over a four-year time period (2002-05) and transformed into a state-of-the-art multi-use facility hosting Navy football, sprint football and men's and women's lacrosse as well as a myriad of other local, regional, national and international events. Recently (2011-15), a fourth phase of renovation has enhanced the venue's recruiting suites, hospitality facilities, scoreboards and locker rooms.

The \$58M project was privately funded by the Naval Academy Foundation and the Naval Academy Athletic Association (NAAA). 360 Architecture of Kansas City, Kan. and Alt, Breeding, Schwarz of Annapolis, Md. directed the design.

New components include two state-of-the-art video scoreboards, chair back seating, ADA seating platforms and access ramps, concession stands, end zone seating, luxury suites, and additional sideline seating created by lowering the playing field to give the stadium a more intimate look and feel.

In 2004, a 12,000 sq. ft. banquet facility was constructed to host class reunion dinners and other Naval Academy functions.

The first floor Admiral William Lawrence N-Room houses plaques listing the names of all USNA varsity letterwinners and can seat 600 for a banquet or formal dinner.

The second floor is the home of the Bilderback-Moore Navy Lacrosse Hall of Fame. The James H.H. Carrington Room is part of the Hall of Champions that displays lacrosse photos, trophies, memorabilia and a multimedia presentation representing the proud tradition of Navy lacrosse.

The banquet rooms are serviced by a full kitchen and bar areas with a fully-integrated audio and video system that features ten large screen televisions and the ability to give business presentations on both levels of the banquet facility.

The banquet facility is just one of many hospitality areas located in the stadium complex. Ten sideline suites are located on the lower east side of the stadium and eight in the south end zone. Large party tents are utilized with great views of the field in the southeast and southwest corners of the facility. Class reunions are frequently held in Class Ring North, located behind the battle arches in the north end, offering alumni an in-stadium tailgating opportunity.

A renovated press tower was completed prior to the 2004 season.

The fourth level, named the Flag Bridge, was erected under the old press area in the seating bowl. It has 71 permanent seats in front of additional stools, tables and chairs which allows for flexibility in hosting game day viewing or special events on non-game days.

The fifth level is dedicated to the writing press, radio booths, coaches' booths, scoreboard, public address and operations areas and the sixth level holds six suites.

In 2005, the lower concourse restrooms were expanded and the concourse was totally resurfaced. A major change to the stadium came with the installation of a new synthetic field surface, FieldTurf, which allows the stadium to be used 365 days a year.

In the summer of 2010, four luxury boxes, a television booth and camera locations were constructed on the Upper East Side. The relocation of the television production allows CBS Sports Network to better capture the Navy sideline and Brigade of Midshipmen. In order to enhance the Stadium's ADA capabilities, two new elevators make stops at the lower portion of the upper deck to allow for fans to access their seats via a pedestrian bridge.

2017 NAVY FOOTBALL

In the summer of 2011, a new playing surface was installed at Navy-Marine Corps Memorial Stadium. The monoblade monofilament turf system was installed by FieldTurf making Navy the first FBS program with this type of field.

In the summer of 2013 two new state-of-the-art high-definition video boards were installed, the brand new construction of two enclosed recruiting and hospitality reception areas were completed in the south end zone and the home team locker room was completely refurbished. The recruiting room on the press box side of the stadium is also used for postgame press conferences.

In the summer of 2014, following a private dedication, the east tower formally became known as Akerson Tower, named in honor of distinguished Naval Academy graduate, Daniel F. Akerson '70. Additionally, two identical club lounges, with dedicated seating, were constructed on either side of the existing Akerson Tower upper-level suites to provide a premium game day experience for up to 350 people. The two clubs officially opened before the 2015 season. Two additional suites were also added with the new club level

In 2016, a new south end zone video board was added to match the exact size and dimensions of the north end board. This gives the stadium two of the largest boards in the country in venues of comparable size.

The multi-purpose nature of Navy-Marine Corps Memorial Stadium has allowed it to play host to five NCAA Men's Lacrosse Ouarterfinals, the 2005 NCAA Women's Lacrosse Championship, the 2005 Women's Lacrosse World Cup, the 2013 First and Second Rounds of the NCAA Women's Lacrosse Tournament, Major League Lacrosse games, as well as numerous high school, professional and local youth events. The stadium is the home of the Military Bowl presented by Northrop Grumman and the semi-annual site of a Baltimore Ravens' practice. This March it will host an NHL game between the Washington Capitals and the Toronto Maple Leafs.

The memorial aspects of the original structure were preserved and enhanced during the renovations. More than 8,000 chair back memorial plates were removed, refurbished and reinstalled in the new seats. Hundreds of memorial plaques received the same treatment and are featured on the Memorial Plaque Wall in the North Memorial Plaza. Battle arches and class arches have been constructed to tell the illustrious story of the Naval Services. Each combination of battle arches contains a history lesson on the left arch and a description of the particular battle on the right. Each and every battle fought by either the Navy or Marine Corps is depicted through the use of color-coded battle streamers allowing visitors to chronologically view the story of the brave men and women who we honor for their service to our country. There was also an arch dedicated to those that went on to serve in the Air Force.

The stadium was rededicated on Oct. 8, 2005 before Navy's annual battle with Air Force. The Mids won the game, 27-24.

The dedication plaque for Navy-Marine Corps Memorial Stadium reads as follows:

"This Stadium is dedicated to those who have served and will serve as upholders of the traditions and renown of the Navy and Marine Corps of the United States.

May it be a perpetual reminder that the Navy and Marine Corps are organizations of men trained to live nobly and serve courageously in peace, champions of our integrity: in war, defenders of our freedom."

THE CONSTRUCTION NAVY-MARINE CORPS MEMORIAL STADIUM

Navy unveiled its newest pride and joy, the \$3 million dollar Navy-Marine Corps Memorial Stadium, before 25,000 spectators by beating William & Mary, 29-2, on Sept. 26, 1959. Joe Bellino scored the first points in stadium history on a 53-yard touchdown run, while fullback Joe Matalavage rumbled for an 86-yard touchdown run. Quarterback Jim Maxfield led the Navy offense to two more touchdowns as the Midshipmen piled up 289 yards rushing while holding The Tribe to just 101 yards of total offense.

"I remember that we were all very proud of our new stadium and so impressed with how big and beautiful it was," Jim Dunn, an offensive center and captain of the 1959 squad, told the Annapolis Capital. "That stadium really helped put Navy football on the map. It made home games much more of an event."

Plans to construct a new stadium actually began more than two decades before and in 1939, the Naval Academy Athletic Association bought a 106-acre tract of farmland in West Annapolis.

By 1941, architects had completed preliminary plans and specifications, so rough grading of the former Davis-Smith site began.

However, World War II intervened and delayed construction of the stadium until 1956. That is when a survey showed the available athletic space for the Naval Academy intramural program to be woefully inadequate. Demolishing Thompson Stadium, home to Navy football since 1912, would free up five acres of valuable on-campus space for outdoor exercise activities.

Thompson Stadium had become terribly outdated in terms of seating, parking and other amenities and had deteriorated tremendously during its 48-year existence.

Academy officials estimated it would require \$300,000 in renovations just to restore the stadium to limited utility without adding another seat, parking space or improved facilities. As a result, a drive to raise private funds for a new stadium began and was coordinated by Rear Admiral William R. Smedberg III, Superintendent of the Naval Academy at the time. Captain Eugene B. Fluckey served as campaign director and is credited with generating contributions that more than covered the cost of constructing the stadium. The stadium was funded by thousands of dedicated alumni, sailors, marines and friends of the United States Naval Academy, who donated the \$3 million in private gifts. As a result, Navy was able to build a stadium that was worthy of its great football tradition.

"Thompson Stadium wasn't much to speak of. It was like a high school stadium to most of the players," quarterback Joe Tranchini told the Capital. "Navy-Marine Corps Memorial Stadium was definitely a major upgrade."

A portion of this story was reprinted from the Annapolis Capital.

The Daniel F. Akerson Tower

The east side tower of Navy-Marine Corps Memorial Stadium was officially dedicated the Daniel F. Akerson Tower in a private ceremony on May 1, 2014. Dan '70 and Karin Akerson established the largest private gift in Naval Academy history with their \$20 million commitment to the school, a significant portion of which served as the lead gift for the Phase IV renovations to Navy-Marine Corps Memorial Stadium that commenced in the summer of 2013. Their generous contribution paved the way for the installation of two new state-of-the-art high-definition video boards, the construction of two enclosed recruiting and hospitality reception areas in the south end zone, the complete refurbishment of the home team locker room and the construction of two premium club lounges on the upper-level of Akerson Tower adjacent to the stadium's existing upper-level suites.

Athletic & Scholarship Programs Trustees Club

Located in the south club of Akerson Tower, the Athletic & Scholarship Programs Trustees Club was formally dedicated in the spring of 2016. In recognition of a \$3 million dollar commitment to establish a sustainment and preservation fund for Navy-Marine Corps Memorial Stadium and for over seven decades of dedicated support by the USNA Foundation's Athletic & Scholarship Program Trustees, this space will serve as a lasting tribute to the organization's commitment to Navy Athletics.

Mike & Robin Yeager Pavilion

The blue side recruiting suite was officially dedicated as the Mike & Robin Yeager Pavilion in the fall of 2015. Mike '76, was an outstanding football player at the Naval Academy, before serving in the Marine Corps and pursuing a successful career in the energy industry. He and his wife, Robin, made a significant contribution towards the Phase IV renovations to Navy-Marine Corps Memorial Stadium. Their pavilion provides a versatile space, suitable for hosting prospective midshipmen student-athletes, entertaining athletic donors, holding post-game press conferences and catering to a variety of other uses on non-football weekends.

Cmdr. Michael B. Clark & Lisa Quadrini Postgame Media Center

Located inside of the Yeager Pavilion, the Cmdr. Michael B. Clark '69 & Lisa Quadrini Postgame Media Center serves as the site for the Navy football program's postgame media interviews. Professional grade audio-visual equipment allows the space to be converted from its in-game hospitality use to its postgame media use. Six video monitors throughout the room ensure that all attendees can have a frontrow seat during the Midshipmen's postgame interviews.

Jack Stephens Field

The United States Naval Academy Campaign: Leaders to Serve the Nation received a \$10 million gift from Mr. Jackson T. Stephens of Little Rock, Arkansas in 2003. The late Mr. Stephens was a 1947 graduate of the Naval Academy and the former Chairman of Stephens Group, Inc. His gift supported the renovations of Navy-Marine Corps Memorial Stadium, the Class of 1947 Legacy project to benefit the Academy's Museum, and other important Campaign priorities. The field at Navy-Marine Corps Memorial Stadium is named "Jack Stephens Field" in his honor.

The Rear Adm. Hamilton Locker Room Complex

The Rear Adm. Thomas J. Hamilton Locker Room Complex at Navy-Marine Corps Memorial Stadium was officially dedicated at the opening game of the 1992 season. The \$800,000 facility includes home and visiting team locker rooms, training rooms, an officials' dressing area and an office for the stadium supervisor. There are separate dressing and shower areas for coaches in each of the locker rooms. The locker rooms accommodate approximately 100 players and coaches for each team. The 16,000-square-foot structure is of masonry construction and is completely air conditioned. The facility actually includes two buildings and incorporates the arch which has been a traditional part of the entrance at the south end of the stadium. The arch was refurbished to match the decor of the complex. The home team locker room was renovated in the summer of 2013.

Terwilliger Family Scoreboard

The Terwilliger Family is honored to have the north scoreboard named after it for its contribution to the Naval Academy and to the Navy-Marine Corps Memorial Stadium renovation project. Ron Terwilliger is a member of the Class of 1963. His brother Bruce is a member of the Class of 1965. Both were varsity athletes, scholars and served on active duty upon graduation. They are honored to give back to the Naval Academy, which gave so much to them.

FOOTBALL FACILITIES

Ricketts Hall

Navy's football team has the use of one of the top facilities in the country in Ricketts Hall. A \$12 million renovation of Ricketts Hall has provided upgraded meeting rooms for the football team, offices for the football coaches, a player's lounge for the football team and offices for the Naval Academy Athletic Association administrators, the business and ticket offices, sports information and sports promotions and marketing.

In 2004, a renovation was completed that added a trophy and reception room, as well as new football offices and meeting rooms.

In 2007, the weight room was renovated with new lighting, synthetic turf sprint lanes and a new paint scheme. The football locker room was also completely renovated to increase the size of the facility, which included a player's lounge area complete with big screen televisions and video games.

In 2011, the training room was completely renovated, as were Rip Miller Field and the coaches locker rooms.

In 2014, a new turf field was installed on Rip Miller Field that was identical to the turf at Navy-Marine Corps Memorial Stadium.

In 2015, a new 1,800 square foot lounge with a glass wall overlooking the weight room was added as well as a newly created nutrition room, renovated office space for six strength and conditioning coaches and a new 1,350 square foot football coaches locker room adjacent to the coaching offices on the third floor.

Future projects include The Terwilliger Center for Student-Athletes, which will be a must-see destination for Navy recruits and visitors to the Academy. This state of the art facility will employ cutting edge technology to illustrate the Academy's robust Physical Mission, showcase Navy's rich and vibrant athletic history and celebrate the achievements of Navy's student-athletes on and off the field. The facility is designed to contain an immersion theater, a 250-seat auditorium, an Army-Navy tribute exhibit, a celebration of the pioneers in women's athletics at the Naval Academy, an executive conference room and an interactive display that celebrates the many facets of midshipmen student-athletes.

Ricketts Hall is named after Admiral Claude Vernon Ricketts, a 1929 graduate who played end for the Midshipmen, earning a varsity letter in 1928. During the battle at Pearl Harbor, Ricketts received a Letter of Commendation for his efforts to save his ship and his mortally wounded captain. He later became Commander Second Fleet and then assumed duties as the Vice Chief of Naval Operations.

Bellino Auditorium

A theater in the complex for staff and team meetings is named after 1960 Heisman Trophy winner Joe Bellino.

Staubach Locker Room

The football locker room, which is named after 1963 Heisman Trophy winner Roger Staubach, features lockers that incorporate a built-in seat for each player and a personal lock box. This locker room can house up to 150 players and was totally refurbished in the summer of 2005.

Jack Lengyel Strength & Conditioning Facility

Overlooking the Severn River and the Chesapeake Bay sits the Ricketts Hall weight room.

Mike Brass and his strength and conditioning staff instruct the Midshipmen in their daily workouts. Programs are structured to help the athletes maximize their overall athletic abilities. A variety of speed/strength workouts are organized throughout the year, both in-season and off-season. Olympic-style lifts, which include the snatch and the clean and jerk, are the core exercises used at the Naval Academy. Variations of these lifts, along with squatting and pressing exercises, are performed during each workout. Flexibility, speed and agility development, conditioning and nutritional information are the final components of each daily workout.

Encompassing 12,000-square feet of prime weightlifting space, the Midshipmen complete their speed/strength workouts on:

- 22 Power Lift full racks (each station includes):
 - · Power Lift Olympic platform
- · Multi-purpose cable pulley unit
- Dip bars
- Pull up bars
- Hyper-extension
- Multi-purpose bench
- · 555lbs of Iron Grip weights plus bar

The system also has a built in video control systems which enables us to video an athlete performing an exercise and play it back instantly to ensure proper technique is being performed.

The Red Romo Training Center

The Romo Physical Training Center, which is named for Navy's former athletic trainer the late Leon (Red) Romo, incorporates a state-of-the-art rehabilitation therapy pool, Hydroworx, for use by athletic teams and the Brigade of Midshipmen, an AlterG antigravity Treadmill, a computerized injury management system which will network with all other training rooms around the Naval Academy and with the Naval Academy Medical Department, updated equipment and treatment modalities and a doctor's examination area with a portable x-ray unit and self chilling cold whirlpools.

ECTOR OF ATHICET

In his 16 years as Director of Athletics, Chet Gladchuk has overseen a renaissance of the Naval Academy athletic program. His administrative leadership has helped lead the program to one of the most successful periods in school history.

In 2016-17, Navy won 62 percent of its contests, produced 14 All-Americans, four Academic All-Americans, 12 conference coaches of the year, 13 conference athletes of the year and 11 conference championships.

Additionally, Navy won the Patriot League Presidents' Cup, which is awarded to the member institution with the highest cumulative sports point total based on conference championships and final regular season standings in sponsored men's and women's sports, for the fifth time in the last six years.

Navy got it done in the classroom as well with 23 of Navy's 25 NCAA sponsored teams above the national average for their respective sport in the Academic Progress Report. Additionally, four Mids were named Patriot League Scholar-Athlete of the Year in their respective sports.

The women's lacrosse team made history in 2017 by becoming the first female Service Academy team to make the final four as the Mids advanced to the national semifinals by beating Penn, UMass and #2 and defending National Champion North Carolina.

The Navy football team, in just its second year in the American Athletic Conference, won the West Division title outright and played for a conference title for the first time in school history.

The move to the American, which was engineered by Gladchuk, will continue to secure Navy's future as a strong national FBS football program for the future.

Gladchuk's efforts have been recognized on a national level. He was one of four finalists in the spring of 2016 for the Sports Business Journal's Athletic Director of the Year award and received the John L. Toner Award from the National Football Foundation in December of 2016, which recognizes an athletics director who has demonstrated superior administrative abilities and shown outstanding dedication to college athletics and particularly college football.

Gladchuk won the Bobby Dodd Athletic Director of the Year Award in 2005. The award is presented in recognition of an athletic director's support and commitment toward the successful advancement of the department, most specifically in the sport of football. Additionally, he was recognized by the Secretary of the Navy for his contributions and service to the Navy and the Naval Academy with the Superior Public Service Award to the Department of the Navv.

Gladchuk has been able to parlay Navy's athletic success into an exclusive television deal with CBS Sports Network that has increased Navy's television exposure both in the United States and internationally. CBS Sports Network, the first 24-hour college sports network, televises every Navy home and select neutral site football games (excluding Notre Dame and Army which are televised nationally by CBS), as well as other Midshipmen men's and women's athletic events, original programming and documentaries centered on the storied Navy athletic program. The long-term, multi-media agreement includes internet streaming, broadband and video-on-demand rights and high definition rights. A major part of the agreement was that all home

football games would be played on Saturday for the convenience of the Navy alumni. Navy sports are seen all over the world with the international distribution of Navy programming, especially to the troops serving abroad. Navy's contract with CBS Sports Network runs through

Gladchuk has also added radio giants WBAL (1090 AM) in Baltimore and WFED (1500 AM, 1050 AM, 820 AM) in Washington D.C./Northern Virginia to Navy's radio

WBAL Radio, which is also the home of the Ravens, is Maryland's dominant and most powerful radio station.

WFED Radio, which is also the home of the Washington Nationals, is a 50,000-watt station that will air a minimum of 10 regular-season football games.

Since being introduced as the Academy's 28th Director of Athletics on Sept. 4, 2001, Gladchuk has pressed forward on numerous fronts with energy and vision. From the hiring of some of the top coaches in the country to the renovation of Navy-Marine Corps Memorial Stadium, Gladchuk has made improvements in several key areas that will prove more success on the athletic fields for years to come. Head coaching hires such as Ken Niumatalolo, who is the school's all-time winningest football coach, Bill Roberts in men's swimming, John Morrison in women's

swimming, Paul Kostacopoulos in baseball, Keith Puryear in women's tennis, Nadia Ste-Marie in women's golf, Cindy Timchal, the all-time winningest women's lacrosse coach in NCAA history, Stefanie Pemper, one of the all-time winningest Division III women's basketball coaches in history, Larry Bock, the all-time winningest coach in collegiate volleyball history, Ed DeChellis, the 2009 Big Ten Basketball Coach of the Year at Penn State, Rick Sowell, who was a two-time America East Men's Lacrosse Coach of the Year, Chris Garner, who led Amherst to two NCAA Division III Men's Tennis titles and Joel Sharratt, a three-time All-American wrestler at Iowa. Gladchuk also hired former Olympians Kip Simons (gymnastics) and Michael Anti (rifle).

During Gladchuk's tenure at the Naval Academy, he has seen the Midshipmen win 149 conference titles, produce 209 All-Americans and 92 Academic All-Americans.

He has embraced the local community and alumni base, and is an often-requested speaker, visiting areas all over the country as he shares the vision of the Naval Academy and the Naval Academy Athletic Association.

Gladchuk's biggest impact on the Naval Academy has been the \$64 million renovation of Navy-Marine Corps Memorial Stadium where under his leadership the stadium was completely refurbished over a six-year time frame. Gladchuk has worked closely with the city, county, state and neighborhood associations to ensure proper communication and sensitivity to issues that benefit both the NAAA and community at large. The NAAA was awarded the Green Star award by former Annapolis Mayor Ellen Moyer for commitment to the environment during the ongoing renovation of Navy-Marine Corps Memorial Stadium.

Gladchuk and the NAAA have also teamed up with the Naval Academy Foundation to raise private funds for facilities such as the Brigade Sports Complex (golf, tennis, hockey and rugby), Max Bishop Stadium (baseball), varsity squash courts, various team locker rooms and a number of practice facilities. Over the past decade over \$130 million dollars

Other highlights during Gladchuk's tenure at the Naval Academy include the renegotiation of the Army-Navy contract which resulted in over \$46 million to the two schools over an eight-year period, scheduling Maryland, Notre Dame, Ohio State and Army at M&T Bank Stadium in Baltimore to promote Navy football in the community, negotiating the extension of the Navy-Notre Dame football game television contract with CBS through 2018 and the Army-Navy contract with CBS through 2028 and negotiating bowl deals with the Houston, Emerald, Poinsettia, Meineke Car Care, EagleBank, Texas, Armed Forces and Military Bowls.

Gladchuk is heavily involved with NCAA, the American Athletic Conference and Patriot League committees. He was selected to serve on the NCAA Leadership Council, which is one of the highest NCAA appointments an athletic director can realize. The council helps set the Division I legislative agenda and advises the NCAA regarding major legislative issues being considered.

Gladchuk has been on the NACDA (National Association of Collegiate Athletic Directors) Executive Committee and has served as the Chairman of the Executive Committee in the Patriot League and a member of the NCAA Olympic Sport Liaison Committee.

Gladchuk came to the Naval Academy from the University of Houston, where he had been the Director of Athletics for four years and guided the Cougars to 19 Conference USA Championships, while making significant strides in the academic success of their student-athletes, gender equity and fiscal management.

Before Houston, Gladchuk was the Director of Intercollegiate Athletics, Intramurals and Recreation for seven years at his alma mater, Boston College. Under Gladchuk, Boston College emerged as one of the NCAA's elite programs of the 1990s winning numerous Big East and NCAA Championships. The school's graduation rate for all student-athletes was over 90 percent and the Eagles won the College Football Association's Academic Achievement Award for the highest graduation rates among all Division I schools in three of his last five years at Boston College. Gladchuk led the Alumni Stadium expansion effort, which resulted in a \$35 million improvement to the football stadium.

Prior to rejoining Boston College, Gladchuk served as AD at Tulane University from 1987-90. During his tenure, he directed the reinstatement of the Green Wave basketball program to Division I status. In addition, he oversaw the construction of new facilities for the athletics administration as well as baseball, track and field and tennis teams after a \$25 million athletics campaign was successfully completed.

From 1985-87, he served as Associate AD at Syracuse University, heading operations, NCAA compliance, financial aid and facility operations.

Gladchuk lettered in football at Boston College and graduated with honors in business management in 1973. He earned a master's in sports administration from the University of Massachusetts-Amherst in 1974, where he began his career in intercollegiate athletics, including serving for seven years as Director of General Physical Education, Assistant and Associate Athletic Director for the university. He also has served as Director of Athletics and head football coach for the New Hampton (Prep) School in New Hampshire prior to leaving for UMass.

He and his wife, Kathy, have four children: John, a graduate of Loyola Marymount; Katie, a graduate of Boston College; Christie, a graduate of Trinity; and Julie, a graduate of the University of North Carolina.

First-Rate Faculty and Staff

The Naval Academy's philosophy of education stresses attention to individual students by highly qualified faculty members who are strongly committed to teaching. Classes are small, with an average size of fewer than 18 students and a student-faculty ratio of 8:1. All courses at the Naval Academy are taught and graded by faculty members, not by graduate assistants.

Our 600-member faculty is an integrated group of officers and civilians in nearly equal numbers. Officers bring fresh ideas and experiences from operational units and staffs of the Navy and Marine Corps. The academy's civilian faculty members give continuity to the educational program and form a core of professional scholarship and teaching experience. Working together closely, these military and civilian faculty members form one of the strongest and most dedicated teaching faculties of any college or university in the United States.

Majors

Students at the Naval Academy can select one of 25 different majors grouped into six different divisions: Division of Engineering and Weapons, Division of Mathematics and Science, Division of Humanities and Social Sciences, Division of Professional Development, Division of Leadership Education and Development, and the Division of Character Development and Training. In addition to graduating with a Bachelor's of Science, students can attain a minor in one of seven different languages: French, German, Spanish, Russian, Japanese, Arabic and Chinese.

Students who excel at the Naval Academy have many opportunities to challenge and advance themselves through several special programs -- Trident Scholars, Honors Programs, and Voluntary Graduate Education Program (VGEP).

Academic Progress Report

Twenty-three of Navy's 25 NCAA sponsored varsity sports programs rank above the national average in their respective sport in the NCAA Academic Progress Report. Football's APR is a 982, while the national average is 966.

The Academic Progress Rate is a real-time measure of eligibility and retention of student-athletes competing on every Division I sports team. The APR awards two points each term to student-athletes who meet academic-eligibility standards and who remain with the institution. A team's APR is calculated by the total points earned by the team at a given time divided by the total points possible.

Senior CLASS Award

Ricky Dobbs ('11) was named the 2010 Senior CLASS Award winner for the Football Bowl Subdivision, becoming the second Navy student-athlete to win the award. The Senior CLASS Award was started in 2001 by Dick

The award honors the attributes of senior student-athletes in four areas: classroom, community, character and competition. Navy has produced seven first-team honorees in their respective sports over the last eight years, highlighted by Dobbs' award in 2010 and 2008 grad Evan Barnes, who was men's soccer's inaugural award winner in 2007. Additionally, women's basketball player Kate Hobbs ('07), women's soccer's Lizzie Barnes ('08), men's lacrosse's Andy Tormey ('09), football's John Dowd ('12), Elizabeth Hoerner ('14) of women's soccer and baseball's Adrian Chinnery ('17) each were named to the Senior CLASS All-America First Team.

In addition to furthering their education at schools across the country, students at the Naval Academy annually are in competition for several prestigious scholarships. Since Navy's first Rhodes Scholar, E. Van Meter ('28), a total of 50 Naval Academy graduates have received the Rhodes Scholarship, including 2013 graduate Katie Whitcombe, a member of the women's track and field team. Also, 28 grads have won George C. Marshall Scholarships and 16 have won a Gates Cambridge scholarship.

Standout swimmer Kelly Zahalka ('09) was a recipient of both the Harry S. Truman and Gen. George C. Marshall Scholarships, which paved the way for her to study for two years in the United Kingdom. Katie Davidson ('13) of the women's swimming team and Ronald Allen ('13) of the sprint football team won Marshall Scholarships in 2013.

Former women's track and cross country runner Kayla Sax ('10) became just the ninth student from the Naval Academy to be awarded a Gates Cambridge Scholarship, which has enabled her to contribute to research focused on alternative energy sources at the University of Cambridge. The now Kayla Barron was recently selected as an astronaut candidate by NASA.

and was named the Patriot League's Scholar-Athlete of the
Year among all sports in 2016. Bradford was the recipient
of an NCAA Postgraduate Scholarship.

COMMUNITY SERVICE

The men and women of the United States Naval Academy have committed themselves to the service of our nation. During their four years in Annapolis, the Midshipmen demonstrate their willingness to give by taking part in several community service events.

From outreach opportunities such as autograph sessions following athletic events, to working with underprivileged youths, the student-athletes at Navy give back to the area they call home during their college years.

The following are a few examples of community service opportunities performed by Navy athletics during the 2016-17 academic year.

Baseball

As a part of the 2017 Freedom Classic, the team volunteered its time at the James and Connie Maynard Children's Hospital at Vidant Medical Center in Greenville and later with a youth baseball camp at Grainger Stadium in Kinston. The team also hosted its annual free skills clinic for local area youths as preparation for their upcoming Little League seasons after a home game in March.

Women's Basketball

The team adopted a young girl from Friends of Jaclyn Foundation. The Friends of Jaclyn Foundation's mission is to improve the quality of life for children battling pediatric brain tumors and other childhood cancers and to raise awareness through their Adopt-A-Child, Safe on the Sidelines and Guardian Angel Programs. They do this by pairing the afflicted child and their siblings with local sports teams, campus clubs, and arts programs in their community.

The team also participated in the "Score for Schools" program, where the team goes to elementary/middle schools and gives motivational talks to the students at assemblies and instructed at basketball clinics at NSA Annapolis.

Football

Four players visited a veteran's retirement home. Players visited a Children's Hospital and installed fire alarms for people in need during bowl week activities in Fort Worth. Several members of the team spoke at various elementary and middle schools around Annapolis. Multiple players and staff volunteered to speak to underprivileged youth members of The Five Star Heart Project during their annual visit to Naval Academy. Several players volunteered at the PALS Hawks youth football camp.

Sprint Football

The team volunteered for the Central Elementary School 5k Tiger Trot and April Fools Day Run in an effort to raise funds for classroom and school improvements.

The sprint program also supported the North County Family Reunion 2017 Event for the youth K-12 in coordination with Men of Courage International (MOCI). MOCI is achieving its mission of ending 'fatherlessness' by enriching the families of Annapolis and across Anne Arundel County through our two programs: Strong Dads and Community and Family Enrichment Corp. of Maryland (CFEM).

The team continued its association with the TEAM IMPACT program. The team added Sully Shields, a local youth with Stage 4 Neuroblastoma to its team in 2015 and have continued to foster a tight-nit and valuable relationship with the child.

The team also volunteered for Walk for Wishes, Annapolis 2017. The team supported this event with Sully Shields and his family in an effort to grant the wishes of local kids battling life-threatening medical conditions.

The team also had several members that supported the Special Olympics.

Gymnastics

The team had the privilege of volunteering with the Honor Flight program in early April. Members of the team traveled to the BWI airport to welcome 23 World War II veterans and one Korean War veteran and their families as they came to visit the Nation's Capital. The upper class members of the team ran the 9/11 Heroes Run in support of the Travis Manion Foundation. Several members of the team volunteered their time to coach kids ages 6 to 14 at Paragon Gymnastics in order to help the kids get ready for the 2017 gymnastics season.

Men's Lacrosse

Hosted the Annapolis Boys and Girls Club where they took part in the first-annual Christmas Lax Ball, benefitting inner city children. Every child was paired up with a Navy lacrosse player, who then put the child through a brief lax clinic, followed by a talk from head coach Rick Sowell and the Mayor of Annapolis. Each child received a t-shirt and a signed poster of the team.

The team also participated in the 26th annual Giving Tree program at the Naval Academy. Every year midshipmen from the Naval Academy's sixth company decorate a holiday tree with paper angel ornaments provided by the Salvation Army. Each paper angel has the first name, age and gender of a child in need of presents in the local

community and contributors can remove one or more tags from the tree and purchase gifts for the child or children. The lacrosse team selected three tags and replaced them with a number of gifts to make this holiday season a special one for a number of local children.

Lastly, the team continued its affiliation with Team IMPACT and adoptee 6-year-old Grayson Osborne of Edgewater as our team member (they also adopted his sister Annabelle and his brother Holden). Team IMPACT connects children facing life-threatening and chronic illness with college sports teams in hopes of inspiring and motivating them. The child gains great strength, camaraderie and support and the student athletes are taught lessons about courage, resiliency and life perspective that they can't learn in a classroom.

Women's Lacrosse

Members of the Navy women's lacrosse team surprised Wheatley Elementary School in Washington D.C, to deliver gifts they collected for 14 kindergarteners.

The team volunteered at this year's Special Olympics. The players were matched up with a participant in the Special Olympics, and guided them and cheered them on while they ran through their events.

The players helped coach fifth and sixth graders on one of the BAYS lacrosse teams. Members of the team volunteered at the Marine Corps Marathon and the Travis Manion 5K in Annapolis.

Several team members participated in the Mids for Kids program - reading and mentoring at local elementary schools.

Offshore Sailing

The team hosted a sailing event for Recovering Warriors in both September and April. Veterans and their family members were brought from Bethesda to Annapolis and sailed a series of races off the Annapolis City Dock. At the end of the racing, there was lunch and an awards ceremony with Annapolis officials presiding.

Women's Soccer

Worked Special Olympics as a team, attended the Down Syndrome Connection Party as a team and held a free clinic in the spring.

Squash

The Navy squash players interacted with two urban squash programs, Baltimore Squash Wise and San Francisco Bay Area Squash Drive. Each event included interacting with urban youths on the squash court and the classroom.

Men's Swimming

The team participated in the aquatic portion of the annual Maryland Special Olympics held at the Naval Academy as well as Swim Across America, where Navy swimmers served as "guardian angel" swimmers for participants in this swim across the Magothy River for cancer research.

Men's Tennis

The tennis team participated in the 24 Hours of Tennis benefit held by the Tennis Alliance of Anne Arundel County. This was a community event to raise awareness within the tennis community for a new indoor center in Anne Arundel County. Their motto is "Tennis for Everyone" and the Navy players all helped bring this to life at the event. Players participated in clinics and instruction for players of all ages. The team also participated in a kids clinic at the Milwaukee Tennis Classic.

Women's Tennis

Volunteered at the Arthur Ashe Kids' Day at the USTA Billie Jean King National Tennis Center in Flushing Meadows, N.Y. to help kick off the U.S. Open. The team volunteered by playing tennis and teaching drills to young children and interacting with kids taking part in the annual Arthur Ashe Kids' Day. The Arthur Ashe Kids' Day is the largest single-day, grassroots tennis and entertainment event in the world. In addition to participating in tennis activities, children have the opportunity to view concerts and partake in other games and activities.

The team also put on a clinic for kids during spring break.

Men's Track & Field

Manned a water stop for the Annapolis 10-miler setting up tables, filling water and gatorade cups, offered support and encouragement to all the runners and cleaned up the streets of water cups and energy gel packs.

The team also conducted a Run, Jump, 'n Throw clinic for approximately 300 children at Heritage Elementary School in Chula Vista, CA during spring training in San Diego over their lunch break. The team members provided instruction in running mechanics, hurdling, relay exchanges, long jumping, shot put (light weight shot) and javelin.

Women's Volleyball

The team hosted a free kids' volleyball clinic for boys and girls in grades 5-8. Over 50 kids attended the clinic and many left with a new found love for the game. The team also volunteered at the Special Olympics.

Water Polo

The water polo team hosted the aquatics portion of the Special Olympipcs in Scott Natatorium. A regular participant in the annual event on the Yard, water polo's new and improved facility allowed the program to once again play host to the swimming competitions.

Wrestling

The wrestling team was critical to the set-up and operation of the Manion Foundation 9/11 run at Navy-Marine Corps Stadium. The annual event draws 2000+ runners and the proceeds go to support to local fire, police and other first responding heroes in our community. The team was also heavily involved in the Special Olympics.

AND THE CHESAPEAKE REGION

The Naval Academy is located in historic Annapolis, the capital of Maryland. In 1650, Puritans seeking religious freedom nestled into a spot on the western shore of the Chesapeake Bay and called their new town Providence. Settlers soon spread across the Severn River to the land that now makes up Maryland's capital city. The small settlement grew and was renamed Anne Arundell in 1694 in honor of Lord Baltimore's wife.

Governor Francis Nicholson chose the growing town on the Severn as the new provincial capital because of its central location. He rechristened it Annapolis in 1695 in honor of King James II's daughter, Princess Anne, who became Queen of England in 1702. Annapolis was granted a royal charter as a city in 1708.

Annapolis became the nation's first peacetime capital in 1783. From November 1783 to August 1784, the Continental Congress met in the Maryland State House. It was here that they accepted George Washington's resignation as commander-in-chief of the Continental Army and ratified the Treaty of Paris, ending the Revolutionary War. The Maryland State House is the oldest in continuous legislative use in the country. It is also the first and only State House to serve as the nation's capitol.

The colonial heritage of Annapolis is still evident as the city boasts more brick buildings from the 1700s than any other city in the country.

The heart of downtown Annapolis has also been designated a National Historic District and a National Historic Treasure. Many fine examples of colonial architecture, including the Maryland State House, Hammond-Harwood House, Chase-Lloyd House and the William Paca House and Gardens, are open to visitors.

In August, 2009, Annapolis was named a Top Ten finalist for the International Award for Livable Communities, a competition focused on creating livable communities through sound environmental practices.

Annapolis is located on the western shore of the Chesapeake Bay, the largest estuary in the United States. The Chesapeake provides natural environs, sightseeing, sailing, fishing, kayaking and more, helping Annapolis become America's Sailing Capital. The water-lover will also revel in the fact that Maryland has nearly 4,000 miles of shoreline – more than any other state.

Within 30 minutes of Annapolis lies both Washington, D.C., and Baltimore, providing entertainment and sightseeing opportunities for residents and tourists alike.

NATIONAL SPUTLIGHT

Every time one of our Midshipmen student-athletes dons the Navy Blue and Gold, he or she represents the Brigade of Midshipmen, United States Naval Academy, United States Navy & Marine Corps, and the United States of America.

The Navy football program has had 134-consecutive games televised by either CBS, NBC, ABC, CBS Sports Network, Fox Sports Network, ESPN, ESPN2, ESPNU, ESPNEWS or ESPN3.

Whether it is CBS, CBS Sports Network, Showtime, ESPN, the *Washington Post* or the *Annapolis Capital/Baltimore Sun*, the varsity athletic programs at the United States Naval Academy are given the platform to tell the much bigger story of our United States Navy & Marine Corps.

The national exposure given to our athletic programs is invaluable to our overall mission and with the move of the football program to the AMERICAN ATHLETIC CONFERENCE, it has increased substantially.

BIG PLAY BONNER

- Rising senior slot back Darryl Bonner entered last year's Houston game with just five carries for 66 yards and no catches in four career games.
- But when senior slot back Calvin Cass Jr. went down with an injury, Bonner stepped up and was one of the key players in Navy's upset win.
- Bonner finished with 20 yards on five carries and caught two passes for 42 yards and a touchdown, while throwing several key blocks on the perimeter that helped a fellow slot back pick up a first down.
- Bonner caught a 25-yard pass from Will Worth at the end of the first half that set up a Bennett Moehring field goal at the halftime gun that tied the score at 20. His 17-yard touchdown catch on the opening drive of the third quarter put Navy up for good at 27-20.
- Bonner came back against Memphis and had four carries for 22 yards and caught a career-long 52-yard pass from Worth.
- · Against USF, Bonner caught three passes for 50 yards, including a nine-yard touchdown pass.
- Against Notre Dame, Bonner scored his first-career rushing touchdown scoring from 16-yards out. He finished with four carries for 21 yards.

 and returned it for a touchdown against SMU.

SEAN WILLIAMS HAS HUGE ARMY-NAVY GAME

- Rising junior safety Sean Williams had a huge Army-Navy game with a career-high 14 tackles and three turnovers (two fumble recoveries and an interception).
- The interception was the first of his career, while the fumble recoveries were his second and third of his career (all this year).

HEISMAN WINNER, NAISMITH WINNER, PRESIDENT OF THE UNITED STATES

- Navy is one of just two schools to produce a President of the United States (Jimmy Carter), a Hesiman Trophy winner (Joe Bellino and Roger Staubach) and a Naismith Award winner (David Robinson).
- The other school to match that feat is Michigan, who produced President Gerald Ford, Heisman winners Tom Harmon, Desmond Howard and Charles Woodson and Naismith Award winner Trey Burke.

KEN NIUMATALOLO

HEAD COACH

In his nine seasons at the helm of the Navy football program, and in his 19 years overall at the Naval Academy, head coach Ken. Niumatalolo has engineered a program that has hit on all cylinders since he took over the reigns at the end of the 2007 campaign.

Niumatalolo has repeatedly guided the Midshipmen to success both on and off the gridiron. Included in his accomplishments are a number of milestones never before achieved by a coach or team in the program's 133-year history.

Niumatalolo (77-42, .647) is the all-time winningest coach at Navy and is the only coach in the history of the Army-Navy game to start his coaching career 8-0 against the other Academy

He led Navy to a school-record 11 wins in 2015, which included sharing the West Division title with Houston in Navy's first year in the American Athletic Conference, as well as winning the Lambert

Trophy, awarded to the best team in the East, for the first time since 1963.

He led Navy to its first outright division title last fall as the Mids went 7-1 in the AAC and won the

He is the first coach in school history to win three consecutive bowl games and his four overall bowl wins are the most in school history.

He has led Navy to five Commander-In-Chief's Trophies, which is tied with George Welsh and Paul Johnson for the most in school history

He was one of just four coaches to be named a finalist for the Dodd Trophy and the Paul "Bear" Bryant National Coach Of The Year Award in 2015. He was a Dodd Trophy finalist again in 2016 and was also the AFCA Region 1 Coach of the Year. He has been named the AAC Coach of the Year in each of his first two seasons

In 2013, Niumatalolo was selected to the inaugural class of the Polynesian Football Hall of Fame and was inducted on January 23 in Honolulu.

He is just the second coach since World War II to lead Navy to a winning record in each of his first three seasons at the helm and joins Eddie Erdelatz and Wayne Hardin as the only Navy coaches to beat Notre Dame in consecutive seasons. He beat Notre Dame for a third time in 2016 to tie Hardin as the only Navy coaches to beat Notre Dame three times.

Niumatalolo is the dean of American Athletic Conference coaches. His nine years at Navy are more than the rest of the league's coaches (11 coaches total) have been at their current schools combined.

Navy finished the 2016 campaign with a 9-5 mark and a 7-1 record in the American Athletic Conference despite a season that saw the Mids have 102 missed games by starters or key contributors. The Mids played Temple in the AAC Championship Game and played in a bowl game (Armed Forces) for the 13th time in the last 14 years. The nine wins tied for the fifth most in school history and the team set school records for points (531), touchdowns (73), touchdowns per game (5.2), rushing touchdowns (61), total offense (6,136 yards) and yards per play (6.8) despite playing four different quarterbacks.

In 2015, Navy won a school-record 11 wins against just two losses, qualified for a bowl game for the 12th time in the last 13 years, won a bowl game for the 10th time in school history (beat Pittsburgh, 44-28, in the Military Bowl), won a bowl game for a third straight year for the first time in school history, defeated Army for a series-record 14th consecutive year, won the Commander-In-Chief's Trophy for the third time in the last four years, won the Lambert Trophy as the best team in the East for the first time since 1963, finished 18th in the country in both the Associated Press and Coaches polls and shared the West Division title of the American Athletic Conference with Houston in Navy's first year of being in a conference after being an Independent for 134 years.

In 2014, Navy finished with an 8-5 record, qualified for a bowl game for the 11th time in the last 12 years, won a bowl game for just the ninth time in school history (beat San Diego State, 17-16, in the Poinsettia Bowl), won a bowl game in back-to-back years for the second time in school history and defeated Army for a series-record 13th consecutive year.

Navy finished the 2013 season with a 9-4 record, won the Commander-In-Chief's Trophy for the ninth time in the last 11 years, qualified for a bowl game for the 10th time in the last 11 years, won a bowl game for just the eighth time in school history (beat Middle Tennessee, 24-6, in the Bell Helicopter Armed Forces Bowl) and defeated Army for a series-record 12th consecutive year.

Niumatalolo led Navy to an 8-5 record in 2012 and a berth in the Kraft Fight Hunger Bowl, which was Navy's ninth bowl game in the last 10 years. Navy defeated Air Force, 28-21, in overtime and Army, 17-13, to give the Mids the Commander-In-Chief's Trophy.

Navy was 5-7 in 2011 that included a series record 10th-straight victory over Army. The Mids played seven teams that finished with a winning record and six that went to bowl games.

The Mids posted an impressive 9-4 record in 2010, defeated Army for a series record ninthconsecutive time, defeated Notre Dame in consecutive seasons for only the third time in school history and appeared in a school-record eighth consecutive bowl game

The 2009 season was one to remember for the Midshipmen, as Navy tied a school record for wins with 10, won a school-record seventh consecutive Commander-In-Chief's Trophy, appeared in a seventh consecutive bowl game, beat Notre Dame in South Bend for the second straight time and ran their winning streak against the other two Service Academies to an amazing 15 straight games. The Mids capped the season off with a 35-13 rout of Missouri in the Texas Bowl.

In 2008, Niumatalolo became the first coach to lead Navy to a bowl game in his inaugural season and, thanks to a 33-27 victory over Air Force and a 34-0 win over Army, he became just the second

Academy Director of Athletics Chet Gladchuk.

He is the second Polynesian head coach in Football Bowl Subdivision (FBS) history and the first Samoan collegiate head coach on any level.

Prior to being named head coach, Niumatalolo had two coaching stints at the Naval Academy for a combined 10 seasons, including the last six where he served as assistant head coach and offensive line

Niumatalolo and the majority of his coaching staff have been part of a staff that has brought the Midshipmen back into the national spotlight over the last 12 seasons, compiling an 100-54 record

During that time, Navy made a school-record eight-consecutive bowl game appearances, won seven-consecutive Commander-In-Chief's Trophies, earned 15-consecutive wins over the other two Service Academies and claimed an NCAA-record four-consecutive NCAA rushing titles.

In 2007, with Niumatalolo as the Assistant Head Coach, he saw the Mids post an 8-5 record, win the Commander-In-Chief's Trophy, appear in a fifth-straight bowl game (Poinsettia Bowl, which was Niumatalolo's first game as a head coach), set a school record for rushing (348.8 yards per contest) and defeat Notre Dame for the first time since 1963.

In 2006, Navy averaged a then school-record 327.0 yards per contest, won the Commander-In-Chief's Trophy and participated in the Meineke Car Care Bowl.

In 2005, Niumatalolo helped develop an offensive line that, despite having just one returning starter, paved the way for the nation's best rushing offense (318.7 yards per contest), went to a bowl game for a third-straight year, won a second-straight bowl game and won the Commander-In-Chief's Trophy.

In 2004, Niumatalolo's efforts helped an offensive line that was hampered by injuries all year to perform well enough for the Midshipmen to finish third in the country in rushing (289.5), win a schoolrecord tying 10 games (the most wins since 1905), go to back-to-back bowl games for the second time in school history, win the Emerald Bowl and win the Commander-In-Chief's Trophy.

Despite a lack of experience up front, the Mids led the nation in rushing (323.2 yards per contest) in 2003 and set seven school records as Navy went 8-5, won the Commander-In-Chief's Trophy and earned a berth in the Houston Bowl.

In 2002, the Navy offensive line helped the Mids to the third-best rushing average in the country

Niumatalolo was also an assistant at Navy from 1995-98, serving as the offensive coordinator in 1997 and 1998. As the offensive coordinator, Niumatalolo tutored Chris McCoy, who set the then-NCAA record for most rushing touchdowns by a quarterback in a season with 20 in 1997 and became just the 10th player in NCAA history to rush for more than 1,000 yards and pass for more than 1,000 yards in the same season. In addition, Navy finished among the nation's top five in rushing his last-two years and broke 38 school offensive records during his tenure.

Niumatalolo coached at UNLV for three seasons (1999-01) and called the plays his final year (2001) in Vegas. He also worked with the kickoff return unit and, under his guidance, UNLV ranked sixth in the nation in kickoff returns in 2001 and finished second in 1999.

A 1989 graduate of Hawai'i, Niumatalolo lettered three years as a quarterback and was a part of Hawaii's first bowl team in 1989. He was hired as a fulltime assistant by his alma mater in 1992 and spent three seasons coaching on the offensive side of the ball.

A native of La'ie, Hawai'i, Niumatalolo and his wife, Barbara, have three children, Alexcia, Va'a and Ali'i.

IVIN JASPER

OFFENSIVE COORDINATOR / QUARTERBACK

Ivin Jasper is in his 18th year at the Naval Academy, his 16th as the quarterbacks coach and his 10th as the offensive coordinator. He has been an integral part of a staff that has brought the Midshipmen back into the national spotlight with a 120-61 (.663) record over the last 14 years, that includes 13 bowl games, 10 Commander-In-Chief's Trophies and a 14-1 mark against Army.

Navy has won at least nine games seven times in the last 13 years. Before the current streak, Navy had won nine or more games just five times in the previous 77 seasons.

Navy finished the 2016 campaign with a 9-5 mark and a 7-1 record in the American Athletic Conference despite a season that saw the Mids have 102 missed games by starters or key contributors. The Mids played Temple in the AAC Championship Game and played in a bowl game (Armed Forces) for the 13th time in the last 14 years. The

Quarterback Tago Smith was poised to have a breakout senior campaign before injuring his knee in the second quarter of the season opener against Fordham and was lost for the year. Senior Will Worth, who had been the holder the previous three seasons, stepped in and was on pace to break most of Keenan Reynolds' single-season records before breaking his foot in the AAC Champiship Game. Worth finished with 1,198 rushing yards and 25 touchdowns, while throwing for 1,397 yards and eight touchdowns. His 25 rushing touchdowns were the fourth most in NCAA history for a quarterback, while

In 2015, Navy won a school-record 11 games against just two losses, qualified for a bowl game, won a bowl game for the 10th time in school history (beat Pittsburgh, 44-28, in the Military Bowl), won a bowl game for a third straight year for the first time in school history, defeated Army for a series-record 14th consecutive year, won the Commander-In-Chief's Trophy for the third time in the last four years, won the Lambert Trophy as the best team in the East for the first time since 1963, finished 18th in the country in both the Associated Press and Coaches polls and shared the West Division title of the American Athletic Conference with Houston in Navy's first year of being in a conference after being an Independent for 134 years.

Quarterback Keenan Reynolds finished his playing career as the all-time leading touchdown scorer (both total and rushing) in FBS history with 88, as well as the all-time leading rusher for a quarterback in FBS history (4,559 yards), the all-time leading rusher in school history and the all-time leader touchdown passer in school history (31). He is just the sixth quarterback in FBS history to rush and pass for 4,000 yards in a career. He finished fifth in the Heisman Trophy voting, was named Third-Team All-American by the Associated Press and was named the American Athletic Conference and ECAC Offensive Player of the Year. He was also named the winner of the James E. Sullivan Award, which is given to the nation's most outstanding amateur athlete and had his number (19) retired. Reynolds was drafted in the sixth round by the Baltimore Ravens.

DIRECTOR OF VIDEO OPERATIONS

John McGuire enters his 22nd year as Navy's Director of Video Operations. Since coming to the Naval Academy in 1996, he has overseen the growth of the Ricketts Hall video department to its present standing as one of the best in collegiate athletics.

In 2004, McGuire helped with the renovation of the football offices and meeting rooms to insure their compatibility with the latest stateof-the-art digital and computer technology. Coaches and players can gain instant access to the information most important in preparing for the opponent each week. The capabilities of the system networked throughout the building allow meeting and film study time to be used in an extremely efficient manner with minimal waste during an always busy day. The addition and continual upgrade of this system assures

Navy football of being technologically compatible well into the new century

In the spring of 2009 a new editing system, DVSport, was installed in both the football and men's lacrosse offices. This system's capabilities allow even more latitude for the coaches and players to make the most efficient use of their time. Laptop technology allows video to be viewed and studied at the office, on the road or at home

While keeping in step with the latest advances, the video department is also working to preserve Navy's rich athletic past. Football films from as far back as the 1926 Army-Navy game in Chicago have recently been transferred to a video format.

A native of Philadelphia, McGuire is a 1978 graduate of Villanova, where he earned a bachelor's degree in marketing. He came to the Naval Academy from Rutgers, where he served as Director of Video Operations for four years. While at Rutgers, McGuire was instrumental in the development of the stateof-the-art integrated video system installed in Rutgers' new stadium, constructed in 1994.

Prior to Rutgers, McGuire worked for Tucker Sport Films of Philadelphia for 15 years. During this period, he became the Film Coordinator for the Philadelphia/Baltimore Stars of the United States Football League

- 2015: A member of the PAT/field goal team, he saw action in all 13 contests ... played the bulk of the fourth quarter at Tulsa where he helped lead the Mids' offense to 524 yards (469R, 55P) of total offense, the most since posting 589 yards (352R, 357P) against Delaware on Sept. 14, 2013 ... made his collegiate debut in the Mids' season-opener against Colgate.

2016 GAME RECAPS

SEPT. 3, 2016 • ANNAPOLIS, MD. • 28,238 NAVY-MARINE CORPS MEMORIAL STADIUM

- (AP) Malcolm Perry sat in the stadium wearing his Navy dress whites. Plucked from the stands at halftime, he wound up in a much different uniform.
- From question mark to quarterback, Perry quickly became the buzz of college football.
- Navy found an unlikely replacement after starter Tago Smith was injured last Saturday, with Perry running seven times for 30 yards in a 52-16 win over Fordham.
- Listed down on the depth chart, Perry had been sick most of the week. The freshman was OK to play in the junior varsity game Friday.
- Perry was sitting with his classmates when Smith went down with a knee injury in the second quarter.
- Perry made his debut with 38 seconds left in the third quarter. He later put together a 90-yard drive in the fourth quarter that led to a field goal. He didn't throw a pass.
- Smith served for three years as a backup to record-setting quarterback Keenan Reynolds before getting this chance to start.
- Smith flawlessly ran Navy's triple-option offense until he was hurt on a 22-yard run with 14:17 left in the half.
- In just over one quarter, Smith ran for 97 yards on 10 carries with a pair of touchdowns.
- Will Worth took over and scored on a 7-yard run that gave the Midshipmen a 28-10 lead. He also threw a 57-yard touchdown pass to Toneo Gulley.

☆ GAME 3 ☆ NAVY 21 **TULANE 14**

SEPT. 17, 2016 • NEW ORLEANS, LA. • 21,503 YULMAN STADIUM

- (AP) A week after Navy quarterback Will Worth scored the winning touchdown on a late, 1-yard run against Connecticut in his first start, he did the same thing in a 21-14 American Athletic Conference victory against Tulane two weeks ago.
- The winner against Connecticut came with 3:08 left in a 28-24 victory and the winner against Tulane came with 2:57 left, capping a performance in which he had 113 yards rushing on 25 carries.
- Worth had eight carries for 58 yards on the winning 10-play, 72-yard drive. He followed that TD run by throwing a two-point conversion pass to **Toneo Gulley** for a 21-14 lead.
- Tulane's Andrew DiRocco missed wide left on a 45-yard field goal attempt with 7:39 left in the game, setting up Navy's winning drive.
- · After a scoreless first quarter, Navy drove 94 yards on 15 plays and took a 7-0 lead on Chris High's 6-yard touchdown run. The 15 plays were the most by the Midshipmen on a possession this season.
- Tulane responded with an 8-play (all runs), 75-yard drive capped by a 2-yard touchdown from Josh Rounds. He had five carries for 52 yards on the drive.
- · Shawn White had 4-yard touchdown run, but Bennett Moehring missed the extra point and Navy led
- The Green Wave responded with a 76-yard drive that ended with 36-yard touchdown run by Dontrell Hilliard with 19 seconds left in the third quarter.

☆ GAME 4 ☆ **AIR FORCE 28** NAVY 14

OCT. 1, 2016 · COLORADO SPRINGS, COLO. · 43,063 **FALCON STADIUM**

- (AP) Weston Steelhammer led a dominating defensive effort, while tailback Tim McVey scored twice, including a 62-yard TD catch, to lead Air Force to a 28-14 victory over Navy. The win extended the Falcons' home winning streak to 15 straight.
- Jalen Robinette had five catches for 163 yards for Air Force, including a 75-yard TD catch late in the third quarter that broke open the game.
- The Midshipmen averted a shutout on a 6-yard TD run by Shawn White with 8:33 remaining. The optionoriented team finished with more yards passing (260) than rushing (57). For that matter, so did Air Force (257 yards passing, 173 on the ground).
- Steelhammer sat out the first half after being disqualified for a targeting call in the third quarter the previous week at Utah State. He watched the opening half from the locker room, but soon made his presence felt by picking off a Will Worth pass with Navy driving in the third quarter. He had another late in the game. He was the leader of a unit that had six sacks, eight tackles for loss, a fumble recovery and held a Navy team averaging 316.3 yards rushing to just 57.
- The first half was ruled by defense with the only score a field goal. A surprise, too, given that Air Force and Navy came in averaging a combined 906 yards per game.
- Air Force began to pull away in the third quarter when McVey scored on a 1-yard plunge. Robinette soon followed with his TD catch from Nate Romine, who finished 8 of 14 for a career-high 257 yards and two

★ GAME 5 ★ NAVY 46 #6 HOUSTON 40

OCT. 8, 2016 • ANNAPOLIS, MD. • 34,531 NAVY-MARINE CORPS MEMORIAL STADIUM

- (AP) Senior quarterback Will Worth ran for 115 yards and threw for two touchdowns to help lead Navy to a 46-40 victory over #6 Houston. The Midshipmen hadn't defeated a top 10 team since 1984, when it topped #2 South Carolina in Annapolis.
- When it was over, streams of the Brigade of Midshipmen stormed the field to surround the players, most
 of them jumping for joy.
- Navy won behind a precise attack that shredded the nation's top-ranked rushing defense. Coming off a 28-14 loss to Air Force, the Mids came in as a 17-point underdog.
- Houston committed three turnovers, gave up two points on a poor snap in punt formation and simply couldn't find a way to stop Navy's triple option.
- The Cougars, meanwhile, gave up more points than in their previous four games combined.
- Navy finished with 306 yards rushing against a Houston defense that was allowing only 42 yards on the ground per game.
- Though the game was a sellout, thousands of fans failed to show because of the weather. Those who took their seats realized an upset was possible after first half ended tied at 20.
 Navy scored three touchdowns in the third quarter, two of them on passes by Worth, the other on losials.
- Navy scored three touchdowns in the third quarter two of them on passes by Worth, the other on Josiah Powell's 34-yard interception return - to take a 41-27 lead.
- That proved to be a deficit too deep to handle for the Cougars, especially because their defense simply couldn't find a solution for Navy's multi-faceted attack.
- Houston had won 19 of its last 20 games, including a 52-31 blowout of Navy last year. But on this day, the Cougars lost despite compiling 484 yards in offense.
- Greg Ward Jr. went 32 for 50 for 359 yards and three touchdowns. He also ran for 94 yards and a score, but the Cougars never led after going up 20-17 in the second quarter.
- His two interceptions were also a factor. Navy scored 17 points following Houston giveaways and did not commit a turnover.

☆ GAME 6 ☆#24 NAVY 42MEMPHIS 28

OCT. 22, 2016 • ANNAPOLIS, MD. • 35,943 NAVY-MARINE CORPS MEMORIAL STADIUM

- (AP) Will Worth and No. 24 Navy played keep-away with Memphis while running the Tigers into the ground. Worth rushed for a career-high 201 yards and three touchdowns, and No. 24 Navy ran over Memphis, 42-28, for its 14th consecutive home victory.
- In addition to operating the triple option in near-flawless fashion, Worth completed three of four passes for 85 yards and two scores.
- The last Navy player to rush for 200 yards was Keenan Reynolds in 2014.
- Worth carried 31 times and orchestrated an attack that held the ball for nearly 40 minutes. That left highscoring Memphis little time to counter-punch.
- The Midshipmen gained a season-high 447 yards on the ground, averaging 6 yards per carry.
- The victory put Navy in sole possession of first place in the AAC West and served as a suitable encore for its 46-40 upset of defending league champion Houston two weeks ago.
- Navy's 14-game home winning streak is its longest at Navy-Marine Corps Memorial Stadium since the facility opened in 1959.
- Tony Pollard returned a kickoff 100 yards and Riley Ferguson completed 25 of 40 passes for 333 yards and two touchdowns for Memphis. But the Tigers simply couldn't score enough to offset the damage inflicted by Navy's sensational running attack.
- Worth's second touchdown run put Navy ahead 28-14 early in the third quarter. Memphis responded with a 9-yard TD pass from Furguson to Daniel Hurd.
- As the clock wound down in the third quarter, Navy faced a fourth-and-4 at the Memphis 18. Norvell called
 a timeout, hoping to make the Mids try to kick a field goal into a stiff wind. Instead, Navy went up 35-21 on
 a touchdown pass from Worth to Tyler Carmona.
- After Memphis again got within a touchdown, a 52-yard completion by Worth led to a 32-yard field goal try by Bennett Moehring. The kick clanged off the left upright with 5:40 to go.
- But a fumble by Tigers wide receiver Roderick Proctor that was forced by Elijah Merchant and was recovered by Tyler Sayles with 3:39 remaining, gave Navy the ball back and Worth clinched it with a 1-yard plunge.

☆ GAME 7 ☆ **USF 52** #22 **NAVY** 45

OCT. 28, 2016 • TAMPA, FLA. • 31,824 RAYMOND JAMES STADIUM

- · (AP) Quinton Flowers ran for 176 yards and two touchdowns to help USF get back on track in the American Athletic Conference with a 52-45 victory over #22 Navy.
- Rebounding from a 16-point loss to Temple that cost the Bulls sole possession of first place in the AAC's East Division, Flowers keyed a balanced attack that amassed 629 yards total offense against an overmatched Navy defense that yielded TDs on USF's first six possessions of the game to fall behind
- · Will Worth ran for four touchdowns for Navy, which leads the AAC West and entered game as the only team without a loss in league play after beating then-No. 6 Houston and Memphis to nudge into the top 25.
- Flowers joined Marlon Mack in topping 100 yards rushing for the third time in four games. The dual-threat quarterback scored on runs of 1 and 63 yards, while also throwing for 219 and two more TDs.
- Mack scored on an 85-yard run in the opening quarter and finished with 125 on 11 carries for the 18th 100-yard performance of his career, fifth this season.
- · Worth rushed for 129 yards and scored on runs of 4, 1, 1 and 2 yards for Navy, which was forced to throw the ball more than the Midshipmen are accustomed, with Worth going 15 of 27 for 299 yards, one touchdown and one interception.
- The senior quarterback from Valrico, Fla. a short drive from the USF campus set up one of his TDs with a 42-yard completion to Toneo Gulley. ★ GAME 8 ★ NAVY 28 NOTRE DAME 27

NOV. 5, 2016 • JACKSONVILLE, FLA. • 50,867 EVERBANK FIELD

- (AP) Will Worth ran for 175 yards and two touchdowns, his eighth consecutive game with a rushing score, and Navy beat Notre Dame, 28-27, Saturday in the nation's longest-running intersectional rivalry.
- It was a rare victory in the series for the Midshipmen, who beat the Irish for just the fourth time since 1963.
 Notre Dame had won five in a row against Navy.
- Trailing 28-24 with a little more than 7 minutes to go, Notre Dame Head Coach Brian Kelly opted for a 31-yard field goal instead of trying to convert a fourth-and-4 play at the 14. He made the call even though his defense hadn't forced a punt all afternoon.
- Navy got the ball and ran out the clock with its triple-option offense. Worth converted two huge fourth-down
 plays on the final drive, one on a dive play near midfield and another with a pass to Jamir Tillman that
 essentially ended the game.
- Worth took a knee after that, setting off a raucous celebration.
- Tillman finished with four receptions for 41 yards. Worth notched with his fourth straight 100-yard rushing performance and fifth of the season.
- Navy finished with 368 yards, including 320 on the ground.
- The Midshipmen actually punted once, but it was wiped out after a replay because Notre Dame had 12
 men on the field. Instead, Navy kept the drive alive, converted a fourth-and-1 play and Worth later scored
 his second rushing TD and his 15th of the season.

- (AP) Navy quarterback Will Worth ran for 122 yards and scored three touchdowns and the Midshipmen took control of the American Athletic Conference's West Division with a 42-40 victory over Tulsa on Saturday.

 The Mids have won 15 consecutive games at home now the longest home streak in the nation after Clemson's 21-game streak was snapped by Pitt.
- Worth, who also threw for a score, has a touchdown in all nine games this season, tying Chris McCoy (1995-97) for the second-longest streak in school history. It was also Worth's fifth straight game with 100 or more rushing yards.
- Tulsa quarterback Dane Evans became the school's all-time passing leader after going 16 of 27 for 369
 yards with four touchdowns. Evans also had a 1-yard touchdown run that pulled the Golden Hurricane to
 within 38-37 with 10:34 left in the game.
- Justin Hobbs caught five passes for 123 yards, while Josh Atkinson had five receptions for 102 yards with a touchdown for Tulsa (7-3, 4-2).
- Navy senior **Dishan Romine** ran for 97 yards on six carries and got his first career touchdown with a 41-yard scamper that provided a 14-10 lead. Romine also had a 48-yard return on the opening kick-off that set up Navy's first touchdown.

★ GAME 10 ★ NAVY 66 EAST CAROLINA 31

NOV. 19, 2016 • GREENVILLE, N.C. • 39,480 DOWDY-FICKLEN STADIUM

- (AP) Navy's ground attack was relentless, and its defense definitely got the job done when it mattered.
 And now Navy has something it has never had before a division championship.
- Senior quarterback Will Worth rushed for 159 yards and four touchdowns and fullback Shawn White added 150 yards and three scores as Navy walloped East Carolina 66-31.
- The win gave the Midshipmen the American Athletic Conference's West Division title and propelled them
 into the conference championship game, while the Pirates lost for the eighth time in their last nine games.
 Navy, which will be playing in its first conference title game, leads the all-time series 5-1.
- The result spoiled ECU's senior day celebration for Zay Jones, who passed former teammate and current Atlanta Falcon Justin Hardy for the FBS career receptions record.
- Jones caught 12 passes for 212 and two touchdowns, giving him 392 career catches. Jones broke Hardy's old record of 387 catches - for 4,541 yards and 35 touchdowns - set two seasons ago.
- Worth became the fifth player in Navy history to rush for over 1,000 yards and pass for over 1,000 in the same season. He rushed for over 100 yards in his sixth straight game.
- James Summers rushed for 134 yards, including an 81-yard touchdown, for the Pirates.

★ GAME 11 ★NAVY 75SMU 31

NOV. 26, 2016 • DALLAS, TEXAS • 21,283 GERALD J. FORD STADIUM

- (AP) Will Worth has become a dual threat in Navy's triple-option offense.
- While the Midshipmen still stay mainly on the ground, Worth accounted for four touchdowns while becoming the first Navy quarterback with more than 100 yards rushing and 100 yards passing in three consecutive games in a 75-31 victory at SMU.
- Worth ran 15 times for 107 yards and three touchdowns, increasing his FBS-leading total to 25 rushing scores while playing only three quarters. The senior completed 5 of 7 passes for 104 yards and the goahead TD just before halftime.
- SMU missed a chance to become bowl eligible in its regular-season finale amid rumors coach Chad Morris
 is a candidate to become Baylor's new coach. The Mustangs are 7-17 in two seasons under Morris, who
 took over after a 1-11 season.
- Navy has won four games in a row, and has consecutive 60-point games for the first time since 1917.
- After Navy's first lost fumble in five games led to a touchdown that put SMU up 24-21 late in the first half, the Midshipmen responded with 47 unanswered points.

 Worth's 8-yard TD pass to Jamir Tillman with 6 seconds left in the first half put the Midshipmen ahead to stay. They scored twice in less than a minute right after halftime, on 255-pound fullback Shawn White's 50-yard run and Justin Norton's 25-yard interception return.

DEC. 3, 2016 • ANNAPOLIS, MD. • 22,815 NAVY-MARINE CORPS MEMORIAL STADIUM

- (AP) Phillip Walker threw two touchdown passes, Temple's defense stuffed Navy's running game and the Owls claimed their first American Athletic Conference title with a 34-10 victory.
- After Temple scored touchdowns on its first three possessions, protecting the 21-0 lead became substantially easier when #20 Navy lost standout quarterback Will Worth to a second-quarter foot injury.
- The Owls extended their winning streak to seven and earned their first league title since finishing atop the Middle American Conference in 1967.
- Not only did Temple open with TD drives of 75, 59 and 70 yards, but the defense quashed a Navy attack
 that was averaging 61 points over its previous three games.
- The Midshipmen had scored on 34 of 38 drives including 33 touchdowns before being denied on their first three possessions by Temple. Worth was injured at the end of the third drive and did not return.
- That spelled doom for an offense that produced more than 500 yards in each of its last three games. Navy finished with 306 yards, 168 on the ground.
- Backup quarterback Zach Abey went 7 for 13 for 104 yards and two interceptions.
- Middle linebacker Jarred Alwan led the Owls' defense with 13 tackles, and Sean Chandler contributed eight tackle and forced a fumble.
- Temple took the suspense out of the game with an early show of offensive firepower. After Walker completed a 13-yard pass for Keith Kirkwood on fourth-and-7 from the Navy 28, Jahad Thomas ran for a 15-yard score.
- A 22-yard touchdown pass to Ventell Bryant made it 14-0, and Walker followed a Navy turnover with a
 perfectly thrown long pass that Kirkwood caught in stride for a 56-yard score.
- After falling behind 24-3 at halftime, the Midshipmen got a 47-yard run from Abey during a drive late in the third quarter that ended with the quarterback scoring from the Temple 1.
- A 42-yard field goal by Aaron Boumerhi with 10:17 left ended any hope of a Navy comeback.

★ GAME 13 ★ ★ AMERICA'S GAME ★ ARMY WEST POINT 21 #25 NAVY 17

DEC. 10, 2016 • BALTIMORE, MD. • 71,600 M&T BANK STADIUM

- (AP) Army ended a 14-year run of frustration against the Midshipmen, using an overpowering running game and opportunistic defense to carve out a 21-17 victory.
- With future commander-in-chief Donald Trump looking on, the Black Knights blew a 14-point lead before quarterback Ahmad Bradshaw scored on a 9-yard run with 6:42 left to give Army the win it had been waiting for since 2001.
- The Black Knights' 14-game losing streak was the longest by either academy in a series that began in 1890. Army now trails 60-50-7 in one of the nation's historic rivalries.
- Navy was coming off a physical 34-10 loss to Temple in the American Athletic Conference title game and had only one week to prepare for Army with a new quarterback, sophomore Zach Abey, who was making his first college start.
- Abey ran for two touchdowns, but passed for only 89 yards and was intercepted twice. Navy had three turnovers, all in the first half.
- This senior class at Navy has accounted for 37 wins, most ever at the Academy over a four-year period.
- By halftime, Army led 14-0 and owned a 14-1 advantage in first downs.
- Andy Davidson lost a fumble on the Black Knights' first possession of the second half and the Midshipmen recovered at the Army 32. A screen pass for 16 yards set up a 1-yard touchdown run by Abey to get Navy

- to 14-7.
- Minutes later, the Midshipmen got a field goal after a replay overturned a lost fumble by Abey at the Army 11.
- A 41-yard touchdown run by Abey gave Navy the lead with 12:42 remaining. But Army wasn't done.
- The Black Knights put together a 12-play, 80-yard drive that lasted nearly seven minutes and ended with Bradshaw's TD.
- Bradshaw went 2 for 4 for 35 yards and an interception in Army's first win in Baltimore since 1944.
- Davidson ran for 87 yards and two first-half scores, and Kell Walker carried 16 times for 94 yards.

* LOCKHEED MARTIN ARMED FORCES BOWL * LOUISIANA TECH 48 #25 NAVY 45

DEC. 23, 2016 • FORT WORTH, TEXAS • 40,542 AMON G. CARTER STADIUM

- (AP) Louisiana Tech senior quarterback Ryan Higgins threw for 409 yards and four touchdowns, two each
 to Trent Taylor and Carlos Henderson, and Jonathan Barnes' 32-yard field goal broke the game's fourth
 tie as the Bulldogs beat Navy, 48-45, in the Lockheed Martin Armed Forces Bowl.
- The Bulldogs drove for the winning score after Navy freshman quarterback Malcolm Perry ran 30 yards for a touchdown on his only play. Higgins was then 4 for 4 for 58 yards on the final drive.
- Taylor, the 5-foot-8 senior, set an Armed Forces Bowl record with his 12 catches for 233 yards, including a 51-yard TD just before halftime for a 31-24 lead, and joined Troy Edwards as the only Bulldog with more than 4,000 career receiving yards. Henderson, a junior, had 10 catches for 129 yards and finished this season with 19 TDs.
- Perry, whose TD with 3:46 left tied the game at 45-45, came in after Zach Abey took a shot to the ribs on a play that led to a targeting ejection by Tech defensive tackle Jordan Bradford.
- Abey, who made only his second career start, ran for 114 yards and two scores and threw for 159 yards and another touchdown. Abey was named Navy's Most Valuable Player in the game.
- The 45 points were the second-most points Navy has ever scored in a bowl game and most it has scored in a loss.

December 22, 1978 • San Diego Stadium

SAN DIEGO, Calif. – Navy rallied from a 13-point deficit early in the second half to defeat Brigham Young, 23-16, in the first Holiday Bowl. The catalyst in the Mids' comeback was split end Phil McConkey, with help from quarterback Bob Leszczynski and the defensive unit. Leszczynski got the Mids going in the third period on a 77-yard TD drive that featured a 16-yard reverse by McConkey, the game's MVP. Moments later, a McConkey reverse of 26 yards set up a 28-yard field goal from Bob Tata that narrowed the deficit to 16-13. With the defense holding the Cougars to just 24 yards over the final 24 minutes, Leszczynski fired down the sideline to McConkey, who raced to the end zone to complete a 65-yard play. Navy was ranked 17th in the country in the final UPI poll.

HONOLULU, **Hawai'i** – Ben Fay came off the bench in the fourth quarter to lead touchdown drives of 80 and 84 yards, as Navy rallied for a 42-38 victory over California in the Aloha Bowl.

Cal jumped on top on the opening kickoff as Deltha O'Neal returned it 100 yards for a touchdown. Navy answered quickly on a three-play, 69-yard drive, capped off by a seven-yard touchdown run from Tim Cannada. After Cal went back on top, 14-7, Navy answered with two quick touchdowns of its own, as Chris McCoy scored from one yard out and Ross Scott scored from four yards out. Cal bounced right back to take a 28-21, but McCoy answered with a two-yard touchdown run to tie the game at 28 with 39 seconds remaining in the half. That was plenty of time for Cal, as it marched 61 yards in 29 seconds to take a 35-28 halftime lead.

Fay entered the game with 10:38 remaining and promptly drove the Mids 80 yards in 10 plays, as he scored from two yards out to pull the Mids to within three. The Navy defense got the ball back for Fay when junior tackle David Viger stripped Cal quarterback Pat Barnes of the ball and Jerome Dixon recovered it.

Fay made the game-winning drive look easy, marching the Mids 84 yards on six plays, the big play being a 52-yard pass to senior slotback Cory Schemm. Fay scored from 10 yards out to give the Mids a 42-38 victory.

2003 EVI.NET HOUSTON BOWL

Texas Tech 38, Navy 14

December 30, 2003 · Reliant Stadium

HOUSTON, Texas – Texas Tech quarterback B.J. Symons threw for 497 yards and four touchdowns as Texas Tech defeated Navy, 38-14, in front of 51,068 fans at Reliant Stadium in the EV1.net Houston Bowl.

The game started exactly like the Mids would have liked as Texas Tech missed a field goal on its opening drive, after advancing the ball to the Navy six-yard line, and then the Mids marched 78 yards on 15 plays on its initial drive, chewing up the clock as they went. The first quarter ended scoreless with Craig Candeto being ruled down at the one-yard line on his third down option keeper.

Navy head coach Paul Johnson decided to go for it on fourth down and Candeto was stopped short once again and when he tried to reach for the goal line the ball popped out of his hands and Texas Tech's Keyunta Dawson picked it up and returned the fumble to the Tech 34. Replays showed Candeto was clearly down when he fumbled.

The Navy defense held again as Tech quickly moved down to the Navy sevenyard line, but Josh Smith picked off Symons' pass on third down and returned it 36 yards to the Navy 38.

The Mids couldn't move the ball on its second possession and after a failed

BOWL RECAPS

fake punt, Texas Tech moved 47 yards on five plays to take a 7-0 lead on a fouryard touchdown pass from Symons to Mickey Peters.

The Navy offense moved the ball right back down the field on its next possession, but on third-and-four fullback Kyle Eckel was stopped for no gain and then Eric Rolfs missed his first field goal attempt in nine tries as his 37-yard attempt went wide left.

Tech took advantage of the missed field goal as Symons hit Nehemiah Glover with a 17-yard touchdown to make it 14-0 Tech at the half.

The Mids, however, refused to give up as Candeto directed an 11-play, 79-yard drive to start the second half, capped off by his own two-yard touchdown run on fourth and goal to make it 14-7.

Tech, however, answered Navy's touchdown drive with one of its own as the Red Raiders marched 67 yards on nine plays with Taurean Henderson scoring from four yards out to make it 21-7.

2004 EMERALD BOWL

Navy 34, New Mexico 19

December 30, 2004 • SBC Park

SAN FRANCISCO, **Calif**. – Aaron Polanco accounted for four touchdowns and 237 yards of total offense as Navy defeated New Mexico, 34-19, in the 2004 Emerald Bowl. The victory gave the Midshipmen a school-record tying 10 wins for the season and marked just the fifth bowl victory in school history.

After the Lobos took a 7-0 lead on the first possesion of the game, the Mids answered with a touchdown drive of their own, moving 80 yards on just seven plays. Polanco scored from 14 yards out to tie the game at seven.

The game turned on the ensuing possession when safety Vaughn Kelley hit New Mexico's DonTrell Moore just as he was catching a pitch. The hit caused a fumble that was recovered by Lane Jackson and knocked Moore out of the game.

Navy quickly took advantage of the turnover, as Polanco scored from one yard out five plays later to give Navy a 14-7 lead. The touchdown was set up by a third-and-eight pass from slot back Frank Divis to Polanco for 17 yards

Josh Smith stopped New Mexico's next drive with an interception and the Mids made the Lobos pay dearly, as Polanco hit wide receiver Corey Dryden on the second play from scrimmage with a 61-yard touchdown pass to make the score 21-7.

After the two teams punted on their initial possessions of the third quarter, Polanco ran for his third touchdown of the day, this one from 27 yards out, to make the score 31-19.

New Mexico, however, marched right back down the field. The Lobos had the ball first-and-goal at the Navy six, but on fourth-and-goal from the one Lobo running back D.D. Cox was stopped short of the goal line by Kelley and Bobby McClarin.

The Navy offense would take over the game from there, mounting an epic 26-play, 94-yard, 14:26 drive that was capped off by a Geoff Blumenfeld 22-yard field goal to make the score 34-19. The 26 plays and 14:26 time of possession were both NCAA records for a single drive.

2005 POINSETTIA BOWL

Navy 51, Colorado State 30

December 22, 2005 • Qualcomm Stadium

SAN DIEGO, Calif. – Sophomore slot back Reggie Campbell tied an NCAA bowl game record with five touchdowns as he helped lead Navy (8-4) to a 51-30 rout of Colorado State (6-6) in front of 36,842 fans at the inaugural Poinsettia Bowl. The two teams combined for a then NCAA bowl game-record 1,183 yards..

Campbell, who was named the game's offensive MVP, scored on 55- and 34-yard scoring strikes from quarterback Lamar Owens and on runs of 22, two and 21 yards to tie a record set by four others, most notably by Barry Sanders in the 1988 Holiday Bowl.

Navy took its first lead of the game, a lead it would never give up, early in the second quarter when Marco Nelson scored on a 22-yard run around the right end, capping off a seven-play, 68-yard drive.

After the Navy defense forced a Colorado State punt, the Mids marched 80 yards on 11 plays as Campbell matched Nelson's TD run with a 22-yard touchdown gallop of his own. The Mids defense forced another punt and Campbell capped off an 89-yard drive with a two-yard touchdown run 28 seconds before intermission and the rout was on.

Campbell would score his fourth touchdown of the game on the first possession of the second half on a 21-yard jaunt to give the Mids a 34-10 lead.

2006 MEINEKE CAR CARE BOWL

Boston College 25, Navy 24

December 30, 2006 • Bank of America Stadium

CHARLOTTE, N.C. – Steve Aponavicius nailed a 37-yard field goal as time expired to give Boston College (10-3) a 25-24 victory over Navy (9-4) in the Meineke Car Care Bowl.

Navy outplayed the Eagles on both sides of the ball, but a couple of turnovers, two questionable holding calls and a bad bounce allowed the Eagles to escape with the victory.

Boston College jumped out to a 6-0 lead in the first quarter when Eagle quarterback Matt Ryan scored from two yards out.

Navy answered with a 10-play, 88-yard drive capped off by a 31-yard touchdown pass from Kaipo-Noa Kaheaku-Enhada to Tyree Barnes to give a 7-6 lead.

After a Jeremy McGown interception of a Ryan pass gave Navy the ball back at the BC 44-yard line, the Mids took eight plays to take a 14-6 lead on a five-yard touchdown run by Zerbin Singleton. It was Singleton's first-career touchdown.

Kaheaku-Enhada threw his second touchdown pass of the day, this time to Jason Tominson, to give Navy a 21-13 lead.

Aponavicius hit a 26-yard field goal at the gun to cut Navy's lead to five at the half.

Navy regained the momentum to start the second half, going 85 yards on 11 plays. Matt Harmon's 22-yard field goal gave Navy a 24-16 lead.

Ryan threw a 25-yard touchdown pass to cut the lead to 24-22, but the two-point conversion failed.

After both teams traded punts, Navy took the ball over at its own 24 with 4:09 remaining in the game. After picking up two first down, the Mids ran a toss play to Shun White on third-and-six. White appeared to pick up the first down and clinch the game, but the officials flagged the Mids for holding. On the next play Reggie Campbell took his eyes off of Kaheaku-Enhada's pitch and Boston College's Jolon Dunbar picked up the fumble at the Navy 45 and returned it five yards. Six plays later, Aponavicius nailed the 37-yard field goal to give the Eagles the win.

2007 POINSETTIA BOWL

Utah 35, Navy 32

December 20, 2007 • Qualcomm Stadium

SAN DIEGO, Calif. – Utah (9-4) outscored Navy (8-5), 21-0, over a seven-minute span ain the second half to rally for a 35-32 Poinsettia Bowl victory over the Midshipmen in front of 39,129 fans at Qualcomm Stadium in San Diego. The game was the debut for Navy head coach Ken Niumatalolo.

Utah would take a 7-0 lead early in the second quarter on a five-yard touchdown run by Darrell Mack. The Mids would answer Utah's score with one of their own, driving 70 yards in eight plays. Junior quarterback Kaipo-Noa Kaheaku-Enhada capped the drive with a one-yard touchdown run to tie the score at seven.

Joey Bullen's 39-yard field goal with 28 seconds left in the half gaveNavy a 10-7 halftime lead.

The Mids made it 17-7 on the first drive of the third quarter. Junior fullback Eric Kettani busted through the Utah secondary and rumbled 43 yards for a touchdown to give Navy a 17-7 lead.

Jereme Brooks scored from 23 yards out off a reverse to cut Navy's lead to 17-14 and then Utah took the lead when Johnson hit Derrek Richards with a 40yard touchdown pass to make the score 21-17. Johnson's 19-yard quarterback draw gave Utah a 28-17 lead with 12:47 left in the contest.

To Navy's credit, the Mids refused to quit as Kaheaku-Enhada led Navy on

a nine-play, 81-yard drive that was capped off by a 10-yard touchdown pass to White that made the score 28-25.

The Utah offense would answer with a Mack one-yard run and the Utes appeared to have an insurmounable 35-25 lead with 1:27 left.

The Mids, however, had other ideas. Kaheaku-Enhada hit Zerbin Singleton with a 58-yard touchdown pass that made the score 35-32 with 57 seconds left. Bullen then pulled off a perfectly-executed on-side kick that initially Utah's Dale had his hands on, but Singleton ripped it out of his hands giving the ball to Navy at its own 42 with 57 seconds left. After Kaheaku-Enhada ran for nine yards on first down, his pass was intercepted by Dale at the Utah 31 after Campbell slipped coming out of his route.

2008 EAGLEBANK BOWL

Wake Forest 29, Navy 19

December 20, 2008 • Robert F. Kennedy Memorial Stadium

WASHINGTON, D.C. - Wake Forest (8-5) outscored Navy (8-5), 22-6, in the second half to rally for a 29-19 victory over the Midshipmen in the inaugural EagleBank Bowl at RFK Stadium in Washington, D.C.

Navy jumped out to a 13-0 lead thanks to field goals of 40 and 47 yards by Matt Harmon and a 50-yard return of an Alphonso Smith fumble by senior

BOWL RECAPS

cornerback Rashawn King.

The Mids were looking to add to their lead late in the second quarter, driving the ball deep into Wake Forest territory, but on second down from the Wake Forest 27-yard line senior quarterback Kaipo-Noa Kaheaku-Enhada overthrew Tyree Barnes and Smith intercepted the ball at the two-yard line.

The Navy defense had dominated the game up to that point, but the Mids allowed Wake Forest to drive 98 yards in 3:48 to cut the Mids lead to 13-7 at the half

The Demon Deacons took their first lead of the game on their first drive of the second half, driving 73 yards on 10 plays (nine of those plays were runs) in 5:17. Adams scored from five yards out to make the score 14-13.

Navy would retake the lead early in the fourth quarter after a defensive stand gave the ball to the offense at the 50-yard line. Kaheaku-Enhada ripped off a 35-yard run on the first play and then he scored from two yards out five plays later to make the score 19-13. Navy's two-point conversion attempt failed.

Navy's lead did not last long as Wake answered Navy's touchdown with one of its own, marching 80 yards in nine plays. The big play of the drive was on third-and-seven when Skinner hit Chip Brinkman with a 44 yard pass down to the Navy 11-yard line. Skinner struck again two plays later on another third-and-seven, this time hitting Ben Wooster with an eight-yard touchdown pass. Skinner converted the two-point conversion with a pass to Devin Brown to make the score 22-19.

Shun White returned the ensuing kickoff all the way down to the Wake Forest 11-yard line, but the play was called back after Navy was nailed for holding.

Navy still had two opportunities to tie or retake the lead, but Kaheaku-Enhada was stopped for no gain on third-and-five from the Navy 47 on the first drive and then lost a fumble on fourth-and-10 on the second drive.

2009 TEXAS BOWL

Navy 35, Missouri 13

December 31, 2009 • Reliant Stadium

HOUSTON, **Texas** – Quarterback Ricky Dobbs rushed for 166 yards and three touchdowns on 30 carries and completed nine of his 14 pass attempts for 130 yards and a touchdown, while the Navy defense held Missouri to just one touchdown as the Mids routed the Tigers, 35-13, in front of a crowd of 69,441 at the Texas Bowl.

Dobbs set a Navy bowl record for rushing yards and tied the record for carries and rushing touchdowns en route to being named the Texas Bowl MVP. Slot back Marcus Curry also had a big day, rushing for 109 yards and a touchdown on 12 carries and catching five passes for 97 yards.

The Navy defense opened the game in a 2-4-5 alignment that befuddled the Missouri offense all day. After giving up a 58-yard touchdown pass from Blaine Gabbert to Danario Alexander on the second play of the game, the Mids allowed just six points over the final 59:24.

After the Alexander touchdown run on the second play of the game, Navy tied it on a one-yard touchdown run by Dobbs with 2:58 left in the first quarter and then took the lead for good on a 12-yard run by Dobbs with 45 seconds left in the half. That touchdown was set up by a Vela fumble recovery.

Bobby Doyle's three-yard touchdown reception on a slant route from Dobbs extended the lead to 21-10 early in the third quarter and then Navy put the game away in the fourth on Curry's 11-yard touchdown run and a one-yard touchdown run by Dobbs.

The Mids gashed the Missouri defense, which entered the game ranked 11th in the country against the run, for 515 yards, including a Texas Bowl-record 385 yards on the ground. Missouri was held to 356 yards of total offense, including a paltry 65 rushing yards.

Linebacker Ross Pospisil led the Navy defense with nine tackles, 1.5 sacks and an interception, while outside linebacker Craig Schaefer had eight tackles, three tackles for a loss and a sack. Safety Wyatt Middleton added an interception and outside linebacker Ram Vela recovered a fumble.

2010 POINSETTIA BOWL

San Diego State 35, Navy 14

December 23, 2010 • Qualcomm Stadium

SAN DIEGO, Calif. – Freshman tailback Ronnie Hillman rushed for 228 yards and three touchdowns, while junior quarterback Ryan Lindley completed 18 of his 23 passes for 276 yards and two TDs to lead San Diego State to a 35-14 victory over Navy in front of a San Diego County Credit Union Poinsettia Bowl record crowd of 48,049 at Qualcomm Stadium.

The Aztecs jumped out to a 14-0 lead in the first quarter as Hillman scored on a 22-yard touchdown run and wide receiver Vincent Brown caught a 53-yard touchdown pass from Lindley.

Navy cut the lead to 14-7 early in the second quarter when, on third-and-19, senior quarterback Ricky Dobbs hit wide receiver Greg Jones with a 30-yard touchdown pass.

San Diego State went back up by 14 with 3:15 left in the half when Hillman scored on a 37-yard run, but the Mids answered with a 10-play, 73-yard scoring drive to cut the lead to 21-14 at the half. Dobbs hit Jones with a 40-yard pass down to the San Diego State 11 and then scored from the one with seven seconds remaining to give the Mids some momentum heading into the locker room.

Navy got the ball to start the third quarter and moved it to the San Diego State 9-yard line where the Mids had it first-and-goal. On first down, Dobbs was stopped for no gain and on second down he rushed for six yards to the Aztecs 3-yard line. On third-and-goal, sophomore slot back Bo Snelson was stopped for no gain and on fourth down Dobbs just barely overthrew an open Snelson in the end zone as the Mids turned the ball over on downs.

The score remained 21-14 until early in the fourth quarter when Lindley hit Hillman with a 15-yard touchdown pass to make it 28-14.

Navy head coach Ken Niumatalolo elected to punt on Navy's next drive when the Mids had a fourth-and-two at their own 42. The decision did not pay off as San Diego State kept the ball for the next 6:46, driving 80 yards on 13 plays with Hillman capping the drive with a one-yard run to make the score 35-14.

Dobbs ended his celebrated career by rushing for 107 yards and a touchdown on 24 carries and completing eight of his 15 passes for 147 yards with one TD and one interception. Meanwhile, Jones finished with three catches for 85 yards and a touchdown.

Outside linebacker Jerry Hauburger led the defense with 11 tackles, while linebacker Tyler Simmons and safety De'Von Richardson finished with seven stops each. Linebacker Matt Warrick and safety Wyatt Middleton pitched in five stops each.

2012 KRAFT FIGHT HUNGER BOWL

Arizona State 62, Navy 28

December 29, 2012 • AT&T Park

SAN FRANCISCO, Calif. – Taylor Kelly threw four touchdown passes and ran for a fifth score to lead Arizona State to a 62-28 victory over Navy in the Kraft Fight Hunger Bowl in front of 34,172 fans at AT&T Park.

Offensive MVP Marion Grice ran for 159 yards and two touchdowns for the Sun Devils (8-5), who used their fast-paced spread offense to score touchdowns on their first nine possessions.

Among the highlights for Navy were Keenan Reynolds' 3-yard TD pass to Matt Aiken in the first half and a 95-yard kickoff return for a score by Gee Gee Greene in the third quarter. Greene's kickoff return for a TD was the first in school history in a bowl game.

Arizona State's Rashad Ross started and ended the first-half scoring with touchdown receptions. His 16-yard catch from Kelly capped a 75-yard game-opening drive and he got behind the Navy defense for a 52-yard score in the final minute of the half to make it 34-7. Ross then caught a 50-yard TD pass on Arizona State's first drive of the second half to make it 41-7.

Grice scored on a 10-yard run in the first quarter and a 39-yarder in the third. He had 19 touchdowns this season, with 11 coming on the ground.

The Midshipmen had a few opportunities to keep the game close on offense in the first half but Greene was unable to hold onto a pass in the end zone on fourth-and-7 from the 31 in the first quarter and Reynolds lost three yards on a third-and-1 keeper from the eight before Nick Sloan missed a field goal.

Sen. John McCain, a former Navy fighter pilot who represents Arizona in Congress, handled the pregame toss. Instead of using a coin, the game sponsored by Kraft, uses an Oreo with one side being a chocolate cookie and the other vanilla.

BOWL RECAPS

Greene carried the ball 12 times for 112 yards to go along with his kickoff return for a touchdown. Freshman fullback Chris Swain rushed for 93 yards and a touchdown on four carries, while sophomore fullback Noah Copeland rushed for 47 yards on 10 carries.

Brandon Turner caught a 23-yard touchdown pass from Trey Miller in the fourth quarter. Matt Warrick led the Navy defense with nine tackles, while Tra'ves Bush, Keegan Wetzel, Jordan Drake and Parrish Gaines had six tackles apiece.

2013 BELL HELICOPTER ARMED FORCES BOWL

Navy 24, Middle Tennessee 6

December 30, 2013 · Amon G. Carter Stadium

FORT WORTH, Texas – Keenan Reynolds joined the 30-touchdown rushing club in Navy's 24-6 victory over Middle Tennessee in the Bell Helicopter Armed Forces Bowl.

Reynolds had a three-yard score to cap the opening drive for Navy (9-4) and added a one-yarder in the fourth quarter. Already holding the NCAA record for rushing touchdowns by a quarterback, Reynolds upped his total to 31 to match Colorado State running back Kapri Bibbs, also a sophomore, for the national lead

this season.

The only players with more rushing TDs in a season were Barry Sanders (37) with Oklahoma State and Wisconsin's Montee Ball (33).

Navy piled up 366 yards rushing and finished its season with five straight victories

The Blue Raiders (8-5) were held to a season low in points. They had finished the regular season with a five-game winning streak, averaging nearly 43 points a game in that stretch - since a 34-7 loss on Oct. 12 at North Texas.

Reynolds lost two fumbles, matching his total during the regular season, but Middle Tennessee failed to convert into points on either of the miscues. Both fumbles were recovered by linebacker T.T. Barber, Middle Tennessee's MVP, after Navy drove inside the 20.

Down 10-6 at halftime, the Blue Raiders moved to the Navy seven on the opening drive of the second half. They went for it on fourth down instead of trying a short field goal, but fullback Corey Carmichael managed only a yard before getting taken down by Travis Bridges and George Jamison, who also had an interception.

2014 POINSETTIA BOWL

Navy 17, San Diego State 16

December 23, 2014 • Qualcomm Stadium

SAN DIEGO, Calif. – Austin Grebe kicked the go-ahead, 24-yard field goal with 1 minute, 27 seconds left to lead the Midshipmen to a 17-16 victory over San Diego State in the San Diego County Credit Union Poinsettia Bowl.

The Mids won their fourth straight and for the sixth time in seven games. They've won consecutive bowl games for just the second time in history. Addiitonally, they were playing just 10 days after beating Army for the 13th straight time.

The Midshipmen won the contest after the Aztecs' Donny Hageman was wide right on a 34-yard field goal attempt with 20 seconds left.

The winning drive was set up when Navy's Chris Johnson forced and recovered a fumble by Donnel Pumphrey.

Fullback Chris Swain converted on a fourth-and-1 and Ryan Williams-Jenkins took a pitch and ran 28 yards to help set up the game-winner by Grebe.

San Diego State then got to the Navy 17 before Hageman missed. Hageman earlier made field goals of 43, 37 and 30 yards. His third field goal gave SDSU a 16-14 lead late in the third guarter.

Junior quarterback Keenan Reynolds ran for two touchdowns, extending his own NCAA record for scores by a quarterback to 64.

He scored on a 1-yard keeper for the game's first score and then somersaulted into the end zone at the end of a 6-yard run to give Navy a 14-13 lead midway through the third quarter.

Leading 16-14, SDSU went for it on fourth-and-5 from the Navy 12 but Quinn Kaehler's pass to Mikah Holder was incomplete.

Navy punted on its next possession but got the ball back after Pumphrey fumbled.

The Midshipmen rushed for 254 yards, led by Swain with 72 yards on eight carries

Navy improved to 2-2 in the Poinsettia Bowl. The victory avenged a 35-14 loss to SDSU in the 2010 Poinsettia Bowl.

Reynolds was named the game's offensive MVP, while senior linebacker Jordan Drake, who tied his career-high with 13 tackles, was named the game's defensive MVP.

2015 MILITARY BOWL

Navy 44, Pitt 28

December 28, 2015 • Navy-Marine Corps Memorial Stadium

ANNAPOLIS, Md. – Senior quarterback Keenan Reynolds wrapped up his record-setting college career in spectacular fashion, running for three scores and throwing for another to lead Navy past Pittsburgh, 44-28, in the Military Bowl. With Reynolds leading the way, the Midshipmen completed their first 11-win season in 135 years of football.

After the Midshipmen let a 24-point cushion dwindle to 38-28, Reynolds capped a nine-play drive with a 9-yard touchdown run with 4:19 remaining. It was his 88th career TD, breaking a tie with Kenneth Dixon of Louisiana Tech for most in Football Bowl Subdivision history. Reynolds ran for 144 yards on 24 carries, completed 9 of 17 passes for 126 yards and had a reception for 47 yards on a trick play. He leaves Navy as the FBS career leader in touchdowns and points (530). His 4,559 yards rushing are the most by a quarterback in Division I history.

Qadree Ollison rushed for 73 yards and scored two touchdowns for Pitt. Nate Peterman threw a TD pass, but was intercepted three times. It all added up to a disappointing ending for the Panthers in their first season under coach Pat Narduzzi.

After Quadree Henderson returned the opening kickoff 100 yards for Pitt, Navy went up 21-7 at halftime and built a 31-7 lead midway through the third quarter. Pitt scored two touchdowns in 17 seconds to close to 31-21, but could not complete the comeback.

Playing before a sellout crowd of 36,352 in its home stadium, Navy used its triple-option attack to overwhelm a team that went 6-2 in the Atlantic Coast Conference and ranked 20th in the nation against the run. The Midshipmen finished with 590 yards in offense, including 417 on the ground - 114 by senior fullback Chris Swain.

After Henderson weaved from end zone to end zone for the game-opening score, Reynolds directed a 75-yard drive that ended with his 1-yard touchdown run. Later in the first quarter, Reynolds capped a 14-play march with a 5-yard TD. Navy's next touchdown came on an 11-yard pass from Reynolds to Tyler Carmona.

Niumatalolo momentarily abandoned the triple option in the third quarter in favor of a bit of trickery. Reynolds pitched the ball to fullback Shawn White, then went around the right side of the line for a catch-and-run that set up a 26-yard touchdown jaunt by Demond Brown.

It was 31-7 before Nate Peterman threw a 4-yard TD pass to Ollison, and a 22-yard fumble return by Jordan Whitehead got Pitt within 10 points. After Navy scored another touchdown, Ollison ran for a 45-yard score to make it 38-28.

But this was to be Reynolds' day. In his final significant drive with the Midshipmen, he converted three third downs and drew the Panthers offside on a fourth-and-3. Junior corner Brendon Clements had two interceptions for the Navy defense, while senior safety Lorentez Barbour also picked off Peterman.

2016 ARMED FORCES BOWL

Louisiana Tech 48, Navy 45

December 23, 2016 • Amon G. Carter Stadium

Fort Worth, Texas – Louisiana Tech senior quarterback Ryan Higgins threw for 409 yards and four touchdowns, two each to Trent Taylor and Carlos Henderson, and Jonathan Barnes' 32-yard field goal broke the game's fourth tie as the Bulldogs beat Navy, 48-45, in the Lockheed Martin Armed Forces Bowl.

The Bulldogs drove for the winning score after Navy freshman quarterback Malcolm Perry ran 30 yards for a touchdown on his only play. Higgins was then 4 for 4 for 58 yards on the final drive.

Taylor, the 5-foot-8 senior, set an Armed Forces Bowl record with his 12 catches for 233 yards, including a 51-yard TD just before halftime for a 31-24 lead, and joined Troy Edwards as the only Bulldog with more than 4,000 career receiving yards. Henderson, a junior, had 10 catches for 129 yards and finished this season with 19 TDs

Perry, whose TD with 3:46 left tied the game at 45-45, came in after Zach Abey took a shot to the ribs on a play that led to a targeting ejection by Tech defensive tackle Jordan Bradford.

Abey, who made only his second career start, ran for 114 yards and two scores and threw for 159 yards and another touchdown. Abey was named Navy's Most Valuable Player in the game.

The 45 points were the second-most points Navy has ever scored in a bowl game and most it has scored in a loss.

His teams at Boston College tied for the Big East Championship in 2004 and the ACC Atlantic Division title in 2005. O'Brien also served as an assistant coach at Navy for seven seasons under Hall of Fame coach George Welsh and at Virginia for 17 seasons. 15 of those under Welsh.

Boston College was ranked in the Top 25 five times during his tenure. O'Brien, who recently was named to the Boston College Varsity Club Hall of Fame, had 26 players drafted by the NFL, six first-round selections and had 18 players play in a Super Bowl. Six of his players were named All-American including current Atlanta Falcons quarterback Matt Ryan.

After graduating from the Naval Academy, O'Brien served nine years in the United States Marine Corps and reached the rank of major in the Marine Corps Reserve

O'Brien has most recently been doing analyst work for ESPN3.
