2017 HUSKER OFFENSE

Discussions about the 2017 Nebraska offense often focus on the lost production the Huskers must replace. It's a fair point, considering NU graduated some of the most productive skill players in program history.

Nebraska returns only 14 percent of its total offense from last season, including fewer than 30 percent of its rushing total and less than one percent of its passing total. But the Huskers are confident that a veteran offensive line, an experienced backfield and an influx of new skill talent will lead Nebraska to once again rank among the Big Ten's top offenses in 2017.

At quarterback, Nebraska must replace Tommy Armstrong Jr., a four-year starter who accumulated more yards of total offense, more passing yards and more touchdowns than any other player in Husker history. None of the four quarterbacks on the NU roster have ever taken a snap for the Big Red and only junior Tanner Lee, a transfer from Tulane in his first season of eligibility at Nebraska, has FBS experience. Lee, who was named the starter following spring practice, threw for 3,601 yards and 23 touchdowns in 19 starts for the Green Wave in 2014 and 2015. Lee will be backed up by redshirt freshman Patrick O'Brien and true freshman Tristan Gebbia, both of whom were ranked among the top 10 quarterbacks in their respective recruiting classes.

In the passing game, Nebraska graduated three of its four leading receivers from last season, including Jordan Westerkamp, who ranks second at Nebraska in career receptions and fourth in career receiving yards. The Huskers also lost their top three tight ends from last season.

Despite the departures, Husker coaches feel they have plenty of talent prepared to step up and replace the lost production. Senior De'Mornay Pierson-El and junior Stanley Morgan Jr. combined for more than 700 receiving yards last season, more than one-quarter of the Huskers' team total. Morgan ranked second on the team last season with 33 catches for 453 yards, while Pierson-El was fourth with 20 catches and fifth with 254 receiving yards.

While Morgan and Pierson-El are the only returning wideouts who totaled more than 75 receiving yards in 2016, the Huskers feature several talented underclassmen ready to contribute. Redshirt freshman JD Spielman - the 2015 Minnesota Player of the Year - is a dynamic play-maker who sat out last season, while true freshmen Tyjon Lindsey and Jaevon McQuitty are both expected to see the field this fall. Lindsey and McQuitty both ranked among the top 300 players nationally in the 2017 recruiting class.

In the backfield, Nebraska returns three of its top four running backs from last season. NU must replace Terrell Newby, who ran for 2,239 yards in his career and was the Huskers' leading rusher each of the last two seasons, but back are juniors Devine Ozigbo and Mikale Wilbon and sophomore Tre Bryant, along with Luke McNitt, NU's starting fullback last fall. Wilbon, Ozigbo and Bryant combined to rush for 673 yards last season. Wilbon led all Husker running backs with an average of 5.9 yards per carry in 2016, while Ozigbo ranked third on the team with 412 rushing yards and five touchdowns and Bryant ranked second with 736 all-purpose yards.

Paving the way for the offensive attack will be a line that features five players who started at least four games last season. Although the offensive line boasts experience, it is still a young unit with plenty of potential for growth, as David Knevel is the only senior expected to be among Nebraska's regular offensive line rotation. Junior Nick Gates started all 13 games for Nebraska last season, as he manned the left tackle spot and was a third-team All-Big Ten selection. Knevel and junior Cole Conrad combined to start all 13 games at right tackle, while junior Tanner Farmer made 11 starts at right guard and junior Jerald Foster recovered from a preseason injury to start the final four games at left guard.

The only position on the line where Nebraska is without a returning starter is at center, where Dylan Utter started all 13 games last season. Benefitting from his starting experience at guard last fall, Conrad emerged as the top candidate to replace Utter at center during the spring. Sophomore Michael Decker, who is among a large group of highly regarded young linemen seeking playing time, will also contend for playing time at center.

On the special teams front, place-kicker Drew Brown returns for his senior season. Brown led Nebraska in scoring with 74 points last season after totaling more than 100 points in each of his first two seasons. A 2015 second-team All-Big Ten selection and 2016 honorable-mention pick, Brown has connected on 47 of his 62 career field goals (76 percent) and 141 of his 143 extra-point attempts (99 percent). He ranks third all-time at Nebraska in career field goals.

HIGHLIGHTING THE HUSKER OFFENSE

- Drew Brown enters his senior season with 47 career field goals, good for third on Nebraska's all-time list and 21 shy of Alex Henery's school record. He needs 10 field goals to tie his brother, Kris, for second on the list (57).
- Brown is seventh on Nebraska's all-time scoring list with 282 career points. After leading NU in scoring each of the past two seasons, Brown is looking to become the fifth Husker to lead the team in scoring three straight years.
- Brown ranks fifth among all active FBS kickers with 141 career extra points and seventh with 47 career field goals. Brown also ranks sixth among all active FBS players with 282 career points, including fifth among kickers.
- Nick Gates has started 17 consecutive games at left tackle entering the 2017 season. The streak is the longest by a Husker at the position since Mike Smith started 20 straight games at left tackle in 2008 and 2009.
- Stanley Morgan Jr. enters his junior season with 757 career receiving yards. He needs 243 receiving yards to become the 10th Husker to total 1,000 career receiving yards prior to his senior season.
- De'Mornay Pierson-El ranks second among all active FBS players with 812 career punt return yards and third with three career punt return touchdowns. He needs 188 punt return yards to become the ninth player in Big Ten history to amass 1,000 career punt return yards.

2017 HUSKER DEFENSE

The 2017 season will feature a new look for the Nebraska defense, as the Huskers are switching from a 4-3 defense to a 3-4 scheme under first-year defensive coordinator Bob Diaco. NU returns 12 defenders with starting experience, including three players who have made at least 20 career starts.

Up front, the defensive line will be led by juniors Freedom Akinmoladun and Mick Stoltenberg and sophomore Carlos Davis. Akinmoladun started all 13 games at defensive end last season and led Nebraska with 10 quarterback hurries. Akinmoladun leads all current Huskers with 12 career tackles for loss and 8.5 career sacks. Stoltenberg made nine starts as a sophomore last season and registered 25 tackles, including three TFLs and 2.5 sacks. Davis, Nebraska's 2015 Scout Team Defensive MVP and 2016 Most Improved Player, tallied 24 tackles as a redshirt freshman with five TFLs and 2.0 sacks.

Adding talent and depth to the defensive line are junior Peyton Newell and sophomores Khalil Davis and DaiShon Neal. All three returning players saw the first game action of their careers last season, with Davis making the biggest impact by totaling five tackles, including two tackles for loss.

At linebacker, the Blackshirts feature a mix of proven veterans and promising underclassmen, led by senior Chris Weber and juniors Detric Young II and Marcus Newby. Young has started 20 games over his first two seasons. He owns 121 career tackles, including 61 tackles in 2015, the most by a true freshman in school history. Newby has earned 10 starts the past two seasons. In addition to totaling 55 tackles, nine tackles for loss and 4.0 sacks, Newby has been good in coverage, registering five pass breakups. Weber has excelled as a role player the past two seasons, and he is expected to see more significant playing time this season. Weber has tallied 42 tackles in his four career starts, an average of 10.5 tackles per start.

In addition to the returning starting experience at linebacker, Nebraska also brings back junior Luke Gifford and sophomore Mohamed Barry. Both could see a big increase in playing time after Gifford recorded eight tackles over 10 games in his first two seasons and Barry made six tackles in 13 games as a redshirt freshman in 2016. Sophomores Alex Davis and Sedrick King both moved from defensive end to linebacker with the switch to the 3-4 defense and could be poised for more playing time following the change. True freshman Avery Roberts enrolled at Nebraska in January with the hopes of contributing immediately. Although he was slowed by a summer injury, Roberts has the ability to see the field this fall after being ranked as one of the nation's top 10 linebackers coming out of high school.

The secondary is arguably Nebraska's most talented and deep unit in 2017. Six defensive backs have earned a start for the Big Red, and the unit is highlighted by seniors Chris Jones, Joshua Kalu and Kieron Williams, along with junior Aaron Williams. Jones started all 13 games at cornerback last season and was an honorable-mention All-Big Ten selection. He set career highs with 37 tackles, three TFLs and 10 breakups as a junior. Kalu also started

all 13 games at corner last season, but the senior worked at safety in the spring and could see action at either position. Kalu owns the most career starts (28) and tackles (168) of any current Husker, and he led Nebraska with 11 pass breakups last season to go along with 66 tackles.

Kieron Williams earned his first nine career starts last fall and responded with a breakout season. He is the Huskers' top returning tackler after recording 69 of his 85 career tackles last season, when he also led NU and ranked second in the Big Ten and 13th nationally with five interceptions. Aaron Williams started 11 games at safety as a sophomore in 2016 and totaled 62 tackles with six tackles for loss and 2.0 sacks. He also excelled in coverage, intercepting three passes with seven breakups.

Junior Antonio Reed and sophomore Lamar Jackson each earned one start in 2016. Reed posted a career-high 22 tackles last fall, while recording his first two career pass breakups. Jackson earned immediate playing time as a true freshman in 2016, totaling 17 tackles, including eight in the Music City Bowl. Sophomore Eric Lee Jr. had an impressive spring after totaling two tackles as a redshirt freshman in 2016. A trio of redshirt freshmen could also figure into the mix in the secondary. Dicaprio Bootle, Tony Butler and Marquel Dismuke all redshirted last season after arriving at Nebraska as highly regarded recruits.

At punter, Caleb Lightbourn returns for his second year as the Huskers' starter. Lightbourn was unexpectedly thrust into the starting role as a true freshman last year. He showed improvement throughout the season and finished the year with an average of 39.7 yards per punt, while pinning the opponent inside the 20-yard line on 21 of his 65 attempts.

HIGHLIGHTING THE HUSKER DEFENSE

- Nebraska enters the 2017 season with three defenders who have started 20 or more career games. In the previous three seasons, Nathan Gerry in 2016 marked the only time a Blackshirt entered a season with 20 career starts.
- Joshua Kalu enters his senior season with 168 tackles, all of which have come as a cornerback. If Kalu remains at corner this season, he can challenge Keyuo Craver's Nebraska cornerback record of 192 career tackles. Kalu is also on track to become the sixth Husker defensive back to total 200 tackles.
- Kieron Williams ranked second in the Big Ten and 18th nationally with five interceptions in 2016.
- Detric Young II owns 121 career tackles. His total is the second-highest ever by a Husker entering his junior season, trailing only Barrett Ruud - NU's all-time leading tackler - who had 140 tackles entering his junior year. Young is just the third Husker to record 100 tackles prior to his junior season.
- Young needs 79 tackles this season to record his 200th career tackle. If he reaches the mark, he will join Barrett Ruud and Jerry Murtaugh as the only players in Nebraska history to reach the 200-tackle milestone prior to their senior season.

OFFENSIVE FIREPOWER

Nebraska has long been known for having one of the nation's most explosive offenses, and Mike Riley and his staff also have a history of producing one of the nation's most diversified offensive attacks. Riley has grown Nebraska's offensive reputation in his first two seasons, as Huskers have set more than a dozen offensive school records. In Riley's first season in 2015, Nebraska passed for 3,000 yards and rushed for 2,000 yards in a season for only the third time in program history. Riley is also the only active FBS coach who has produced two different Biletnikoff Award (nation's top wide receiver) winners.

BLACKSHIRTS

DEFENSIVE DOMINANCE

One of Nebraska's most well-known traditions is the Blackshirts, the common nickname for the Husker defense. The term originally dates back to the early 1960s and refers to the black jerseys that Nebraska's first-string defenders wear in practice.

With the return of the two-platoon system in college football in 1964, Head Coach Bob Devaney looked for a way to distinguish the defensive units on the practice field. Devaney sent an assistant coach to a local sporting goods store to find "contrast jerseys", a sleeveless pullover that went on top of the players' practice jerseys. While the top offensive unit practiced in red jerseys and the second-string offense worked in green pullovers, the first-string defense wore black and the second string wore contrasting gold jerseys.

The term quickly caught on then gained momentum during Monte Kiffin's tenure as defensive coordinator in the mid-1970s. The Blackshirts earned national recognition under Charlie McBride, who served as the Huskers' defensive coordinator from 1982 to 1999.

The Blackshirts celebrated their 50th season in 2013. Head Coach Mike Riley and new defensive coordinator Bob Diaco have readily embraced the long-standing tradition.

From left to right: Grant Wistrom, Ndamukong Suh, Barrett Ruud and Lavonte David

BLACKSHIRT DOMINANCE

"We have a great (defensive) tradition at Nebraska. As a former Blackshirt, it is basically the sense of urgency you play with. That is what it means to be a Blackshirt. It is being able to trust the guy next to you. It is 11 guys getting to the football."

Trev Alberts, 1993 All-American and Butkus Award Winner

- Nebraska has ranked in the top 10 nationally in total defense 22 times since 1964.
- Nebraska has ranked among the top 10 in all four major defensive categories (rush defense, pass defense, total defense and scoring defense) on five occasions, including national title seasons in 1994, 1995 and 1997, and most recently in 2009.
- Nebraska has ranked in the top 10 in scoring defense 23 times since 1964, including leading the nation in scoring defense in 1984 and 2009.
- Opponents have traditionally found moving the ball through the air difficult against the Blackshirts, as the Huskers have ranked in the top 10 in passing defense 18 times in the past five decades.
- In 2016, Nebraska ranked in the top 20 nationally in interceptions and first-down defense and was in the top 30 in total defense and pass efficiency defense.

BLACKSHIRTS IN THE NFL

- Thirteen former Nebraska Blackshirts were on NFL rosters as of June 30, 2017.
- Nebraska has had 19 defensive linemen, 13 linebackers and 21 defensive backs drafted since 1997.
- Twenty-three Blackshirts have been taken in the first four rounds of the NFL Draft since 2000, including 2016 third-round picks Maliek Collins and Vincent Valentine.
- Recent Blackshirts Ndamukong Suh and Lavonte David have earned All-Pro honors during their respective NFL careers.
- Suh was the second overall selection in the 2010 NFL Draft and signed the then-richest contract ever for a defensive player in March of 2015.

DIACO DEFENSE

"If you love college football and you say 'Nebraska', you think football. It's an honor to be leading and trusted with the Blackshirt defense. As a defensive coach, a defensive player, you know about the Blackshirts."

Bob Diaco, Defensive Coordinator

First-year defensive coordinator Bob Diaco is widely considered one of the best defensive minds in college football.

- In 2012, Diaco won the Broyles Award as the nation's top assistant coach, when his defense helped Notre Dame advance to the BCS National Championship Game.
- Notre Dame ranked in the top 10 nationally in 12 defensive categories in 2012, including second in scoring defense and seventh in total defense.
- In four seasons as Notre Dame's defensive coordinator, the Fighting Irish defense allowed an average of 19.08 points per game, which ranked as the ninth-best average over that time among FBS programs.
- Diaco also served as Cincinnati's defensive coordinator in 2009 when the Bearcats played in the Sugar Bowl.

ROLE MODEL

"I'd go so far to say that Riley is role-modeling what we should all be seeking for ourselves; he's well-liked, well-paid, respected, successful, secure and content."

Former ESPN.com columnist Ted Miller

- Riley is about more than winning, as he is driven to positively impact the lives of every student-athlete he coaches.
- Players and coaches alike routinely offer high praise to Riley.
- Former player Brandin Cooks: "Coach Riley really cares about his players on and off the field and wants nothing but the best for them in both areas."
- Former player and Michigan Head Coach Jim Harbaugh: "When you try to think of the top five people you know in this world, there's no doubt about it that Mike Riley is in that top five. He's just a tremendous person."
- Legendary Hall of Fame Coach John Robinson: "If you get to heaven and look around and Mike Riley's not there, you're in the wrong place."

OFFENSIVE COACHING STAFF

Nebraska's assistant coaches boast an impressive resume of success and experience. As a collective group, the Huskers' nine full-time assistants have combined for more than 150 years of coaching experience and give Nebraska a championship staff in all areas—teaching, development and recruiting. The assistants have also combined for 71 years of experience at Power Five programs and 10 years of NFL coaching experience.

FOOTBALL FACILITIES

The University of Nebraska provides its football student-athletes with every resource needed to be successful, including world-class facilities. All of the football facilities are conveniently located inside the Tom and Nancy Osborne Athletic Complex, within steps of Memorial Stadium.

LOCKER ROOM

Nebraska's locker room is located immediately adjacent to the strength training, athletic medicine and equipment room facilities. The locker room design allows players ample personal space and storage. Each solid maple locker has a unique ventilation system, and a personalized iPad, allowing student-athletes to stay connected while in the locker room.

HAWKS CHAMPIONSHIP CENTER

Connected to the Osborne Athletic Complex by an indoor skybridge, the 81,200-square foot Hawks Championship Center provides a full-sized indoor practice field with a FieldTurf playing surface identical to Memorial Stadium. The Huskers also have access to a second indoor facility, the Cook Pavilion, located adjacent to the outdoor practice fields. The Hawks Championship Center installed a new field in the summer of 2016.

HISTORICAL DISPLAYS

Nebraska's rich football tradition is on display throughout the Osborne Athletic Complex and Memorial Stadium. Five national championship trophies are prominently displayed in the main lobby of the facility and the Cornhuskers' three Heisman winners and other major award winners are prominently featured.

ED AND JOYANNE GASS PRACTICE FACILITY

The Ed and Joyanne Gass Practice Facility consists of two full-size playing fields, one with FieldTurf and the other with natural grass. The practice fields are connected to the Hawks Championship Center, giving Nebraska three practice fields for maximum efficiency during practice.

NEBRASKA FOOTBALL PLAYERS' LOUNGE

Nebraska players have a dedicated lounge to enjoy during their down time. The comfortable lounge area features all the latest technology and includes a display to highlight Nebraska's rich NFL tradition.

HUSKER POWER

The University of Nebraska has long been recognized as being the national leader in the area of strength and conditioning.

Nebraska was the first NCAA school to have a paid strength and conditioning coach, the first to lift weights in-season, the first to hold an official summer conditioning class for student-athletes and the first to offer a degree for strength coaching.

Husker Power is a nationally recognized brand and a source of pride for Nebraska Football.

Nebraska football student-athletes train throughout the year in the Ndamukong Suh Strength and Conditioning Center, one of the nation's finest facilities of its kind. Built in 2006, the facility is one of the largest in the country and is a unique, state-of-the-art complex.

The facility gives Husker student-athletes a technological and strategic advantage by combining state-of-the-art strength training innovation with top-notch coaching and programming. The Ndamukong Suh Strength and Conditioning Center contains a field turf agility track adjacent to the strength training equipment allowing for high impact strength programming on different dynamic surfaces.

The football strength and conditioning staff consists of five full-time staff members, led by Head Football Strength Coach Mark Philipp. The staff works with Husker football student-athletes teaching proper strength and conditioning techniques, allowing them to reach their maximum potential.

The latest upgrade to the Ndamukong Suh Strength and Conditioning Center took place in the summer of 2015. The facelift nearly doubled the number of lifting platforms and included new equipment and new apparel. The layout changes allow the strength staff to redesign and implement a program that accommodates each individual athlete with the most beneficial exercises in an efficient period of time.

Components considered in the new weight room layout included accommodating a larger number of athletes per group and the time and space required to enhance performance and reduce the risk of injury.

"This incredible facility helped me earn all the honors I was so privileged to receive while I was at Nebraska...There is not a better strength and conditioning program in the country."

Ndamukong Suh, Nebraska All-American (2009)

NEBRASKA AND THE NFL

There is No Place Like Nebraska to train for a career in professional football. Nebraska is the only college football program with a former NFL general manager on staff, providing student-athletes with NFL expertise and connections that simply can't be matched by any other school. On the field, Mike Riley spent three seasons as head coach of the San Diego Chargers, making him one of only eight active FBS coaches who also served as an NFL head coach. Three Husker assistant coaches also coached in the NFL.

- More than 400 former Nebraska players have played in the NFL.
- At least one Husker has been selected in 55 consecutive NFL Drafts, the fifth-longest streak in NFL Draft history.
- At least two Huskers were selected in every NFL Draft from 1963 to 2016, the longest such streak in NFL Draft history.
- A former Husker has appeared on a Super Bowl roster for 25 consecutive years, the longest streak in the nation.
- Five different former Huskers have been selected for the Pro Bowl in the past two seasons.
- Two former Huskers were inducted into the Pro Football Hall of Fame in 2015.

CURRENT NFL HUSKERS

Nebraska has a proven program in place to prepare players for a professional career, as 33 former Huskers were on 2017 NFL rosters as of July 1. That group includes 12 former Huskers who played for Coach Mike Riley in his first two seasons on the NU sideline. Former Huskers have not only played in the NFL, they have excelled. Five former Nebraska players have been named to the Pro Bowl the past two seasons. A former Husker has also been on at least one team's roster in each of the last 24 Super Bowls, the longest streak in the country. In 2016, third-round pick Vincent Valentine won a Super Bowl title as a rookie with the New England Patriots.

ALL-TIME GREATS

Following the 1949 season, the N Club voted to retire jersey No. 60 in honor of Tom "Train Wreck" Novak's stellar career with the Cornhuskers. Novak, the first Nebraska player to earn this honor, had been a four-time All-Big Seven choice and a 1949 All-American.

For 55 years, Novak was the only NU player to have the distinction of a retired number. In 2004, that finally changed as College and Pro Football Hall of Famer Bob Brown's No. 64 joined Novak's hallowed No. 60 among the only two permanently retired numbers at Nebraska.

All major national award winners at Nebraska automatically have their jerseys retired, but their numbers will still be available to active Huskers.

Nebraska's group of 17 players with retired jerseys certainly ranks among the best in the nation. Huskers who have earned the distinction of jersey retirement include three Heisman Trophy winners (Johnny Rodgers, Mike Rozier, Eric Crouch), eight Outland Trophy winners with nine awards (Larry Jacobson, Rich Glover, Dave Rimington (2), Dean Steinkuhler, Will Shields, Zach Wiegert, Aaron Taylor, Ndamukong Suh), five Lombardi Award winners (Rich Glover, Dave Rimington, Dean Steinkuhler, Grant Wistrom, Ndamukong Suh), one Johnny Unitas Golden Arm Award winner (Tommie Frazier), one Davey O'Brien Award winner (Eric Crouch), one Butkus Award winner (Trev Alberts), one Rimington Trophy winner (Dominic Raiola), one Bednarik Award Winner (Ndamukong Suh) and one Nagurski trophy winner (Ndamukong Suh). Nebraska football has 17 players who have been honored with the distinction of having their jerseys retired. Those players have combined for 23 All-America awards and 10 are members of the College Football Hall of Fame.

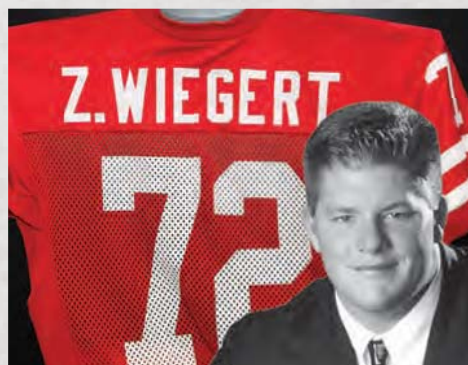

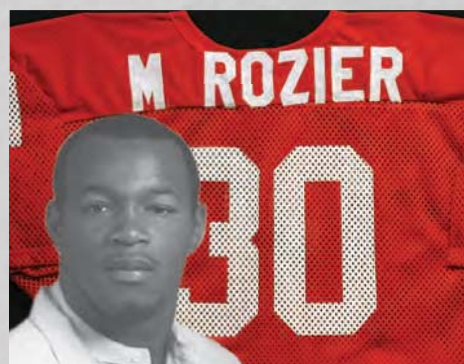

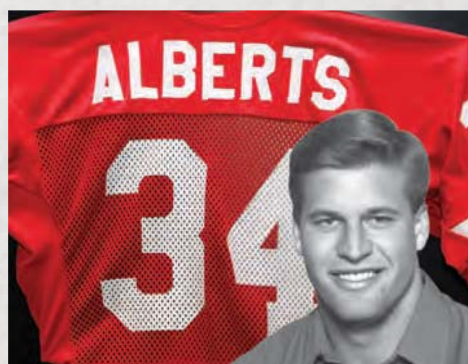

1993 Butkus Award winner Trev Alberts is one of 17 players with their jersey retired at Nebraska. Alberts is the most recent Husker selected to the College Football Hall of Fame and was honored with his on-campus salute in October of 2015.

33 NEW YEAR'S SIX BOWL GAMES
13 BOWL GAMES THAT DECIDED THE NATIONAL CHAMPION

MEDIA ATTENTION

Head Coach Mike Riley is interviewed by ESPN's Allison Williams following the Huskers' win over No. 22 Oregon last season.

Nebraska players and coaches are routinely in the local, regional and national media spotlight. The Huskers are covered by one of the nation's largest media corps on a daily basis.

NEBRASKA IN THE SPOTLIGHT

- All Nebraska football games are televised nationally, and the Big Ten has the most televised games of any conference.
- BTN is currently in more than 60 million homes nationwide, carried by more than 300 video providers.
- In 2016, Big Ten teams played more games on ABC than any other conference.
- The Big Ten Conference also has expansive television deals with FOX, ESPN and ABC, giving the conference unmatched national exposure.
- Nebraska's matchup with UCLA in the 2015 Foster Farms Bowl drew the bowl game's best television rating in six years.
- The Huskers' matchup with USC in the 2014 Holiday Bowl garnered the best television ratings of any non-New Year's Six bowl game.
- Nebraska appeared in the first ever NCAA-regulated television broadcast of a college game by NBC on Sept. 19, 1953. Since then, Nebraska has appeared on TV more than 370 times.
- The Huskers have played in two of the 10 most-watched college football television broadcasts of all-time.
- Nebraska football games can be heard statewide on the Husker Sports Network, and nationally on Huskers.com, SiriusXM and the TuneIn radio app.
- Nebraska Sports have over 1,000,000 followers across all social media platforms.

Husker players and coaches are featured prominently throughout the season through local, regional and national media outlets.

Head Coach Mike Riley (center) is joined by Wisconsin's Paul Chryst, Michigan's Jim Harbaugh and BTN's Dave Revsine at the Big Ten Kickoff Luncheon.

"The Nebraska brand has developed in such a way as other names like Oklahoma, Texas, Southern Cal. It's one of those programs that when you put them up against a quality opponent, it's a national game."

Big Ten Conference Commissioner Jim Delany

GAME DAY ATMOSPHERE

Game days at Nebraska are unlike any in college football. Fans line the streets of Lincoln waiting to enter the "Sea of Red," while the marching band parades up Stadium Drive as thousands of red-clad fans look on. The Huskers emerge from the famous "Tunnel Walk" to the sound of "Sirius" and the fans stay at a frenzied pitch until the final play of the game when they graciously cheer for the opposing players as they exit the field.

The Tunnel Walk, which began in 1994, has become an integral part of Memorial Stadium's game-day experience. It was created as a way for fans to share in the excitement of the team emerging from the locker room, something only a few could do before HuskerVision's cameras and big screens came to Memorial Stadium. The sounds of the Alan Parsons Project's "Sirius," and the roar of 90,000 frenzied fans rock the stadium as the Huskers burst through the locker room doors and into the tunnel on their way to the Memorial Stadium FieldTurf. For as long as anyone can remember, the Huskers have touched a lucky horseshoe on their way from the locker room to the field. The horseshoe hangs above the door as Nebraska leaves the North Stadium.

"There are no words to describe the feeling of making a Tunnel Walk and winning a game in Memorial Stadium. The Tunnel Walk is the single-most exciting part of our games. The anticipation leading up to a football game and that fire you feel in your belly."

Kenny Bell, Nebraska's all-time leading receiver

"There is nothing like playing at Memorial Stadium. I don't care what other people say. Everything combined, the atmosphere, the whole town is here. When you are walking through there, you have tears in your eyes because of the sheer adrenaline rush. You can't control it and your eyes start watering and you start shaking."

Spencer Long, Nebraska All-American and Academic All-American

THE BIG RED ON THE ROAD

When the Huskers hit the road, Nebraska's passionate fan base is sure to follow from coast to coast. NU's contingent of loyal fans have provided a "home away from home" and have given the Huskers unmatched support in road environments.

"I think Nebraska fans are the greatest fans in college football, no question in my mind. The enthusiasm here is as good as any place, but the integrity here of the fans is the best in America."

Lee Corso, ESPN College Football Analyst

DEVOTED FANS

"This is truly a place where everybody is all in, all the time, and very, very loyal to their university. Everybody cares. I think that's my favorite word to describe Nebraska and everybody in it, is that they care. It's a unique place in that everybody cares, and it's really one thing. All the energy pours into Lincoln. That goes to every corner."

Head Coach Mike Riley

Nebraska fans are perhaps the most loyal in college football. The entire state follows the Huskers, along with a truly national fan base. Cornhusker fans have packed Memorial Stadium for every home game since 1962. In 2009, Nebraska celebrated its 300th consecutive home sellout, a NCAA record streak that stands at 354 games entering the 2017 season.

Nebraska has ranked in the top 10 nationally in home attendance in two of the past four seasons, including a school-record average of 91,249 in 2014. In 2016, the Huskers ranked ninth nationally in total attendance (631,402) and 10th in average attendance (90,200).

Husker fans bring their show on the road as well. Red-clad Nebraska fans have traveled in the tens of thousands to bowl games and road games for decades. Opposing stadiums throughout the Big Ten began to see the invasion of Big Red fans in 2011.

Every entrance at Memorial Stadium welcomes Nebraska fans with the following phrase: "Through these gates pass the Greatest Fans in College Football."

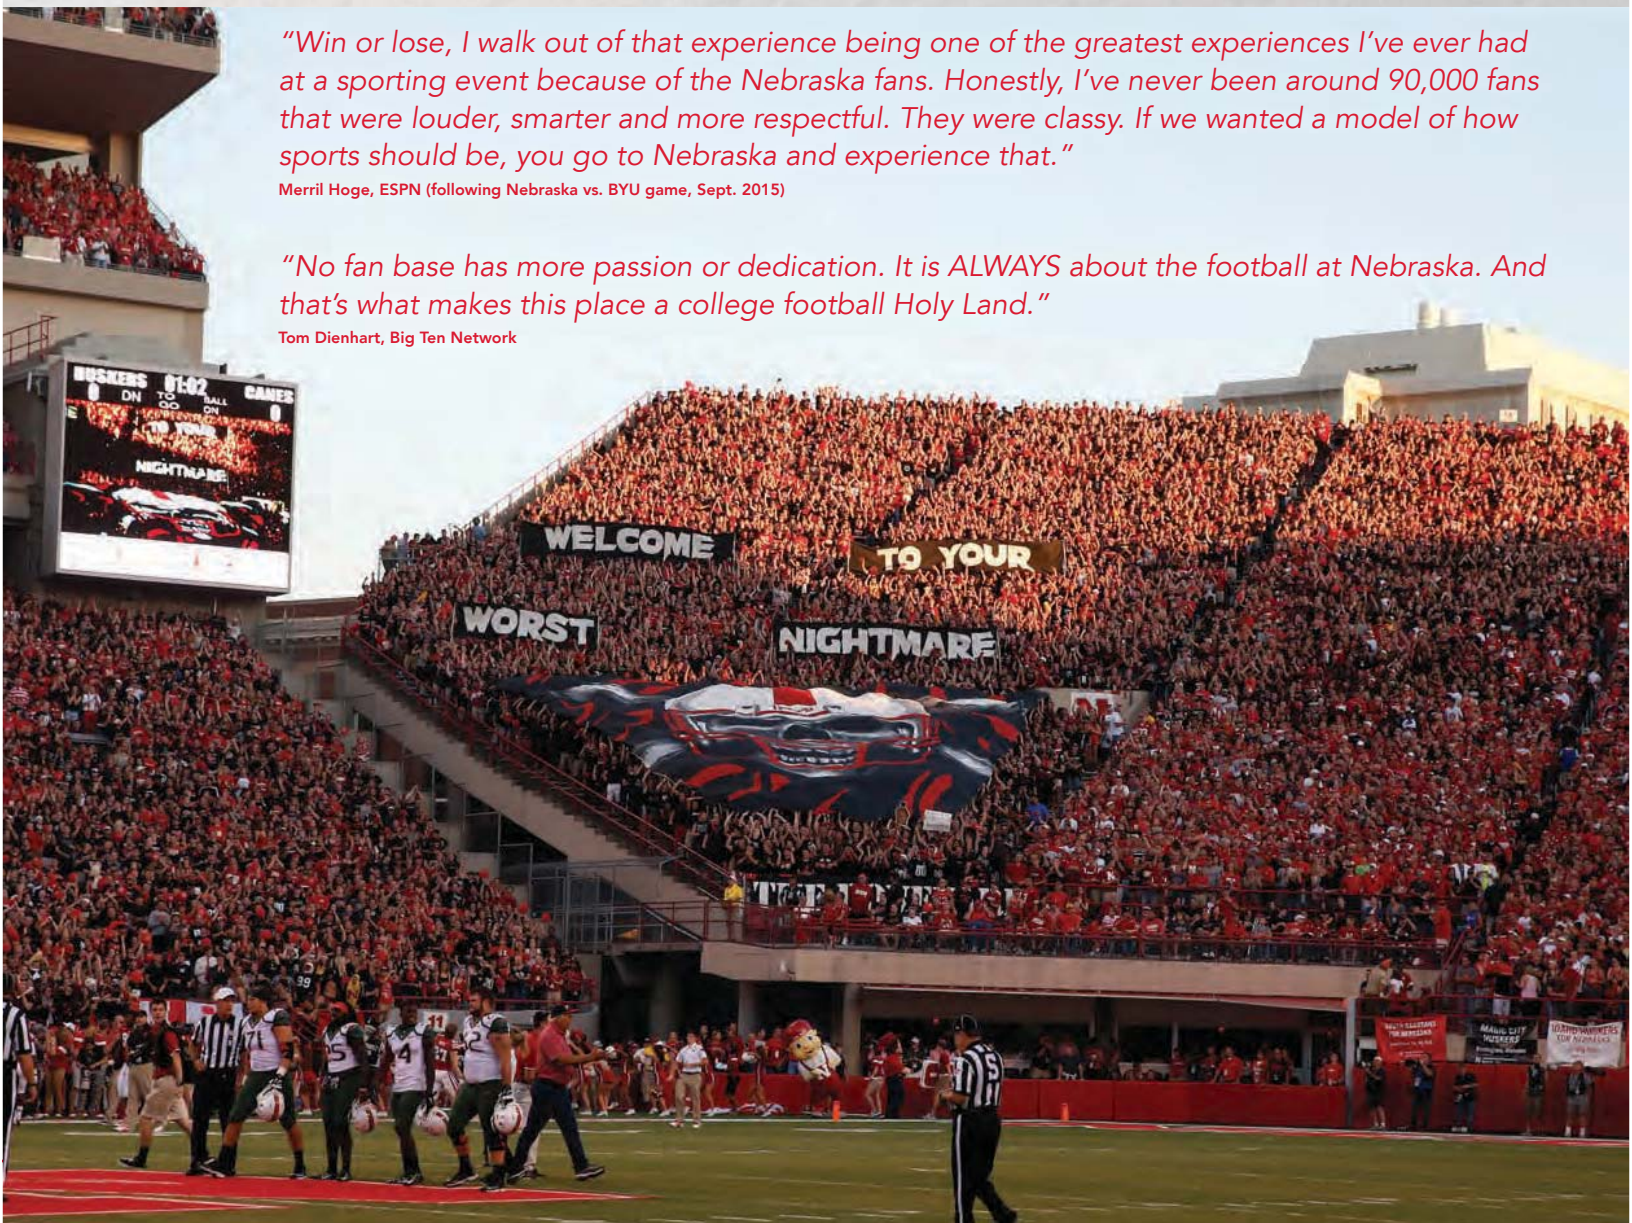

"Win or lose, I walk out of that experience being one of the greatest experiences I've ever had at a sporting event because of the Nebraska fans. Honestly, I've never been around 90,000 fans that were louder, smarter and more respectful. They were classy. If we wanted a model of how sports should be, you go to Nebraska and experience that."

Merril Hoge, ESPN (following Nebraska vs. BYU game, Sept. 2015)

"No fan base has more passion or dedication. It is ALWAYS about the football at Nebraska. And that's what makes this place a college football Holy Land."

Tom Dienhart, Big Ten Network

WALK-ONS

SPENCER LONG

ANDY JANOVICH

“Loyalty. Motivation. Willingness to Sacrifice.”

Tom Osborne, Hall of Fame Coach from 1973 to 1997 and Nebraska’s Athletic Director from 2007 to 2012, has used those words to describe Nebraska’s walk-on program.

The tradition of the Cornhusker walk-on program is one-of-a-kind in college football. Hundreds of young men from towns in all corners of the state have come to Nebraska with big dreams. Many players have excelled beyond their biggest dreams. Head Coach Mike Riley has embraced the Nebraska walk-on tradition since day one as the Cornhuskers’ coach, and he also relied on walk-ons during his tenure at Oregon State.

FOOTBALL FAMILY

Family. It is a word that is synonymous with Nebraska Football. No one takes more pride in the Nebraska football program than its former players. Head Coach Mike Riley and his staff have connected with Nebraska's former players in their short time leading the Husker program, including the hiring of former Husker Blackshirt and NFL standout John Parrella as NU's defensive line coach in 2016. The family atmosphere of Nebraska football brings together players from all across the United States.

CORNHUSKER FAMILY

- The 2017 Nebraska roster features players from 28 states, plus Canada, including 47 homegrown Huskers. The Husker roster includes at least six players from six additional states.
- Nebraska has signed players from 30 states and Canada in its last five recruiting classes.
- Nebraska's 96 football All-Americans hail from 24 states and the District of Columbia, with homegrown Huskers accounting for 38 All-America awards.
- Nebraska football lettermen have come from 45 states, Washington D.C. and six foreign countries (Australia, Canada, Finland, South Korea, Germany and Mexico).

"There is no in-state player, no out-of-state player, no walk-on player and no scholarship player. We were all equals when we got here, and we all came here for the same reason – to contribute to something much bigger than all of us. At Nebraska, all lettermen are the same. We're hundreds of guys who paid the price to be part of one of the greatest traditions in all of college football. And the greatest honor any of us ever achieved was being able to say: 'I played for Nebraska!'"

Damon Benning, Nebraska I-Back, 1993-96

LETTERWINNERS CLUB

Husker alums connect with current student-athletes through a variety of N Club activities.

N CLUB MISSION STATEMENT

Provide opportunities to letterwinners from all sports for connection, engagement and involvement through events, special reunions and communication while supporting the athletic, academic and career success of Husker student-athletes.

N CLUB ADVISORY COUNCIL

Letterwinner alumni meet monthly to provide feedback and assistance with upcoming events insuring a commitment to the N Club mission. Approximately 15 alumni from various sports and generations volunteer to meet with the N Club Director and additional athletic staff.

N CLUB PROGRAMMING/EVENTS

Memorial Stadium N Club Gameday Lounge – located in the southeast corner of Memorial Stadium, letterwinner alums and guests with a gameday ticket can enjoy connecting with fellow Huskers, athletic staff and Student-Athlete Advisory Committee members. Open 90 minutes prior to kickoff through halftime, the lounge features snacks, Pepsi products and flat screens to enjoy other games.

Social Events – The N Club will host several social functions allowing letterwinner alums from all sports the opportunity to come back to campus, see facilities, meet athletic staff and reconnect.

Letterwinner Induction Ceremony – held once each semester, first-time letterwinners are presented with their Husker letter jacket by their Head Coach and a letterwinner alumni. The banquet features comments from past Husker greats along with a special video tribute.

STUDENT-ATHLETE ENGAGEMENT OPPORTUNITIES

Striving to connect the past with the present, letterwinner alumni are invited back to campus to participate in the annual Student-Athlete Career Fair, Networking Night and Inner Circle Leadership group. Additionally, letterwinner alumni serve as email mentors providing life and career insights. Letterwinner alumni will also have an opportunity to volunteer with current student-athlete leaders for various service projects including a service abroad trip in May.

INNER CIRCLE

Emerging leaders further develop leadership qualities while being inspired from letterwinner alums and collaborating with other student organizations. Inner Circle also assist with numerous service projects throughout the year.

CHAMPIONSHIP REUNIONS

Championship teams and those finishing at an elite national level are invited back to campus every 10 years from the date of the accomplishment. This fall, the 1997 national championship football team will be honored with an event dinner and in-game recognition the weekend of Oct. 6-7.

HUSKER STUDENT-ATHLETES

Nebraska Athletics is one of the few self-sustaining athletic programs in the country. In 2016-17, Nebraska was one of only two collegiate programs in the nation to attract nearly 1.3 million fans across its seven major team sports through the doors of its world-class facilities. This incredible interest and support enables Nebraska Athletics to invest in the student-athlete experience, as well as the overall game-day experience. Nebraska is a leader in providing all the resources and support necessary for student-athletes to become successful in Academics, Athletics and Life. Nebraska will continue to strategically plan for avenues to strengthen the resources to support more than 600 Husker student-athletes across 24 sports.

ACADEMIC EXPERIENCE

More than 600 student-athletes, including Stanley Morgan Jr., benefit not only from Nebraska's full cost of attendance scholarships and the MacBook Air program, but also the amazing facilities and staff support within the Dick and Peg Herman Family Student Life Complex. Nebraska leads the nation in CoSIDA Academic All-America and NCAA Today's Top Ten awards.

ATHLETIC EXPERIENCE

Nebraska's strength and conditioning has long been at the forefront of college athletics. Under the direction of Boyd Epley, Nebraska has a staff of 14 strength coaches, including football strength coach Mark Philipp, who creates personalized strength and conditioning programs for Husker student-athletes.

LIFE SKILLS EXPERIENCE

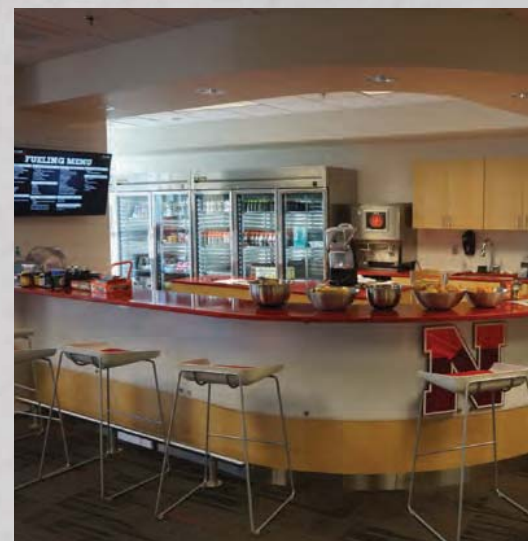

The Husker Life Skills program allows student-athletes to continue their development and impact lives in the community. In 2016-17, Husker student-athletes, including linebacker Chris Weber pictured above with the Uplifting Athletes Road Race winners, completed more than 400 outreach activities while volunteering nearly 8,000 hours to impact approximately 35,000 people in Nebraska communities.

A LIFETIME EXPERIENCE

SPORTS NUTRITION LEWIS TRAINING TABLE

Husker student-athletes have ample places to dine, as the Lewis Training Table is open extended hours for meals, while the North Stadium and Hendricks Training Complexes have areas for supplements for recovery after workouts or for snacks throughout the day. Nebraska's three full-time sports dietitians work with the Lewis Training Table manager and executive chef to plan and prepare meals to help maximize performance for student-athletes. Nebraska's individual nutritional counseling focuses on performance nutrition strategies, hydration, quality food choices and proper supplementation to help student-athletes reach their full potential.

ATHLETIC MEDICINE: CARING FOR HUSKERS

Nebraska's Athletic Medicine facilities rank among the nation's best, while one of the most experienced medical staffs in the nation care for all Husker student-athletes. Nebraska's medical team consists of 13 full-time athletic trainers and eight graduate assistant trainers, led by Associate Athletic Director Dr. Lonnie Albers (kneeling far left), Head Athletic Trainer and Physical Therapist Jerry Weber and Head Football Athletic Trainer Mark Mayer. A full staff of orthopaedists is also available to the Huskers, led by Dr. Richard Dugas (pictured back in white). The Husker Athletic Medicine team also includes a full-time, in-house athletic psychologist, and sports psychiatry consultants who work directly with Husker student-athletes.

In August of 2014, the NCAA Division I Board of Directors restructured the way member institutions and conferences, including the Big Ten, govern themselves. Nebraska has a great history and tradition of providing unmatched benefits and support to student-athletes. However, this change in governance, and subsequent legislation, paved the way for Nebraska to enhance the benefits and experiences for student-athletes. A few examples of these enhanced benefits are:

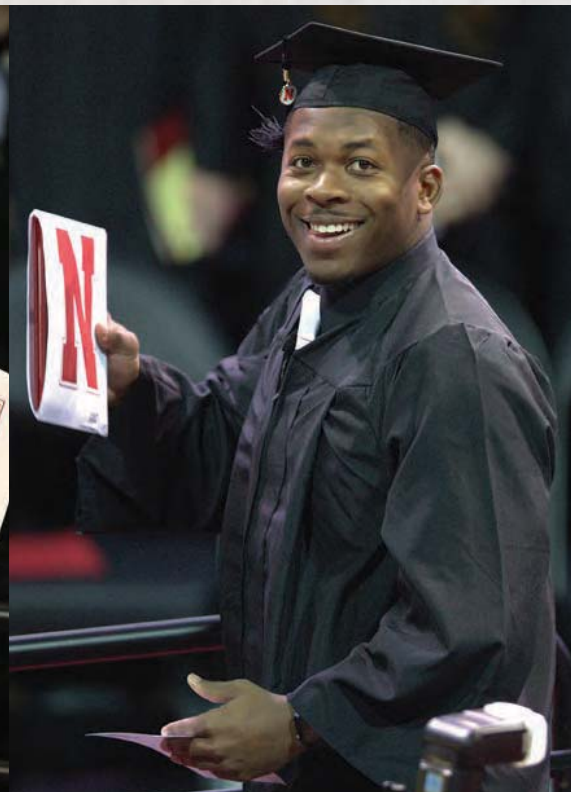

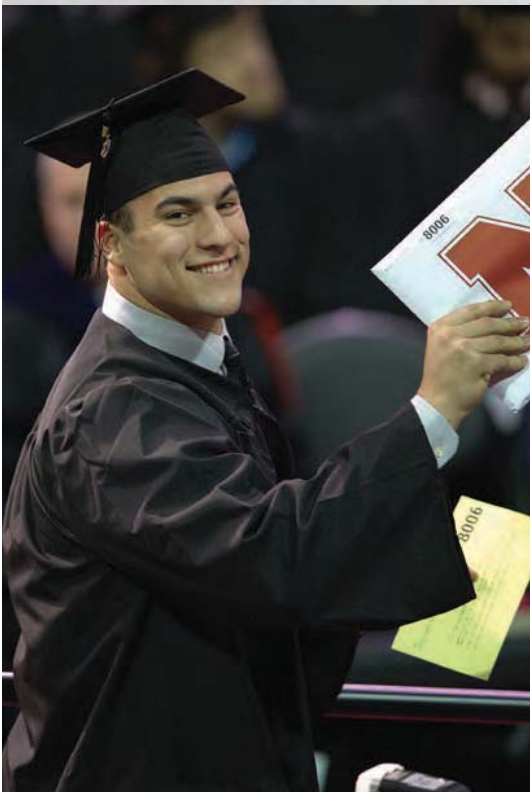

- All scholarship student-athletes across all sports have their scholarship calculated based on the full cost of attendance.
- Each student-athlete is offered an Apple MacBook Air laptop computer to enhance their learning opportunities (pictured top left).
- Nebraska has increased resources and support in all academic and performance related areas including but not limited to Academic Services, Life Skills, Athletic Medicine, Athletic Training, Strength and Conditioning, Nebraska Athletic Performance Laboratory, Nutrition and Dining Services (Training Table) and Sports Analytics.
- Nebraska created the first-known Post-Eligibility Opportunity (PEO) program, where every student-athlete graduate who has exhausted their athletic eligibility has the opportunity to pursue (with Nebraska support) an internship, participate in a study abroad program or attend graduate school within the University of Nebraska system.

ACADEMIC SUCCESS

Nebraska increased its nation-leading total of CoSIDA Academic All-America awards to 329 with four selections in 2016-17. Senior track standout Drew Wiseman (Bismarck, N.D., Electrical Engineering) was named the CoSIDA Men's Track and Field Academic All-American of the Year while claiming the second first-team Academic All-America award of his career. Wiseman was named Nebraska's Male Student-Athlete of the Year and ended his career as a six-time All-American. Women's track and field star Tierra Williams (Auburn, Neb.) was named Nebraska's Female Student-Athlete of the Year. She was a seven-time All-America jumper and a 2016 Big Ten Distinguished Scholar. Wiseman and Williams, who are pictured with Director of Athletics Shawn Eichorst (right), were Nebraska's 2016-17 Big Ten Medal of Honor winners.

The Nebraska men's track and field team continued its extraordinary run of CoSIDA Academic All-America success with Wiseman's first-team selection. Four-time volleyball All-American Kadie Rolfzen (Papillion, Neb., Advertising & Public Relations) was also a first-team Academic All-American, as was All-Big Ten soccer player Caroline Flynn (Lincoln, Neb., Communication Studies). A 2016 second-team All-American on the balance beam, gymnast Danielle Breen (Ames, Iowa, Accounting) earned second-team Academic All-America honors in the Women's At-Large division.

Graduation is the ultimate achievement, and 126 Husker student-athletes earned undergraduate and graduate degrees in three commencement exercises at Pinnacle Bank Arena in 2016-17.

A total of 126 Nebraska student-athletes earned their degrees in 2016-17, including 54 in May 2017, 57 in December 2016 and 15 in August 2016. Linebacker and 2016 team captain Josh Banderas (left) earned his degree in management in May of 2017. Wide receiver Alonzo Moore (center) graduated in August of 2016 with a degree in sociology and was one of three Huskers on the 2016 team playing as graduate students. Tommy Armstrong Jr. (right) earned his degree in communication studies in December of 2016 and finished his career as Nebraska's all-time leader in total offense. All three Huskers are in NFL training camps in 2017.

Five Huskers earned Outstanding Scholar Awards in 2016-17. The seniors with 3.900 GPAs or better were Caroline Flynn (soccer, pictured above); Jennie Laeng (women's gymnastics); Kelly Schatz (soccer); Drew Wiseman (men's track and field); Emily Wood (women's basketball). Flynn was also a first-team Academic All-American in 2016 and was drafted by the Portland Thorns FC in the 2017 NWSL Draft.

Volleyball standout Kadie Rolfzen earned first-team CoSIDA Academic All-America honors in 2016. Rolfzen, a two-time first-team AVCA All-American, became just the third volleyball player in school history to earn four All-America awards, joining Husker Olympians Jordan Larson and Sarah Pavan. Rolfzen was also an NCAA Postgraduate Scholarship recipient in 2017.

Drew Wiseman was the Academic All-American of the Year for Men's Track and Field in 2017. A two-time NCAA Elite 90 recipient, Wiseman was also a four-time All-American on the track, earning accolades in both the 400-meter hurdles and the 4x400-meter relay.

Danielle Breen garnered CoSIDA Academic All-America honors in 2017 after helping the Huskers win the Big Ten regular-season title. Breen was also a second-team All-American on the balance beam and a two-time All-Big Ten performer.

THE ACADEMIC EXPERIENCE

"You definitely get the total package of an experience from athletics, academics, community outreach and campus life. Everybody on staff within the program makes sure that the student-athletes reach their fullest potential and that is why there is no place like Nebraska."

Rex Burkhead, New England Patriots

The athletic academic unit, located in the Dick and Peg Herman Family Student Life Complex, provides personal and academic support to ensure that student-athletes will get the most out of their years as Huskers. Featuring one of the most innovative and comprehensive academic support systems in the country, Nebraska is dedicated to helping its student-athletes become outstanding leaders in their chosen fields. The academic support team is composed of 14 full-time staff members and is certified by the National Association of Academic Advisors for Athletics (N4A) as meeting the standards established by the N4A.

ACADEMIC COUNSELING

Seven academic counselors, three learning specialists and two assistant academic counselors are in place to monitor daily academic progress, receive consistent course feedback, assist with the advising/registration process and monitor continuing eligibility and progress toward graduation.

TUTORIAL SUPPORT

A tremendous resource for all academic abilities, unlimited tutorial support from approximately 75-100 tutors on staff is available from day one up to college graduation in all subject areas. The tutorial program is certified as a model tutoring program by the College Reading and Learning Association.

STUDY HALL

Nebraska's study hall program is housed in the D.J. Sokol Enrichment Center within the Student Life Complex. Student-athletes attend a supervised, flex-time study hall that features day, evening and weekend hours. Student-athletes are required to complete a specific number of study hours each week as determined by their academic counselor and/or coach. Additional performance-based or tutor-based study hall also may be determined by the academic counselor.

MENTORING

Academic support staff serve as mentors to all incoming student-athletes and a select group of returning student-athletes. The student-athletes meet with their mentor weekly to develop time management skills, gather and report academic progress information, and discuss academic success strategies.

EDUCATIONAL ASSESSMENTS

Assessments are administered upon the request of the student-athlete, academic counselor, or coach. Learning specialists are available to administer and score informal assessments, which include a reading comprehension and a writing assessment. When more in-depth assessments are necessary, referrals are made to a consulting psychologist who conducts the assessments. If it is determined a student-athlete has a learning disability or another medical condition that impedes the student from reaching their academic potential, appropriate accommodations are implemented by the Office of Services for Students with Disabilities.

STUDENT-ATHLETE ORIENTATION

Each new student-athlete attends an orientation at the beginning of their academic career. Student-athletes are introduced to staff, faculty, administrators, and a variety of resources that help facilitate the transition into college while enhancing awareness of support services in the Athletic Department and across campus.

PERSONAL COUNSELING

Student-athletes will find a supportive and caring environment at Nebraska. Transitional issues, stress management, time management, academic focus and problem resolution are all addressed in a proactive manner throughout the year. If necessary, counseling referrals are also made to designated practitioners.

COMPUTER RESOURCES

The Herman Student Life Complex has two computer labs available for student-athletes. The Scott Technology Center features two tech tables for use on group computer projects and group study sessions. New laptops are provided to all student-athletes for use during their academic career at Nebraska.

The complex also features tributes to each of Nebraska's nation-leading 329 CoSIDA Academic All-Americans and 17 NCAA Today's Top Ten Award winners.

LIFE SKILLS

Regarded as the premier and most comprehensive Life Skills program in college athletics, the Husker program is committed to providing proactive education, resources and support through college and beyond to promote total person development and preparation for life after sports. Led by Senior Associate Athletic Director Keith Zimmer, five full-time staff members coordinate community involvement, career planning, effective communication strategies and much more to benefit Husker student-athletes.

In May of 2017, 22 student-athletes traveled to Nicaragua as part of the NoFilter program to serve abroad with Seeds of Learning, a nonprofit organization that helps to create educational opportunities in rural Latin America. Over the course of one week, these Huskers experienced a new culture, created new friendships and relationships, and most importantly, helped build additional classrooms for a school in the town of Villa Japón.

The annual Nebraska Football Uplifting Athletes Road Race has raised over \$100,000 for pediatric brain cancer research in its four-year history. Nebraska football has been a national leader in outreach activities for decades.

PROACTIVE EDUCATION

The Life Skills team organizes several orientations aimed at acclimating student-athletes to college life. Additionally, all incoming student-athletes attend the fall semester Husker Life Seminar. This interactive class promotes responsible decision-making, personal brand, financial literacy, leadership, involvement and service.

INDIVIDUAL MEETINGS

Every Nebraska student-athlete is assigned a Life Skills staff member who will assist with personal and career development. The meetings help each student-athlete identify a career focus and implement a plan to increase career marketability.

CAREER COMMITMENT & NETWORKING

Annually, Nebraska Life Skills organizes a Student-Athlete Career Fair, Networking Night (pictured bottom right) and other career events aimed at connecting Huskers with companies desiring competitive, hard-working, accountable candidates. Athlete Network and Husker Hire Link provide opportunities to explore career opportunities across the country.

COMMUNITY OUTREACH

Nebraska student-athletes readily accept the role-model challenge, collectively giving more than 8,000 hours annually to impact thousands across the state of Nebraska. Outreach events include but are not limited to hospital visits, mentoring, school assemblies, statewide rallies (including the Sportsmanship 4 Life Pep Rally, pictured opposite page, bottom left), Make-A-Wish, School is Cool and Husker Heroes.

LEADERSHIP

Nebraska Life Skills provides student-athletes with countless opportunities to enhance leadership skills while distinguishing themselves from the competition. Student-athletes can be members of the Student-Athlete Advisory Committee, Uplifting Athletes Chapter or Inner Circle. UNL offers more than 600 recognized student organizations allowing athletes to collaborate with other campus leaders for common goals. Nebraska Life Skills funds and coordinates an annual one-week service abroad trip that allows 20 student-athletes to work together toward a common goal while enriching cultural competencies.

RECOGNITION

In 2016-17, a record 82 Husker Football student-athletes were named to both the Tom Osborne and Brook Berringer Citizenship teams for completing a minimum of six service projects in the calendar year. A host of other recognition opportunities at the institutional, Big Ten and NCAA levels that all reflect the high ideals, character and servant leadership nurtured through community involvement also are available.

POST-ELIGIBILITY OPPORTUNITIES

Effective December 2015 and beyond, student-athletes who letter and graduate will have a three-year window to benefit from one of three post-eligibility opportunities each valued at \$7,500. Upon completion of required seminars, graduates can either study abroad, complete an internship or begin graduate school within the University of Nebraska system.

DIVERSITY AND INCLUSION

The Life Skills program also is responsible for all Diversity and Inclusion initiatives for Husker Athletics. Since 2016, the Diversity and Inclusion Summit has reached all student-athletes and staff members with programming emphasizing respect, acceptance and unity. Numerous other special events are coordinated in collaboration with campus departments highlighting the diversity within Husker Nation.

ATHLETIC MEDICINE

Providing expert care to more than 600 Husker student-athletes, Nebraska features one of the most well-trained and highly skilled athletic medicine staffs in the country. Under the guidance of Director of Athletic Medicine Dr. Lonnie Albers, Head Athletic Trainer and Physical Therapist Jerry Weber and Football Head Athletic Trainer Mark Mayer, the 2017-18 Nebraska athletic medicine staff consists of five physicians, 13 full-time athletic trainers, eight graduate assistant athletic trainers, two full-time in-house athletic psychologists and sports psychiatry consultants who work directly with student-athletes.

Nebraska's medical facilities have long been among the nation's best, and NU's athletic medicine center within the Tom and Nancy Osborne Athletic Complex will keep the Huskers on the front line of technology for decades to come. In addition to Nebraska's North Stadium facility, Haymarket Park, the Bob Devaney Sports Center, Pinnacle Bank Arena and the Nebraska Soccer and Tennis Complex all feature athletic medicine areas. The Devaney Center's Athletic Medicine facility underwent an extensive expansion as part of the Hendricks Training Complex addition in 2011.

Nebraska uses advanced equipment, including two anti-gravity treadmills, to help athletes recondition after injuries.

Nebraska's Athletic Medicine Center features a hydrotherapy area that includes a three-level laned pool. The Hydroworx 1000 Treadmill Pool is equipped with two cameras underwater for evaluation and assessment.

The hot and cold plunge tanks in the Holthus Family Hydrotherapy area help the Huskers recover after workouts and injuries.

Nebraska's on-site medical services for student-athletes rank among the nation's best. Dr. Lonnie Albers, Head Athletic Trainer Jerry Weber (pictured) and the Athletic Medicine staff have their own X-ray equipment at Memorial Stadium.

CHAMPIONSHIP FACILITIES

From training facilities to competition venues, Nebraska's athletic facilities are second-to-none across the collegiate landscape. From Memorial Stadium to Pinnacle Bank Arena and the Bob Devaney Sports Center, Husker student-athletes have the benefits of training and competing in some of the nation's finest facilities. Fans around the country follow the Huskers with amazing passion across all sports. In 2016-17, Nebraska was the only Division I program to rank in the top 15 nationally in attendance in football and men's basketball. Overall, nine Husker sports ranked among the top 20 nationally in attendance in 2016-17.

NAPL: INTEGRATING SPORT

The Nebraska Athletic Performance Laboratory (NAPL) is recognized as the first performance research center within a collegiate department of athletics. The NAPL features a talented, multidisciplinary team that includes a full-time director, assistant director and biomarker lab director, and two research post-doctoral fellows.

Located in East Memorial Stadium adjacent to UNL's Center for Brain, Biology and Behavior (CB3), the NAPL collaborates with Nebraska's Performance staff and athletic programs to offer the highest level of integration of sport performance technologies and systems.

The NAPL is made up of the Mark and Debra Classen Cardio Area, James and Karen Linder Dynamic Performance Center, Markin Family Collaborative Center, Thayer Family Athletic Research Lab and cutting-edge equipment donated by the Suzanne and Walter Scott Foundation. The main entrance for the research facilities is located in the Janet and Gerard Keating Family Concourse.

Focused on student-athlete health, safety and welfare, the NAPL is a world-leading research and performance facility focusing on the performance enhancement, safety and long-term well-being of student-athletes.

The NAPL includes simulated athletic environments for studying performance, incorporating a camera system to track human motion capture videos (3D) to measure athletes in their development through testing results to create an athletic performance index for each athlete, force plates to measure ground reaction forces and state-of-the-art technology to assess physiological limitations and biomarkers, investigate exercise cardiovascular capacity and measure body composition.

All 24 Husker athletic programs conduct performance testing at NAPL. Force plates and motion capture videos (3D) are used to measure athletes in their development through testing results to create an athletic performance index for each athlete.

The NAPL uses IDexa as an advanced, accurate and reliable method to analyze and measure body composition.

The focus of the Thayer Family Athletic Research Lab is recovery from competition, travel and all stressors a student athlete might experience by measuring salivary biomarkers hours prior to and up to 24 hours post-competition.

PERFORMANCE, RESEARCH

Researchers in the Thayer Family Athletic Research Lab measure salivary biomarkers to focus on recovery.

Nebraska's Strength and Conditioning team utilizes NAPL facilities and equipment to optimize performance testing across all 24 Husker sports.

Nebraska's Nutrition staff led by Lindsey Remmers utilizes NAPL technology for body composition testing.

Equipment, technology, researchers and student-athletes come together in the Nebraska Athletic Performance Laboratory to put the Huskers on the cutting edge of sport science.

UNIVERSITY OF NEBRASKA

The University of Nebraska was chartered by the Nebraska Legislature in 1869 as the state's public university and land-grant institution. Founded in Lincoln, the University of Nebraska was expanded in 1968 into a state educational system now comprising four campuses under the guidance of a Board of Regents and a central administration. Nebraska, which joined the Big Ten Conference in 2011, is a member of the Big Ten Academic Alliance, a consortium of Big Ten universities and the University of Chicago, which has generated unique opportunities for students and faculty by sharing expertise, leveraging resources and collaborating on programs.

BIG TEN ACADEMIC ALLIANCE (BTAA)

As a member of the Big Ten, the University of Nebraska-Lincoln (UNL) is a member of the Big Ten Academic Alliance (BTAA), formerly the Committee on Institutional Cooperation, which is the academic consortium of the universities in the Big Ten Conference. The consortium was renamed on June 29, 2016. The BTAA includes all 14 Big Ten Institutions and the University of Chicago. The Big Ten Academic Alliances and the institutions together have annual research expenditures topping \$10.2 billion — more than the Ivy League and the University of California System combined — and they educate a total of nearly 600,000 students with approximately 50,000 full-time faculty members.

UNIVERSITY OF NEBRASKA MISSION

As a land-grant university there are three primary missions of the University: teaching, research and service. UNL is the state's primary intellectual center providing leadership throughout the state through quality education and the generation of new knowledge.

MIKE RILEY

HEAD COACH | 3RD SEASON

Mike Riley is often referred to as one of the nation's most underrated coaches. His peers recognized him as such in 2014, naming him the No. 2 most underrated coach in a survey of all FBS head coaches. Riley may indeed be underrated, but only to those not paying attention to his accomplishments.

Riley's coaching resume speaks for itself. An NAIA national championship coordinator before he turned 30. A professional head coach before he was 35. Two Grey Cup championships in his four seasons as a Canadian Football League head coach, where he was two-time CFL Coach of the Year. Four seasons of NFL experience, including three seasons as head coach of the San Diego Chargers.

Those accomplishments are enough to distinguish Riley from many of his peers and that's before one considers what Riley has achieved as an FBS head coach. Riley enters his 17th season as a college head coach this fall, and he is one of only seven active coaches who has recorded 100 wins at the Power Five Conference level. He also owns a 7-3 record in bowl games, ranking fifth in NCAA history in bowl winning percentage (minimum 10 bowl games).

Riley accepted his first college head job at Oregon State in 1997, spending two seasons with the Beavers before leaving for the NFL. He laid the foundation for the most successful stretch in Oregon State history by leading OSU to five wins in 1998, the program's first five-win season in 27 years.

Following a four-year stint in the NFL, Riley returned to Corvallis in 2003. Over the next 12 seasons, Riley guided Oregon State to eight bowl games, nearly matching the total of nine bowl games OSU made in its first 105 years. Riley also led the Beavers to four of the program's seven nine-win seasons.

Riley accepted the Nebraska job on Dec. 4, 2014. In only two seasons at Nebraska, he has already distinguished himself at a program that has featured six hall-of-fame coaches and ranks in the top five all-time in wins. In his first season in 2015, Riley became only the fourth NU coach to win a bowl game in his debut season, which set the stage for an impressive second season.

In 2016, Riley led Nebraska to the program's highest-ever College Football Playoff ranking (No. 10) and NU was ranked as high as No. 7 in the AP poll. Riley, who was a candidate for the Paul "Bear" Bryant and Bobby Dodd Coach-of-the-Year awards, helped Nebraska to its best start in 15 seasons (7-0), as the Huskers were one of the last nine unbeaten teams in the country en route to posting the 50th nine-win season in program history.

In the past three seasons, Riley has coached the all-time leading passer in Pac-12 history (Sean Mannion) and the all-time total offense leader and all-time leading passer in NU history (Tommy Armstrong Jr.). He has also coached two different Biletnikoff Award winners, as Riley is the only active coach in the country to coach two different wide receivers who have won the award.

Riley's success is not limited to the playing field. Forty-seven Huskers have earned academic All-Big Ten honors in Riley's first two seasons and 43 of the 50 members of Riley's first two senior classes have already earned their degrees, including 39 student-athletes who graduated before playing their final game in a Husker uniform.

One of the most respected men at any level of football, Mike Riley is in his third season as Nebraska head coach in 2017. The second-most experienced FBS coach behind Alabama's Nick Saban, Riley leads the Nebraska program with a veteran and consistent presence.

Riley is in his 43rd season overall as a coach in 2017 and his 26th year as a head coach, including 17 years in the collegiate ranks. He also owns nine years of experience as a professional head coach, second among current FBS head coaches. Riley surpassed the 100-win plateau during the 2016 season and will enter the 2017 campaign with a 108-91 record at the college level.

Since taking over the Nebraska program, Riley has immersed himself in the Cornhusker football tradition, while working to build the program to a championship level. After an initial season that featured a series of difficult losses, Riley's 2016 Huskers made strides in the win department, posting a 9-4 record, including a 6-3 mark in Big Ten play.

The Huskers' four-win improvement in the regular season in 2016 was the third-largest in the 127-year history of Nebraska football. His 9-3 regular-season record tied the best regular-season mark of Riley's collegiate coaching career, and marked Nebraska's 50th nine-win season.

Riley also led Nebraska to its highest ranking in the College Football Playoff poll (10th) and to the program's highest AP ranking (No. 7) in six seasons. He also helped the Huskers finish second in the Big Ten West, a division that featured five bowl teams. Riley led Nebraska to five victories over bowl teams in 2016, while guiding NU to its first undefeated season at Memorial Stadium since 2012. The win over nationally ranked Oregon marked his 16th win over a ranked opponent in his college career.

Nebraska's overall record in 2015 did not measure up to Riley's expectations for his first year. However signs of progress were evident throughout the season, particularly during an impressive late-season run. Nebraska's 6-7 record included four losses on the opponent's final offensive play, and the seven losses came by an average of 4.7 points, including four losses by three or fewer points.

The Huskers posted four wins over bowl teams and defeated an opponent who finished the season with double-digit victories. None of the other 28 first-year head coaches in Nebraska history accomplished either of those feats, while NU's 39-38 upset of No. 6 Michigan State marked the highest ranked opponent a first-year Husker head coach had ever defeated. The victory was the Huskers' first win over a top-10 opponent in four seasons and marked only the third time in the history of Nebraska football that an unranked Husker team upset a top-10 foe.

Riley's first season culminated with a 37-29 victory over UCLA in the Foster Farms Bowl at Levi's Stadium. Riley became the fourth Husker coach to win a bowl game in his debut season, while notching his seventh overall bowl victory. Riley's .700 career bowl winning percentage ranks fifth in NCAA history among coaches with at least 10 bowl game appearances.

Riley took over the Husker football program following 12 seasons as the head coach at Oregon State and 14 seasons overall in Corvallis. Riley also had prior experience at the highest level of football, serving as the head coach of the San Diego Chargers for three seasons, while also spending time as a head coach in the Canadian Football League and the World Football League.

In his time at Oregon State, Riley built the Beaver program into a consistent winner and regular contender in the Pac-12 Conference. Riley had a 93-80 overall record as the Beavers' head coach. Riley began the rejuvenation of the Oregon State program in his two-year stint in 1997 and 1998. He returned to Corvallis in 2003 and led the Beavers to unprecedented heights for 12 years.

Riley owns the most wins ever at Oregon State with 93, and he helped the program to eight bowl appearances. OSU was ranked in the Associated Press Top 25 for 28 weeks, and Riley coached players who combined to earn 32 All-America honors at Oregon State. Riley had 32 NFL Draft picks at OSU, including first-round selections Steven Jackson (2004) and Brandin Cooks (2014).

Before accepting the Nebraska job, Riley was the longest tenured coach in the Pac-12 and had the seventh-longest coaching tenure of any head coach in the FBS ranks. His resume sparkles with coaching achievements.

A two-time Region 5 American Football Coaches Association (AFCA) Coach of the Year, Riley was the 2008 Pac-10 Conference and State of Oregon Coach of the Year, and his teams appeared in the final Associated Press top-25 rankings three times in his final eight seasons at OSU. In 2012, he was selected the AFCA Region Coach of the Year.

The 63-year-old Riley posted a 6-2 record in bowl games with the Beavers. Riley built the foundation for Oregon State in his first two years on the campus in 1997 and 1998. Riley took over a program that was

mired in a streak of 26 consecutive losing seasons and quickly changed the culture in Corvallis. After Riley departed for the NFL, Oregon State made three postseason appearances.

Riley was the first coach in OSU history to win more than one NCAA-sanctioned bowl game at OSU, capturing the 2003 Las Vegas Bowl, the 2004 Insight Bowl, the 2006 and 2008 Sun Bowls, the 2007 Emerald Bowl and the 2013 Hawaii Bowl titles. He was also the first coach to lead the program to more than one winning conference season since 1969, and Riley accomplished the feat six times.

Riley returned to the Beaver sideline for the second time in 2003 and led the team to the Las Vegas Bowl title over New Mexico. The team set numerous individual and team records and led the Pac-10 in both offense and defense. Success immediately followed on the recruiting trail, as Oregon State signed the best recruiting class in school history the following February.

The 2004 team played one of the nation's toughest schedules en route to a 7-5 record, capped by a strong finish to the season. OSU defeated Oregon in the annual Civil War matchup and completed the year with a 38-21 win over Notre Dame in the Insight Bowl. The Beavers closed the 2004 campaign by winning six of their final seven games.

After a 5-6 season in 2005, Riley's 2006 team was the second team in school history to win at least 10 games. The Beavers won eight of their final nine games, including a win over No. 3 USC to end the Trojans' 27-game Pac-10 win streak.

OSU also ended a lengthy Aloha Stadium win streak of Hawaii and capped off the year with a thrilling 39-38 victory over Missouri in the Sun Bowl. The Beavers finished third in the Pac-10, just one game behind co-winners USC and California, and ended the year ranked No. 21 in the final AP poll.

Like many of Riley's team, the 2007 squad continued to improve throughout the season, winning seven of the final eight games on the way to a 9-4 mark. The Beavers won at No. 2 California during the season and also posted a win at 18th-ranked Oregon. OSU's defense was first nationally against the run and led the nation in tackles for loss. The Beavers capped the year with a win over Maryland in the Emerald Bowl and finished No. 25 in the Associated Press Poll.

Many expected 2008 to be a rebuilding year for Riley and a young Beaver team. However, OSU tied for second in the Pac-10 with a 7-2

record and finished 9-4. The success came against one of the nation's toughest schedules that featured three teams that played in BCS bowls.

The highlight of the 2008 season was a 27-21 win over then-No. 1 USC in a Thursday night matchup in Corvallis. Oregon State capped the year with a win over Pittsburgh in the Sun Bowl and finished No. 18 in the AP Poll and 19th in the USA Today Coaches Poll.

In 2009, Riley and his staff had a difficult job of replacing nearly every starter on defense and a total of seven NFL draftees. Not only did the Beavers qualify for a bowl game, but for the second straight year played the season finale with an opportunity to reach the Rose Bowl. A league-high seven Beavers earned first-team All-Pac-10 honors.

The 2010 team posted a 5-7 record, but finished the year with a pair of wins over top-25 teams. OSU defensive tackle Stephen Paea (DT) earned the Morris Trophy for the second time, awarded to the conference's top defensive lineman. Jacquizz Rodgers earned first-team Pac-10 honors for the third consecutive season to become just the third Pac-10 running back to earn first-team all-league honors three times.

After a 3-9 season in 2011, Riley's 2012 team was picked to finish last in the Pac-12 North, yet went 6-3 in the league and 9-4 overall. The team was ranked in the Associated Press Poll a school-record 12 consecutive weeks, including as high as No. 7. The Beavers opened the year with victories over No. 13 Wisconsin and No. 19 UCLA, and posted the third-best conference record behind a pair of BCS bowl teams.

In 2013, the Beavers won six straight games and defeated Boise State in the Sheraton Hawaii Bowl to conclude the season with a 7-6 mark. Wide Receiver Brandin Cooks became the second Beaver to win the coveted Biletnikoff Award as the nation's most outstanding receiver. Cooks broke the Pac-12 record for single-season receptions (128) and yards (1,760). The season also featured quarterback Sean Mannion breaking the league record for passing yards (4,662).

In Riley's final season at Oregon State, the Beavers posted a 5-7 mark. The highlight of the season was a victory over then-No. 7 Arizona State in Corvallis in mid-November. That victory continued Riley's trend of wins over highly ranked opponents, as his OSU teams defeated 13 top-25 teams, including three wins over teams ranked No. 3 or higher.

Riley has a commitment to the total development of student-athletes. In his final six years in Corvallis, Beavers were honored by the league for academic achievements 70 times.

Riley's pro style approach to how he manages the program has paid dividends to players who have gone on to successful professional careers. More than 20 former Huskers and Beavers who were coached by Riley were in the NFL in 2016, including quarterbacks Matt Moore (Miami), Derek Anderson (Carolina) and Sean Mannion (Rams), running back Jacquizz Rodgers (Chicago), fullback Andy Janovich (Denver), offensive lineman Alex Lewis (Baltimore Ravens), receiver Brandin Cooks (New Orleans), defensive linemen Maliek Collins (Dallas Cowboys) and Vincent Valentine (New England Patriots) and defensive back Brandon Browner (New Orleans). Anderson and Browner have each earned Pro Bowl honors.

In his first stint at Oregon State, Riley left following the 1998 season for an opportunity to become the head coach of the National Football League's San Diego Chargers. He spent four years in the NFL, three seasons as the Chargers' head coach and the 2002 campaign as the Assistant Head Coach of the New Orleans Saints.

Riley also had previous professional coaching experience in both the Canadian Football League and World Football League. In 1987, Riley was named the youngest head coach in CFL history, taking over the Winnipeg Blue Bombers at the age of 33. He posted a 40-32 record with the organization and won Grey Cup titles in 1988 and 1990. He was the CFL's Coach of the Year both of those seasons and was inducted into Winnipeg's Hall of Fame in 2007.

In 1991, Riley took over the San Antonio Riders of the World Football League, spending two seasons leading the team before the league suspended its North American operations.

He returned to the college ranks in 1993 when then-USC head coach John Robinson offered him the position of offensive coordinator and quarterbacks coach. Riley later became assistant head coach. The Mesa (Ariz.) Tribune named him the league's top assistant coach in 1993 after leading the Troja' offense to record-setting numbers. USC quarterback Rob Johnson earned numerous Pac-10 and NCAA records and would later become a first-round NFL draft pick.

Riley remained at USC through the 1996 season, helping the Trojans to victories in the Rose, Cotton and Freedom Bowls. USC won one outright league title, shared another and finished second once.

Riley had a long history in Corvallis. He was born in Wallace, Idaho, but Riley grew up with Beaver football, as his father Bud was an assistant coach for the program from 1965-72 and again in 1979. Mike was a standout quarterback at Corvallis High School, leading the Spartans to the 1970 state title.

Riley went on to a successful college career at the University of Alabama, playing for legendary coach Paul "Bear" Bryant. He played cornerback from 1971-74, helping the Tide to four Southeastern Conference titles and the 1973 national championship.

Riley immediately moved into coaching following his graduation from Alabama. His first stop was as a defensive graduate assistant coach for Mike White at the University of California in 1975. He helped the Bears to an 8-3 record and a share of the Pacific-8 Conference title.

Riley continued his education and his coaching in 1976 at Whitworth College in Spokane, Wash. He finished his master's degree in physical education in 1977 while working for the popular Pacific Northwest coach and future Canadian Football League legend Hugh Campbell.

Riley's first full-time appointment came at NAIA powerhouse Linfield College in McMinnville, Ore. From 1977-82 he served as the program's defensive coordinator and secondary coach, as well as assistant athletic director. Riley helped the Wildcats to a six-year record of 52-7-1, which included five conference titles and the 1982 undefeated NAIA title team.

An opportunity to coach in the professional ranks presented itself in 1983, and Riley was on his way to the CFL's Winnipeg Blue Bombers as the secondary coach. During his three years as an assistant, Winnipeg produced a 32-15-1 mark and won the 1984 Grey Cup title.

Riley returned to the college level in 1986 as an assistant coach at the University of Northern Colorado before returning to the Blue Bombers.

Riley's respect in the profession is evident in the fact he has been the head coach for three postseason all-star games – the Hula Bowl, East-West Shrine Game and Blue-Gray All-Star Classic.

Mike and his wife Dee are the parents of one son, Matthew, and one daughter, Kate. They also have two grandchildren, Elijah Jo and Cecilia. Matthew is an Oregon State graduate and is currently an employee at the University of Texas. Kate is a 2011 OSU graduate.

Mike has two brothers; Edward Riley is a physician and Associate Professor at the Stanford University School of Medicine and Pete Riley is a scientist for the Washington Department of Fish and Wildlife.

BOB DIACO
DEFENSIVE COORDINATOR | 1ST SEASON

The winner of the 2012 Broyles Award, Bob Diaco joined the Nebraska staff as defensive coordinator in 2017. Diaco is regarded as one of the top defensive minds in college football and has a proven track record of success at the highest level. Diaco came to Nebraska after three seasons as the head coach at the University of Connecticut.

Previous to guiding the Husky program, he had a highly successful four-year run as the defensive coordinator at Notre Dame. Diaco has Big Ten roots, twice earning All-Big Ten honors as a linebacker at Iowa in the mid-1990s.

In 2015, the Connecticut defense was the key to the Huskies winning three of their final four regular-season games to reach the St. Petersburg Bowl. Diaco was the first head coach in UConn history to take the Huskies to postseason play just two years into their tenure. The Husky defense led the American Athletic Conference in total defense in 2015 and ranked seventh nationally in red-zone defense and 15th in scoring defense (19.5 ppg).

The 2015 St. Petersburg Bowl marked the ninth postseason game for Diaco as a coach, including the 2012 BCS National Championship Game and the 2010 Sugar Bowl. He also played in three bowl games at Iowa.

Diaco was regarded as one of the nation's top coordinators during his time at Notre Dame from 2010 to 2013, when he led the Irish defense under Head Coach Brian Kelly. In addition to his defensive coordinator role, Diaco also held the title of assistant head coach in 2012 and 2013.

In 2012, Diaco's Irish defense ranked among the top 10 in the Football Bowl Subdivision in 12 categories as the school played in the BCS National Championship Game and finished with a 12-1 record. During his four seasons, the Fighting Irish defense allowed an average of 19.1 points per game, which ranked as the ninth-best average over that time among FBS programs.

Diaco spent one season as the defensive coordinator on Kelly's Cincinnati staff in 2009, helping the Bearcats to a trip to the Sugar Bowl. He also served at Virginia (2006-08) as the linebackers coach and special teams coordinator.

A native of Cedar Grove, N.J., Diaco began his coaching career in 1996-97 as a graduate assistant at his alma mater, the University of Iowa. He then served on the staffs of Western Illinois (1999-2000), Eastern Michigan (2001-2003) and Central Michigan (2005).

Diaco was a two-time All-Big Ten selection at Iowa as a linebacker under Hall of Fame coach Hayden Fry and was named the team's co-MVP in 1995, starting in all 23 games over his junior and senior seasons.

DANNY LANGSDORF

OFFENSIVE COORDINATOR | 3RD SEASON

Danny Langsdorf is in his third season as Nebraska's offensive coordinator and quarterbacks coach on Mike Riley's coaching staff. Langsdorf and Riley have a long history of success together, as Langsdorf served two stints on Riley's Oregon State staff before coming to Lincoln.

In 2016, the Husker offense was one of the nation's most improved teams in protecting the football. Nebraska turned the ball over on offense just 14 times, NU's lowest total since 1992. The Huskers also ranked among the nation's leaders in sacks allowed and time of possession. Five Husker offensive players earned All-Big Ten honors in 2016, including quarterback Tommy Armstrong Jr., who became NU's career leader in passing and total offense.

Langsdorf helped the NU offense to impressive numbers in his first season, as the Huskers finished in the top three in the Big Ten in passing, scoring, total offense and third-down offense. NU showed good balance, with 3,000 passing yards and 2,000 rushing yards for only the third time in school history and the first time since 2008.

Individually, Armstrong Jr. threw for better than 3,000 yards for the second straight season while connecting on 22 touchdown passes. Receiver Jordan Westerkamp set an NU receiver record with 65 receptions, while producing the third-highest yardage total in school history.

In 2014, Langsdorf served as the quarterbacks coach with the New York Giants. Langsdorf worked directly with two-time Super Bowl winning quarterback Eli Manning, who had one of the top seasons of his career.

Before joining the Giants' staff, Langsdorf spent the previous nine seasons as Riley's offensive coordinator and quarterbacks coach at Oregon State. Langsdorf's Oregon State offenses were regularly among the most productive in the Pac-12 Conference, and nine of OSU's top 13 single-season yardage outputs came under Langsdorf's coaching. The play of the Beaver offenses helped OSU to six bowl appearances in eight seasons from 2006 to 2013, including four bowl wins.

From 2002-04, Langsdorf was on the New Orleans Saints' coaching staff. Before New Orleans, he spent three seasons in the Canadian Football League with the Edmonton Eskimos. Langsdorf first worked for Riley at Oregon State in 1997 and 1998, when he coached the tight ends.

SCOTT BOOKER
SAFETIES/SPECIAL TEAMS | 1ST SEASON

Scott Booker will serve as an assistant coach for Nebraska in 2017, working with the Husker safeties and special teams. Booker has 15 years of coaching experience at the Football Bowl Subdivision level.

Previously, Booker spent seven seasons on the Notre Dame staff, serving as tight ends coach and special teams coordinator from 2012 to 2016, after previously spending two seasons as an intern on the Notre Dame staff. At Notre Dame, the Irish participated in six bowl games including the 2012 BCS National Championship Game and 2015 Fiesta Bowl.

In 2012, tight end Tyler Eifert won the John Mackey Award and was a consensus first-team All-American. Eifert finished his Notre Dame career ranked first in Fighting Irish history in both career receptions (140) and career receiving yards (1,840) by a tight end. He was a first-round selection of the Cincinnati Bengals in 2013 and was a Pro Bowl selection in 2015.

In addition to Eifert, Booker coached Ben Koyack (2014) and Troy Niklas (2013), who each were Mackey Award semifinalists for the Irish. All three tight ends were taken in the NFL Draft and were on active rosters in 2016.

As special teams coordinator, Notre Dame scored six touchdowns on special teams in his final two seasons, including four in 2015, which was the most by a Notre Dame team since 2000. In 2014, the Irish led the nation in blocked kicks.

Record-setting kicker Kyle Brindza made a Notre Dame single-season record 23 field goals in 2012, and in his career he set Irish records for field goals (57), field-goal attempts (81) and 50-yard field goals (4). He also holds the top three single-season point totals by a kicker in Irish history.

In 2015, Justin Yoon ranked sixth in the FBS in field-goal percentage (.882, 15-of-17), the highest of any freshman. That same season, freshman C.J. Sanders was one of only seven players in the FBS ranks to return both a kickoff and punt for a touchdown.

Booker also has defensive experience, serving as the secondary coach at Western Kentucky in 2009 and as the defensive backs coach at Kent State from 2005 to 2008. Booker helped Kent State rank first or second in the MAC in pass efficiency defense, pass defense and interceptions in 2006, and he developed a pair of NFL Draft picks with the Golden Flashes.

Booker began his coaching career at Kent State as a graduate assistant in 2003 and 2004. He was a four-year letterwinner for the Golden Flashes from 1999 to 2002, and was named to the MAC all-academic team in 2001.

Booker earned his bachelor's degree in business administration from Kent State in 2003, and his master's degree in sport studies in 2006.

TRENT BRAY

LINEBACKERS | 3RD SEASON

Trent Bray is in his third season as Nebraska's linebackers coach and his sixth season overall working on Mike Riley's coaching staff.

Bray was a nominee for the Broyles Award in 2016, given annually to the nation's top assistant coach. Bray's linebackers were a strength of the 2016 Blackshirt defense, which ranked as one of the nation's most improved units. Senior Josh Banderas led the defense in tackles on his way to earning honorable-mention All-Big Ten accolades. Overall, Bray's linebackers combined for better than 250 tackles and 24 tackles for loss.

Bray earned widespread praise during his first season at Nebraska. He took over a linebacking corps short on numbers and game experience and produced positive results. Bray also had the added hurdle of having several of his players sidelined by injury during the course of the 2015 season. By season's end Nebraska had used five different starting linebackers, including a true freshman and two sophomores.

Despite the injuries, Bray's linebackers combined for nearly 250 tackles and 26 tackles for loss. Freshman Dedrick Young became the first true freshman linebacker to start a season opener at Nebraska. Young went on to record 61 tackles, a Nebraska record for a true freshman, and earned Big Ten All-Freshman honors.

Bray joined Riley's staff at Oregon State after being one of the top defenders in Beaver history. In his first season on the OSU staff in 2012, the defense ranked second in the Pac-12 in scoring defense and third in total defense, rushing defense and pass defense. The play of the defense helped OSU make the largest turnaround in number of victories in the FBS ranks on its way to a berth in the Alamo Bowl.

Bray also coached linebackers at Arizona State from 2009 to 2011, including two seasons as a full-time coach and one year as a graduate assistant. Bray coached Pac-10 all-conference selections Vontaze Burfict and Colin Parker during his time in Tempe.

Bray was a standout linebacker for the Beavers from 2002 to 2005. In his career he totaled 337 tackles to rank among the top 10 tacklers in Oregon State history. He earned Pac-10 all-conference honors as both a junior and senior and was the Insight Bowl Defensive MVP in 2004, leading the Beavers to a win over Notre Dame.

Following his college career, Bray signed free-agent contracts with the Miami Dolphins and Houston Texans. He later played in NFL Europe in 2007, before beginning his coaching career with the California Redwoods of the United Football League in 2009.

MIKE CAVANAUGH

OFFENSIVE LINE | 3RD SEASON

Mike Cavanaugh is in his third season on the Nebraska coaching staff, serving as the Huskers' offensive line coach. Cavanaugh is in his 13th season with Mike Riley, working for 10 seasons on Riley's Oregon State staff.

Cavanaugh also spent time in the National Football League with the San Diego Chargers and has 32 overall years of coaching experience.

In 2016, Cavanaugh helped the Huskers' resurgence, as Nebraska improved in the regular-season win column by four games, posting a 9-4 record and a trip to the Music City Bowl. Cavanaugh's offensive line battled injuries and youth to rank among the nation's best teams in protecting the passer. NU allowed just 15 sacks in 2016 to rank first in the Big Ten and 14th nationally in that category, the second straight year Cavanaugh's line ranked in the top 15 nationally in fewest sacks allowed.

In his first season at Nebraska, Cavanaugh's offensive line helped the Nebraska offense produce excellent results. The Huskers ranked in the top three in the Big Ten in scoring offense, passing offense, total offense and third-down conversion percentage. Nebraska also produced 3,000 passing yards and 2,000 rushing yards for only the third time in school history.

Nebraska allowed just 14 sacks to rank second in the Big Ten and ninth nationally in fewest sacks allowed. Senior tackle Alex Lewis earned second-team All-Big Ten honors, while redshirt freshman tackle Nick Gates was a Big Ten All-Freshman pick.

The play of Cavanaugh's offensive lines helped Oregon State to record-setting offensive numbers and to bowl appearances in six of his 10 seasons in Corvallis. Behind the play of Cavanaugh's offensive line, quarterback Sean Mannion set single-season and career Pac-12 records for passing yards, completing his career in 2014.

Cavanaugh's players at Oregon State were regularly honored for their efforts. Andy Levitre, Jeremy Perry and Isaac Seumalo each garnered All-America honors under Cavanaugh, while 23 of his players earned all-conference honors. The offensive line play for Oregon State allowed the Beavers to have success both running and passing the football.

Cavanaugh was also a key part in directing some of the nation's top offenses at Hawaii while tutoring the offensive line from 1999 to 2004.

Cavanaugh served on the San Diego Chargers staff in 1997 and 1998 as an assistant offensive line coach. He had college assistant stops at Ferris State, Sacred Heart, Murray State, Alma College, Wesleyan (Conn.) and Albany.

JOHN PARRELLA

John Parrella is in his second season at his alma mater after returning to join Mike Riley's Nebraska staff as the defensive line coach in 2016. Parrella has made a fast rise in the coaching profession and brings a championship history as a player to the Husker staff.

In his first season, Parrella's impact was immediately felt. Despite losing a pair of defensive tackles to the NFL, Parrella's defensive front combined for 185 tackles, 17.0 sacks and 35 tackles for loss. The play of the line helped Nebraska rank in the top 35 nationally in total defense and scoring defense.

Senior end Ross Dzuris led NU with 5.5 sacks and 13 tackles for loss, while recording 49 tackles, eclipsing his career totals entering the year in all three categories. Fellow senior Kevin Maurice was the anchor of the line from his tackle spot, totaling 39 tackles, four sacks and seven tackles for loss. Both Dzuris and Maurice were named honorable-mention All-Big Ten.

A native of Grand Island, Neb., Parrella came to Nebraska after spending two seasons as the defensive line coach at Northern Michigan University. One of Parrella's linemen earned MVP honors in the game after recording 3.5 sacks.

Parrella first made his mark in coaching at Valley Christian High School in San Jose. Parrella started the varsity program at the school and guided the Vikings to four straight North Coast Section Division IV playoff appearances. In his first season, he led Valley Christian to the semifinals of the NCS playoffs.

The success in coaching followed Parrella's championship playing career at both the collegiate and professional levels. Parrella was an All-Big Eight selection as a defensive tackle at Nebraska and was a three-year letterwinner for Coach Tom Osborne and defensive line coach Charlie McBride.

Parrella served as a team captain during his senior season in 1992 and was a member of three Big Eight title teams during his career. In his senior season, Parrella was second on the team with 77 tackles, including 11.5 tackles for loss and five sacks, earning first-team all-conference honors. Parrella was also the 1992 Nebraska Lifter of the Year and was inducted into the Nebraska Football Hall of Fame in 2001.

After Nebraska, Parrella had an outstanding NFL career. A second-round draft pick of the Buffalo Bills in 1993, Parrella played 12 seasons in the NFL.

He was a part of three Super Bowl teams, one each with the Bills, San Diego Chargers and Oakland Raiders. DONTÉ WILLIAMS

CORNERBACKS | 1ST SEASON

Donté Williams was hired in December of 2016 as the Huskers' cornerbacks coach after spending the 2016 season at Arizona. Williams is generally regarded as one of the nation's top young defensive coaches and recruiters.

Williams will coach the Huskers' cornerbacks and sub-package specialists. Seniors Chris Jones and Joshua Kalu both return as starting cornerbacks, although Kalu will work at both safety and corner this fall.

In his one season at Arizona, Williams coached the cornerbacks and was credited for energizing the Wildcats' recruiting efforts. The recruiting efforts of Williams helped build a class that was among Arizona's best in recent years. While at Arizona, Williams' main areas of recruiting responsibility included Los Angeles and Houston.

Williams spent three seasons at San Jose State from 2013 to 2015. In his final two seasons with the Spartans, Williams was the recruiting coordinator in addition to his duties as the secondary coach. San Jose State excelled in pass defense under Williams, allowing an FBS-leading 117.8 yards per game in 2014 before finishing No. 2 in pass defense in 2015 at 153.6 yards per game.

The Spartans' defense made immediate improvement with Williams, who took over the entire secondary after coaching the cornerbacks in 2013. In his first season overseeing the entire secondary in 2014, San Jose State's total defense improved 56 spots in the FBS rankings, while passing yards allowed improved 74 spots and passing touchdowns allowed jumped 103 spots.

In addition to his on-field work, Williams earned recognition for bolstering San Jose State's recruiting efforts. In February 2015, Sports Illustrated named Williams a Top 10-recruiter in college football. He was also tabbed the top recruiter in the Mountain West Conference by 247 Sports in 2014.

Williams joined the Spartans after two seasons as a graduate assistant at the University of Washington in 2011 and 2012, where he worked with cornerbacks and linebackers. Williams was at the University of Nevada as an assistant linebacker coach in 2010.

Williams began his coaching career in 2007 as an assistant coach at Los Angeles Harbor College, and he worked one season each at El Camino College (2008) and Mt. San Antonio College (2009). In 2012, Williams completed a summer coaching internship with the Seattle Seahawks. Prior to the start of the 2014 season, he was a guest coach in the New Era All-Star Game in Japan.

A 2006 Idaho State University graduate, Williams played college football at Syracuse in 2003 and Idaho State in 2004 and 2005. Williams played two seasons in Arena Football League 2 (AFL2) for the Rio Grande Valley Dorados (2007) and Arkansas Twisters (2008). KEITH WILLIAMS

WIDE RECEIVERS | 3RD SEASON

Keith Williams is in his third season on the Nebraska coaching staff as the Huskers' wide receivers coach. Williams has extensive collegiate experience working with wideouts, coaching the position for the past 17 seasons.

Williams' receivers have a strong record of success, with eight of his products playing in the National Football League. Williams is also known for his prowess on the recruiting trail. In February of 2017, Williams was named one of Rivals.com's top 25 recruiters in the nation.

Williams has made his mark at Nebraska, producing excellent results in the passing game in his first two seasons. NU's veteran wideout group faced a rash of injuries in 2016, but combined for 138 catches, 2,130 receiving yards and 14 touchdowns. Senior receiver Jordan Westerkamp earned third-team All-Big Ten honors as a senior despite a series of injuries. 2017 NEBRASKA SEASON NOTEBOOK

NEBRASKA TO PLAY ATTRACTIVE HOME SCHEDULE

Nebraska posted a perfect 7-0 home record at Memorial Stadium in 2016, just the second undefeated record in Lincoln since 2001. This fall, Nebraska will play host to a strong seven-game home schedule as part of an attractive 2017 slate that includes nine Big Ten games.

The home schedule will be highlighted by matchups against 2016 College Football Playoff participant Ohio State, Big Ten West Division champion Wisconsin and Iowa. Northwestern and Rutgers will also visit during Big Ten play. In non-conference action, the Huskers will host Sun Belt champ Arkansas State to open the season and take on Northern Illinois to close non-league play.

Nebraska will also complete a home-and-home series with Oregon by visiting Eugene in the season's second game. The Huskers make Big Ten road trips to Illinois, Purdue, Minnesota and 2016 conference champion Penn State. Nebraska's 2017 schedule features games against seven teams that played in a bowl game last year.

DIACO TO LEAD NEW-LOOK HUSKER DEFENSE

Head Coach Mike Riley hired three new assistants on the defensive staff between December of 2016 and February of 2017. The group is led by new defensive coordinator Bob Diaco, while Donté Williams will coach the Husker cornerbacks and Scott Booker will tutor the NU safeties.

The winner of the 2012 Broyles Award as the nation's best assistant coach, Diaco is regarded as one of the top defensive minds in college football and has a proven track record of success at the highest level. Diaco comes to Nebraska after three seasons as the head coach at the University of Connecticut. Previous to guiding the Husky program he had a highly successful four-year run as the defensive coordinator at Notre Dame. Diaco has roots in the Big Ten, twice earning All-Big Ten honors as a linebacker at Iowa in the mid-1990s.

In 2015, the Connecticut defense was the key to the Huskies winning three of their final four regular-season games to reach the St. Petersburg Bowl. Diaco was the first head coach in UConn history to take the Huskies to postseason play just two years into his tenure.

Diaco was regarded as one of the nation's top coordinators during his time at Notre Dame from 2010 to 2013, when he led the Irish defense under Head Coach Brian Kelly. In addition to his defensive coordinator role, Diaco also held the title of assistant head coach in 2012 and 2013. During his four seasons in South Bend, the Fighting Irish defense allowed an average of 19.08 points per game, which ranked as the ninth-best average over that time among FBS programs.

Williams joined the Nebraska staff last December prior to the Music City Bowl and worked with the secondary during bowl preparation. Williams spent the 2016 season at Arizona, helping compile the Wildcats' top recruiting class in recent years. He previously coached the secondary at San Jose State, where the Spartans ranked among the nation's best against the pass under Williams' direction.

Booker brings 10 years of full-time FBS coaching experience to the Nebraska sideline, including five seasons on the Notre Dame coaching staff. Before being elevated to safeties coach in June, Booker served as a special teams consultant with the Huskers. In addition to his duties with the safeties, Booker will also coach Nebraska's special teams in 2017.

BLACKSHIRTS TO FEATURE VETERAN SECONDARY

The Nebraska secondary lost three-year starter Nathan Gerry at safety, but returns four players with significant starting experience. Seniors Joshua Kalu and Chris Jones have been the Huskers' starting cornerbacks for the majority of the past two seasons.

The Huskers moved the versatile Kalu to safety in the spring, and the Texas native could play either safety or cornerback this fall. Kalu (27) and Jones (20) have combined for 47 starts in the Nebraska secondary.

At safety, Nebraska features junior Aaron Williams and senior Kieron Williams who both have significant starting experience. Aaron Williams has been a starter in 14 career games, including 11 last season, while Kieron Williams started nine games a year ago. Junior Antonio Reed also brings experience to the safety spot.

Kalu in particular heads into his senior season in position to leave his mark in the Husker record book.

Senior Joshua Kalu totaled a career-high 66 tackles with a team-high 11 pass breakups in 2016. The versatile Kalu could see time at either safety or cornerback this fall.

- Kalu has 168 career tackles heading into 2017, the second-most career tackles for a cornerback in NU history. If Kalu continues at corner in 2017, he is likely to break the cornerback tackles record of 192, held by All-American Keyuo Craver. Kalu has 119 unassisted tackles in his career, 44 shy of the position record. Regardless of his position, Kalu is in line to become just the sixth Husker defensive back to post 200 career tackles.

HUSKER OFFENSE SEEKS NEW PLAYMAKERS

Nebraska is tasked with replacing its leading passer (Tommy Armstrong Jr.), rusher (Terrell Newby) and receiver (Jordan Westerkamp) from the 2016 season. The last time the Huskers had to replace the previous season's leader at each of those three skill positions was in 1984, when Nebraska replaced the "triplets" of quarterback Turner Gill, Heisman Trophy-winning running back Mike Rozier and wide receiver Irving Fryar, the No. 1 pick in the 1984 NFL Draft. Gill, Rozier and Fryar helped the Huskers average nearly 550 yards of total offense and more than 50 points per game in 1983.

At quarterback, Armstrong became the first Husker to lead Nebraska in passing for four consecutive seasons in 2016 en route to becoming the Huskers' all-time passing leader and all-time total offense leader. Junior Tanner Lee is expected to replace Armstrong, as Lee was named the starter following a spring battle with redshirt freshman Patrick O'Brien. Lee was Nebraska's Scout Team Offensive MVP in 2016, when he sat out the season due to NCAA transfer rules. In two seasons at Tulane, Lee threw for 3,601 yards, nearly matching Armstrong's total from his first two seasons as Nebraska's starting quarterback (3,661).Br

At running back, Nebraska must not only replace Newby - the Huskers' leading rusher in 2015 and 2016 - but also Armstrong, who was second on the team in rushing last season. Nebraska brings back three talented and experienced running backs in juniors Devine Ozigbo and Mikale Wilbon and sophomore Tre Bryant, with the trio combining to rush for 699 yards last fall. Ozigbo has gained 621 rushing yards in his two seasons at Nebraska, while Wilbon has averaged 8.2 yards per carry in his career and Bryant ran for 172 yards as a true freshman last season.

At wide receiver, NU must replace three of its top four receivers from last season including Westerkamp, who finished second all-time at Nebraska with 167 career catches and fourth with 2,474 career receiving yards. The Huskers return a pair of veteran wideouts in senior De'Mornay Pierson-El and junior Stanley Morgan Jr., who combined for 53 catches, 707 receiving yards and three touchdowns last season. The unit will also be bolstered by several new faces, including JD Spielman, the 2015 Minnesota Player of the Year who sat out last season as a redshirt, and a pair of highly regarded true freshmen in Tyjon Lindsey and Jaevon McQuitty. Lindsey and McQuitty were ranked among the nation's top 50 wide receivers in the 2016 recruiting class, with Lindsey being ranked among the top 10 receivers nationally.

NEBRASKA LOOKS TO WIN RUSHING BATTLE IN 2017

The ability to win the running game battle was a key to victory for the 2016 Huskers, and Nebraska will make a strong running game a focus again this fall.

- Nebraska was a perfect 8-0 in 2016 when holding an advantage in rushing yards. The Huskers are 11-0 under Head Coach Mike Riley when out-rushing the opposition.
- Stopping the run also keyed Nebraska victories last fall. The Blackshirts held five opponents to 88 or fewer rushing yards last season, winning each of those five contests.
- In two seasons under Coach Riley, Nebraska is 8-0 when rushing for 200 yards or more, including 4-0 in 2016.
- When the Husker run game was at its best, it allowed Nebraska to control the clock. Nebraska ranked fourth in the Big Ten in time of possession at more than 32:00 per game and held the ball for at least 35 minutes four times in 2016.

VETERAN RECEIVING DUO TO LEAD PASSING ATTACK

Nebraska will have just its third new full-time starting quarterback since 2010 this fall, with junior Tanner Lee expected to be the starter after a spring battle with redshirt freshman Patrick O'Brien. Whomever quarterbacks the Husker offense will have the luxury of two veteran and proven receivers to lead the receiving corps.

- Senior De'Mornay Pierson-El and junior Stanley Morgan Jr. have extensive playing experience and both appear poised for big roles in the offense in 2017. Pierson-El earned All-America honors as a punt returner in 2014 and has shown flashes of his potential as a receiver. Pierson-El has 55 career catches for 686 yards and six touchdowns.
- Morgan was Nebraska's second-leading receiver last season with 33 catches for 453 yards and a pair of touchdowns. He enters his junior season with 58 career catches for 757 yards.
- Both players are on track to join the 1,000-yard receiving club this season and both could challenge the top 10 in career yardage and receptions by season's end.

2017 HUSKERS FEATURE PROMINENT FATHERS

Husker fans could see some famous faces at Nebraska games this fall, as three freshmen feature prominent fathers.

- Redshirt freshman JD Spielman is the adopted son of Minnesota Vikings General Manager Rick Spielman, and JD's uncle is former Ohio State All-America linebacker and NFL standout Chris Spielman, who now serves as a college and NFL analyst for Fox Sports.
- Freshman fullback Ben Miles is the son of former national championship head coach Les Miles. Les compiled a 141-55 record in 15 seasons as a head coach at Oklahoma State and LSU. He led the Tigers to the 2007 national title and an appearance in the 2011 BCS National Championship Game.
- Freshman wide receiver Kade Warner is the son of former two-time NFL MVP Kurt Warner, a 2017 NFL Hall of Fame inductee. In addition to a distinguished Arena Football League career, Kurt enjoyed a 12-year NFL career with the St. Louis Rams and the Arizona Cardinals. He threw for more than 32,000 yards in his career and ranks seventh in NFL history with an average of 260.8 passing yards per game. Kurt was also a four-time Pro Bowler, a two-time NFL MVP (1999 & 2001) and the Super Bowl XXXIV MVP.

KICKER BROWN CONTINUES FAMILY TRADITION

Place-kicker Drew Brown returns for his senior season in 2017 after three solid seasons as the Husker starter. One of the nation's top kickers since 2014, Brown earned honorable-mention All-Big Ten recognition in 2016 and was a second-team all-conference pick in 2015. Brown will be a leading contender for the Lou Groza Award and other conference and national honors in 2017.

Drew Brown enters his senior season third all-time at Nebraska with 47 career field goals and seventh with 282 career points.

Brown connected on 12-of-14 field goals in 2016, including 9-of-10 in the final six games. His streak of 13 straight made field goals ended against Illinois when he was just short on a career-long 56-yard attempt. The 13 straight field goals marked the third-longest streak in Nebraska history.

- Brown has 47 field goals in his Nebraska career, which ranks third in school history. He is 10 field goals behind his brother, Kris, for second on the NU career field goals list and trails career record holder Alex Henery by 21 field goals.
- Brown has 282 career points to rank seventh in NU history. He is 18 points from becoming the sixth Husker to crack the 300-point barrier. Brown is on pace to finish third in school history in scoring and could challenge his older brother for second place on the scoring list at 388 points. Alex Henery holds the school record with 397 career points.
- Brown connected on a career-long 51-yard field goal against Purdue last season and has made 19 field goals of at least 40 yards in his career. He is 17-of-24 in his career from 40-49 yards, including 12-of-14 in 2015.
- Brown scored 107 points as a sophomore after posting a freshman-record 101 points in 2014. He was the first player in NU history with 100-point seasons as both a freshman and sophomore.
- His 13 field goals of at least 40 yards in 2015 tied for the most nationally.
- Brown's 21 field goals in 2015 were second on the NU season list. He made each of his last 11 attempts, with nine of those from at least 40 yards.
- Brown made five field goals against Southern Miss in 2015, all in the first half. The five field goals in a half tied an NCAA record. The five field goals were the most ever by a Husker in Lincoln, and tied a Memorial Stadium record held by two opposing kickers. The five field goals marked the third time in NU history a kicker had five or more field goals.

Nebraska averaged 90,200 fans for seven home games in 2016 to rank 10th nationally in average attendance. The 2016 season marked the fourth straight year NU ranked 11th or higher in average attendance. One of the most remarkable streaks in college sports continued in 2016. Nebraska has sold out every game at Memorial Stadium since Nov. 3, 1962, a streak of 354 consecutive sellouts, 98 more than second-place Notre Dame.

- Nebraska owns a 303-51 (.856) record during the sellout streak.
- The overall attendance during the streak is nearly 27 million fans.

- Nebraska's 10 full-time head coaches boast a combined 190 years of collegiate coaching experience, including 113 seasons at a Power Five Conference.
- The Husker staff also features four coaches with a combined 14 years of NFL coaching experience including Mike Riley (three seasons as an NFL head coach and one season as an NFL assistant coach), Reggie Davis (four seasons as an NFL assistant), Danny Langsdorf (four seasons as an NFL assistant) and Mike Cavanaugh (two seasons as an NFL assistant).
- Nebraska welcomes three new additions to its full-time coaching staff for the 2017 season. Bob Diaco takes over as the Huskers' defensive coordinator, while Scott Booker will coach NU's safeties and Donté Williams will tutor the Husker cornerbacks.

ROSTER NOTES

- Nebraska features a 129-player roster to open fall camp. The roster is unofficially the third-largest roster in the country behind Army and Navy.
- Nearly two-thirds of the Huskers' 2017 roster are underclassmen, as 83 of Nebraska's 129 players are either freshmen or sophomores.
- NU could have its first-ever letterwinner from the state of Delaware this fall, as freshman linebacker Avery Roberts (Wilmington, Del.) is in the mix to see action as a true freshman after enrolling at Nebraska in January. The Huskers have had a letterwinner from 45 of the 50 states (every state except Delaware, Idaho, Kentucky, New Hampshire and Rhode Island).

ACADEMIC NOTES

- Nebraska has always placed an emphasis on academic success, as the Husker football program has produced more CoSIDA Academic All-Americans than any other sport in NCAA history. With that emphasis, it has become a trend in recent years for many NU football players to earn their degree before playing in their final game.
- Two Huskers - defensive lineman Joel Lopez and wide receiver Gabe Rahn - earned their degrees in May and will play the 2017 season as graduate students. Fullback Harrison Jordan could join that duo this fall, as he is on track to earn his degree in August.
- As many as 17 Huskers could earn their degree by the end of the fall semester. That would continue an impressive recent early graduation trend for Nebraska, as 39 of the 50 players in Mike Riley's first two senior classes obtained their degree before playing in their final bowl game.

SCHEDULE NOTES

- Nebraska will play seven games against teams that played in a bowl game last year, including Ohio State (Fiesta Bowl - College Football Playoff Semifinal), Penn State (Rose Bowl) and Wisconsin (Cotton Bowl), all of whom played in a New Year's Six Bowl last season.
- The Huskers will face three teams who won 11 games last season in Ohio State (11-2), Penn State (11-3) and Wisconsin (11-3). All three of those teams also finished the 2016 season with a top-10 ranking in the AP poll, as Ohio State was sixth, Penn State was seventh and Wisconsin was ninth.
- Nebraska will play five conference home games for the first time in program history this fall, as all seven Big Ten West Division teams will play five league games at home and four on the road.
- NU will play five of its seven home games against teams who qualified for a bowl game last season, including each of the final four home games.
- Nebraska will play all five of its road games this season against Power Five Conference opponents. The Huskers will take on Oregon in Eugene on Sept. 9 in the program's second-ever game in the state and first since a 28-13 win over the Ducks on Sept. 27, 1952.
- In Big Ten play, NU will travel to Illinois (Sept. 29), Purdue (Oct. 28), Minnesota (Nov. 11) and Penn State (Nov. 18). The Huskers will be seeking their first win at Illinois since 1986 and first win at Purdue since 1958.

NEBRASKA TO HONOR 1997 NATIONAL TITLE TEAM

Nebraska will celebrate the 20th anniversary of the 1997 national championship team this season, culminating with a team reunion on Oct. 7 when the Huskers host Wisconsin at Memorial Stadium.

- The 1997 Huskers (13-0) won the fifth national title in school history and third in four years. Nebraska was voted No. 1 in the coaches' poll, while Michigan (12-0) was voted No. 1 in the Associated Press poll.
- The 1997 season marked Tom Osborne's final season on the Husker sideline, as the Hall-of-Fame coach capped his career with a 42-17 win over No. 3 Tennessee in the Orange Bowl. Osborne ended his 25-year career with a 255-49-3 record, 13 conference championships and three national titles.
- Nebraska's senior class capped a remarkable run with its 1997 national title. In their four seasons, the Husker seniors compiled a 49-2 record with three undefeated national championship seasons.

NU AMONG NATION'S TOP ALL-TIME PROGRAMS

Nebraska is in its 127th season of college football and owns an 889-372-40 all-time record in 1,301 games (.699). Since 1970, NU has a 455-130-5 record (.775).

- Nebraska is one of 10 programs with 800 all-time victories, ranking fourth in NCAA history with 889 wins.
- NU is the nation's winningest program over the last 40, 50 and 60 years.
- Nebraska was the first team in NCAA history to win 100 games in consecutive decades, leading the nation with 103 wins in the 1980s and ranking second with 108 wins in the 1990s.

NEBRASKA AMONG LEADERS IN NATIONAL TITLES

Nebraska has won five national titles in program history - all since 1970 - as the Huskers have won the second-most national titles since 1970. NU also ranks highly in most Associated Press national championship and most coaches' poll national titles. The Huskers have won four AP and four coaches' poll national championships. In 1997, Nebraska was crowned national champion by the coaches, but NU finished second to Michigan in the AP poll. In 1970, Nebraska was awarded the AP national title, but Texas was No. 1 in the coaches' poll, as the coaches released their final poll prior to the bowl games. 2017 OUTLOOK

Freedom Akinmoladun has been a fixture on the Nebraska defensive front during the past two seasons and is expected to play a key role in the Huskers' move to a 3-4 defense in 2017. Akinmoladun is expected to play one of the end spots in the odd front and has added more than 10 pounds of muscle to his 6-4 frame since the end of the 2016 season.

Akinmoladun has exhibited a quick first step as a pass rusher, ranking among the top two on the team in sacks each of the past two seasons. He also has the strength to hold the edge against the opponent run game. Akinmoladun's best performances came near the end of his sophomore season, and he is poised for a strong junior campaign.

Akinmoladun began his Husker career at tight end before switching to defense during his redshirt season. Off the field, he was an Academic All-Big Ten selection in both 2015 and 2016.

2016 (SOPHOMORE)

Akinmoladun started all 13 games at the defensive end spot. He made 32 overall tackles, including five tackles for loss. His four sacks were tied for second on the team. Akinmoladun also led the defense with 10 quarterback hurries. He had five games with four or more tackles.

Akinmoladun had five tackles at Ohio State and made four tackles, including a tackle for loss in the win over Minnesota. He had five tackles and a career-high two sacks for 15 yards in the home finale against Maryland. Akinmoladun also had two hurries against the Terrapins. He closed the year with four tackles and a hurry against Tennessee.

2015 (REDSHIRT FRESHMAN)

Akinmoladun played in 11 games and made four starts at the defensive end position. He was one of four ends in the regular rotation and finished the year with 21 tackles. He had a team-high 4.5 sacks, tied for second on the team with seven tackles for loss and had four quarterback hurries.

Akinmoladun opened the year with a sack against BYU, then added two tackles for loss a week later against South Alabama. He had a career-high six tackles at Miami, including five solo stops, and registered a 12-yard sack against the Hurricanes. He closed non-conference play with four tackles, including two sacks for 17 yards in a win over Southern Miss. His sack on the game's final play secured the Husker victory.

Akinmoladun opened Big Ten play with two tackles and a half-sack at Illinois, before missing the next two games with a knee injury. He added two tackles each against Northwestern and Purdue.

2014 (REDSHIRT)

Akinmoladun redshirted in his first season at Nebraska in 2014, and spent the majority of his time working at tight end.

BEFORE NEBRASKA (GRANDVIEW HS)

Akinmoladun earned second-team Class 4 all-state honors from the Missouri Football Coaches Association during his senior season at Grandview High School. He caught 23 passes for 387 yards and two touchdowns, while he also recorded 26 tackles and five tackles for loss from his defensive end position. Akinmoladun helped Coach Andy Leech's team to a 5-6 record and a trip to the second round of the Class 4 playoffs.

In 2012, Akinmoladun caught 14 passes for 331 yards and a touchdown, and also made a big impact on defense with 85 tackles, 15 tackles for loss and four sacks. Akinmoladun earned third-team all-state honors as a sophomore.

Akinmoladun was ranked as one of the top 30 tight ends in the nation and among the top 15 players in Missouri according to both Rivals.com and 247Sports. Akinmoladun was also one of the top rebounders for the Grandview basketball team. Akinmoladun only visited Nebraska after his commitment, but also had offers from Illinois, Iowa, Kansas, Kansas State and Northern Illinois.

PERSONAL

Akinmoladun was born on Feb. 11, 1996, and is the son of Sherryee Akinmoladun. He is majoring in psychology and is a two-time member of the Nebraska Scholar-Athlete Honor Roll.

He also has distinguished himself in the community, earning spots on the Brook Berringer and Tom Osborne Citizenship Teams in 2015, 2016 and 2017 for his outreach work, while also earning Nebraska Student-Athlete HERO Leadership Awards in 2015 and 2016. Akinmoladun has volunteered his time with Uplifting Athletes, School is Cool, NFL Fuel Up to Play 60, Husker Heroes, Husker Hotline, the Lincoln Marathon and local school, hospital and community center outreach visits. 2017 OUTLOOK

Drew Brown returns for his senior season in 2017, marking his fourth year as the Huskers' starting kicker. Brown has earned all-conference honors each of the past two seasons and will head into his senior year as a contender for the Lou Groza Award as well as conference and national accolades.

The 5-11, 200-pound Brown connected on 12-of-14 field goals while being perfect on 38 PAT attempts in 2016. Brown topped the century mark in scoring in each of his first two seasons, becoming the first player in school history with at least 100 points as both a freshman and sophomore.

He enters the 2017 season with 282 career points to rank seventh in school history and fourth among kickers. Brown is on pace to finish third in school history in scoring and has an outside chance of challenging the school record. Brown's 47 career field goals are third in Nebraska history, 21 shy of Alex Henery's school record.

Brown has also used his strong leg in handling the Huskers' kickoff duties the past three seasons. Brown has continued a family tradition of outstanding kicking at Nebraska. 2017 OUTLOOK

Junior Nick Gates returns to anchor the Nebraska offensive line in 2017. A two-year starter at tackle, Gates is once again expected to lock down the left side in 2017. The 6-5, 295-pound Gates is the most experienced and game-tested returnee on the Nebraska offense, having started 23 games, including all 13 contests in 2016.

The play of Gates was a key reason Nebraska allowed the fewest sacks in the Big Ten in 2016, after ranking second in that category during Gates' freshman season in 2015. The Las Vegas native has the ideal size and tenacity for an offensive tackle and combines those traits with outstanding footwork and athleticism. A third-team All-Big Ten choice as a sophomore, Gates is primed to contend for bigger honors in 2017.

2016 (SOPHOMORE)

Gates held down the left tackle spot and was one of two offensive linemen to start all 13 games in 2016. He earned third-team All-Big Ten honors from the media and was an honorable-mention pick by the coaches.

Gates led an offensive line that ranked first in the Big Ten in protecting the passer, allowing just 15 sacks on the season. The offensive line paved the way for Nebraska to top 550 yards of total offense against both Wyoming and Northwestern, while rushing for more than 200 yards four times on the season.

The play of the line also allowed senior quarterback Tommy Armstrong Jr. to become Nebraska's all-time leader in passing yards, total offense and total touchdowns. Individually, Gates was named ProFootball.com's top run-blocking offensive lineman in the country during Week 1.

2015 (REDSHIRT FRESHMAN)

Gates was Nebraska's regular starter at right tackle, helping the Huskers rank among the Big Ten leaders in scoring, passing and total offense. Gates started all 10 games he played, while missing three games at midseason with a high ankle sprain.

Gates' play at right tackle was also critical to Nebraska providing strong pass protection throughout the year. The Husker offensive line gave up just 14 sacks in 13 games to rank ninth in the nation and second in the Big Ten in fewest sacks allowed. Gates helped power Nebraska to 326 rushing yards in the bowl victory over UCLA, earning him a spot on the BTN All-Bowl team.

2014 (REDSHIRT)

Gates redshirted and worked on the scout team offensive line.

BEFORE NEBRASKA (BISHOP GORMAN HS)

Gates was a dominant force on the offensive line for Coach Tony Sanchez at Bishop Gorman High, helping his team to three straight state titles. As a senior, Gates helped the offense average better than 275 rushing yards per game en route to a 13-2 record and a Division I state championship. Gates also saw time on defense, recording 13 tackles, a tackle for loss, three breakups and a fumble recovery. Gates earned first-team All-Nevada honors from the Las Vegas Review-Journal and was an All-Southwest League pick.

Gates earned second-team all-state honors from the Review-Journal in 2012, helping Gorman to a 13-1 record, including a 63-10 victory in the state title game. Bishop Gorman was a perfect 16-0 in the 2011 season and averaged more than 280 rushing yards per game.

Gates was regarded as the top player in Nevada and one of the top 25 offensive tackles in the country. Gates also visited Texas A&M, and had offers from dozens of schools, including Alabama, Arizona, Arizona State, Baylor, Colorado, Duke, Oklahoma, Oregon, Oregon State, UCLA, Washington and Washington State. Gates was also a standout player for Bishop Gorman's state championship baseball team.

2017 OUTLOOK

Stanley Morgan Jr. heads into his junior season looking to become a go-to-receiver in the Husker passing attack. The 6-1, 195-pound Morgan has been a key member of the receiving corps the past two seasons, but with the graduation of three veteran receivers, Morgan and senior De'Mornay Pierson-El will be called on to step into a leadership role among the wideout group. The receivers will be catching passes from a new quarterback this season, as Tanner Lee is expected to take the reins of the Husker offense.

Morgan was Nebraska's second-leading receiver last season with 33 catches with at least one reception in every game and seven games with at least three catches. Morgan has the size, speed and competitiveness to continue to develop into an elite receiver in the second half of his NU career.

Morgan enters his junior year with 58 catches and 757 receiving yards, putting him on pace to challenge for the top five in those categories by the end of his Husker career. Morgan earned immediate playing time as a true freshman in 2015 and garnered a spot on the BTN.com All-Freshman team.

2016 (SOPHOMORE)

Morgan played in all 13 games with nine starts. He had 33 receptions for 453 yards, an average of 13.7 yards per catch. He caught a pair of touchdown passes, including a career-long 72-yard catch for a touchdown at Indiana.

Morgan opened the season with a single catch against Fresno State and two receptions against Wyoming. He had three catches for 35 yards against Oregon, starting a streak of four straight games with at least three receptions. He had four receptions for 33 yards at Northwestern and three catches each against both Illinois and Indiana. His 72-yard catch and run for a touchdown at Indiana gave the Huskers a 24-15 fourth-quarter lead en route to a five-point NU win.

Morgan had a career-high five catches for 58 yards at Wisconsin, including four catches for 56 yards in the fourth quarter as Nebraska rallied to force overtime. He had 56 receiving yards at Ohio State and caught a 13-yard touchdown pass at Iowa. He had three catches for 28 yards in the Music City Bowl.

2015 (FRESHMAN)

Morgan played in all 13 games with three starts. He caught 25 passes for 304 yards and three touchdown receptions. Morgan was also NU's top kickoff return threat with 14 returns for 324 yards, an average of 23.1 yards per return.

Morgan caught at least two passes in each of the four non-conference games, highlighted by season highs of four receptions for 78 yards at Miami. His first career touchdown reception came against the Hurricanes, an eight-yard grab with 33 seconds remaining to send the game to overtime. He also had three kickoff returns for 71 yards against Miami.

Morgan had three catches for 26 yards, including a 20-yard touchdown catch at Purdue. He also had an NU season-long 42-yard kickoff return in the game. He had three catches against both Michigan State and Iowa, and had 89 yards on three kickoff returns against the Spartans. Morgan had two catches for 31 yards against UCLA in the Foster Farms Bowl. His 22-yard third-quarter touchdown catch gave Nebraska the lead for good in the game.

BEFORE NEBRASKA (ST. AUGUSTINE HS)

Morgan Jr. was a three-year standout for St. Augustine High School in New Orleans. He finished his senior season with 46 catches for 891 yards and eight touchdowns despite missing two games. His play helped Coach Cyril Crutchfield's team to a berth in the Class 5A state playoffs. Morgan was chosen as a first-team Class 5A all-state performer for his play as a senior.

Morgan produced big numbers as a junior, helping St. Augustine to a 9-2 record and a trip to the state semifinals. Morgan had 66 receptions for 1,077 yards and 13 touchdowns. He was named a second-team Class 5A all-state pick by the Louisiana Sportswriters Association.

Morgan first showed his play-making ability as a sophomore in 2012. He caught 61 passes for 806 yards and 13 touchdowns, helping St. Augustine to a state semifinal appearance and a 9-4 overall record.

Morgan was ranked among the top 30 receivers in the nation by both Rivals.com and ESPN. Rivals ranked him as the No. 11 prospect in Louisiana, and the 247 composite rankings listed him as the No. 21 recruit in the state.

Morgan only visited Nebraska, but had numerous offers including Clemson, Georgia, Florida, Michigan State, Mississippi State, Ole Miss, Ohio State, Tennessee, Utah and UCLA. Morgan also played basketball and was a member of the National Honor Society.

2017 OUTLOOK

Senior De'Mornay Pierson-El hopes for an explosive and healthy final season with the Huskers in 2017. Pierson-El possesses electrifying play-making ability as a punt returner and is expected to be a primary receiver in the Husker passing game. The 5-9, 190-pound Pierson-El is an excellent fit in Nebraska's versatile offense and brings ample game experience to a wideout group that lost three fifth-year seniors to graduation.

Pierson-El had a productive 2016 campaign as a receiver and return man, but was still slowed by a knee injury he suffered in 2015. Pierson-El hopes to recapture the game-breaking style that earned him All-America honors as a punt returner as a freshman in 2014, when he was named a second-team All-America selection and a freshman All-American by several organizations. He was a second-team Football Writers Association of America honoree, becoming the first Husker freshman to make the FWA All-America team.

Pierson-El is poised to join the Huskers' 1,000-yard receiving club this fall. He also has 812 career punt return yards to rank fifth in school history and just 188 yards from becoming the third player in NU history with 1,000 punt return yards. Pierson-El has eight career returns of at least 25 yards.

A communication studies major, Pierson-El is on track to graduate in December.

2016 (JUNIOR)

Pierson-El had a 45-yard punt return late in the first half against Oregon to set up a touchdown and ignite an NU rally. He had three receptions for 31 yards at Northwestern and added a 27-yard punt return against Illinois.

Pierson-El notched his only touchdown against Purdue on a 40-yard catch in the third quarter, giving NU the lead for good. He caught three passes for a season-high 69 yards in that game. He also had three catches and rushed for 21 yards against Minnesota. Pierson-El closed the season with a season-high five receptions for 49 yards against Tennessee.

2015 (SOPHOMORE)

He had a season-high five catches against Northwestern.

2014 (FRESHMAN)

Pierson-El played in all 13 games, making six starts at receiver. He ranked second nationally by averaging 17.5 yards per punt return. His 596 total punt return yards topped the nation by nearly 200 yards and ranked third on the NU single season

charts. Pierson-El tied for the national lead with three punt returns for touchdowns - one shy of the NU record. He also had two of the eight longest punt returns in the nation in 2014 (86 and 80 yards).

He caught 23 passes for 321 yards and four touchdowns, with 17 receptions in the final four games, including an NU bowl-record eight catches for 102 yards and a touchdown against USC. He added 10 kickoff returns for 147 yards.

Pierson-El earned Big Ten Special Teams Player-of-the-Week honors at Fresno State when he had five punt returns for 150 yards. He had an 86-yard touchdown return in the second quarter, the seventh-longest in NU history and the longest ever for a Husker freshman. He added a 51-yard return later in the quarter.

Pierson-El's second punt return touchdown came at Michigan State on a 62-yard fourth-quarter return. Pierson-El had three catches for 66 yards at Northwestern, including a career-long 46-yard reception. He also threw a 16-yard touchdown pass to Tommy Armstrong Jr. to become the first Husker since Bobby Newcombe in 2000 to score touchdowns on a punt return, reception and also throw for a touchdown.

He opened the scoring against Purdue with a 17-yard touchdown catch and added a 42-yard punt return against the Boilermakers. He caught four passes for a then-career-high 87 yards against Minnesota, including his third receiving touchdown.

Pierson-El is active in the community volunteering his time with Uplifting Athletes, Make-A-Wish, Nebraska's Sportsmanship Rally, the Lincoln Marathon and numerous school and hospital visits. Pierson-El has been named to the Brook Berringer Citizenship Team and Tom Osborne Citizenship Team each of the past three years. He also received a HERO Leadership Award in 2015.

2017 OUTLOOK

Junior Mick Stoltenberg will be a centerpiece of the Nebraska defense in 2017 after playing a leading role on the defensive front a year ago. Stoltenberg is the leading candidate to take over the nose tackle role in Nebraska's new 3-4 defensive scheme.

Stoltenberg has been one of Nebraska's most tenacious players and hardest workers during his Husker career. He added nearly 20 pounds of muscle in the offseason to prepare for his new role.

The Gretna native had a solid 2016 campaign after returning from a knee injury suffered in December of 2015. Stoltenberg was slowed early in the season by another minor injury, but rebounded to make a strong impact in the second half of the year. Stoltenberg joined the program as a defensive end, but has added more than 65 pounds since his arrival in the Husker program.

Off the field, Stoltenberg was an Academic All-Big Ten choice in 2016. A management major, he is on track to graduate in December of 2017.

2016 (SOPHOMORE)

Stoltenberg played in 12 games and made nine starts at defensive tackle alongside senior Kevin Maurice. Stoltenberg missed the Wyoming game with an injury, but returned to action a week later and was back to full strength for the majority of conference play. Stoltenberg had 25 tackles, including three tackles for loss and 1.5 sacks.

Stoltenberg had two tackles each against Fresno State, Northwestern and Illinois in the early season, with both of his stops at Northwestern coming behind the line of scrimmage, including half of a sack. He made three tackles against Purdue and had a career-high six tackles, including a three-yard sack at Wisconsin. He added four tackles against Minnesota and two tackles each against Maryland and Iowa.

2015 (REDSHIRT FRESHMAN)

Stoltenberg played in nine games, adding depth at defensive tackle, while serving on the Huskers' punt unit. Stoltenberg had two solo tackles, including a six-yard sack against South Alabama. He also had a tackle against Iowa on punt coverage, and recovered a fumbled Hawkeye punt to set up a Nebraska touchdown.

2014 (REDSHIRT)

Stoltenberg redshirted in his first year in the program.

BEFORE NEBRASKA (GRETNA HS)

Stoltenberg primarily played tight end and defensive end for Coach Chad Jepsen at Gretna. Stoltenberg had his senior season cut short, suffering a knee injury early in the year. As a junior, Stoltenberg helped the Dragons to a 9-2 record and a trip to the second round of the state playoffs. He played a key role at tight end while recording nine sacks from his defensive end position. Stoltenberg also threw the discus for the Gretna track and field team.

Stoltenberg was ranked as the No. 3 player in Nebraska by Rivals.com, which also listed him among the top 50 offensive tackle prospects in the country. On defense, 247Sports ranked him among the top 55 defensive ends in the country. Stoltenberg only visited Nebraska, but he also had scholarship offers from Ohio, Tulsa and Army, among others.

PERSONAL

The son of Alan and Sondra Stoltenberg, Mick was born on Jan. 25, 1996. He is a five-time member of the Nebraska Scholar-Athlete Honor Roll. TOM OSBORNE

HEAD COACH, 1973-97
RECORD: 255-49-3 (.836, 6TH ALL-TIME)

The field inside Memorial stadium is called Tom Osborne Field in honor of a man, who in 25 seasons, built a total program based on more than winning.

Osborne's coaching career came to a poetic end in the 1998 Orange Bowl. In his final game, the Huskers defeated No. 3 Tennessee, 42-17, giving him a share of a third national title in his final four seasons. The victory left Osborne as the first coach in college football history to retire as a reigning national champion, along with the nation's best active winning percentage (.836, 255-49-3), which ranks sixth all-time among Division I coaches.

Osborne guided the Huskers to back-to-back titles in 1994 and 1995, then capped his career by sharing the 1997 title with Michigan. Nebraska's back-to-back national titles in 1994-95 made Osborne the first coach to accomplish that feat since Bear Bryant in 1978-79. Under Osborne, NU became just the second school all time to post back-to-back perfect national championship seasons. In fact, Osborne's last five Nebraska teams put together the best five-year run in collegiate football history with an amazing 60-3 record.

Osborne-coached Nebraska teams captured 13 conference crowns and all 25 of his Husker teams won at least nine games and went to a bowl. Achievements of that magnitude earned Osborne an immediate ticket to the College Football Hall of Fame in December of 1998, after it waived the customary three-year wait for entrance into the hall. The Memorial Stadium field was re-named Tom Osborne field in 1998.

A Hastings, Neb., native, Osborne served Nebraska for three terms in the U.S. House of Representatives. Osborne served as Nebraska's Athletic Director from 2007 through 2012.

BOB DEVANEY

HEAD COACH, 1962-72
RECORD: 101-20-2 (.829, 13TH ALL-TIME)

One man tops the list of people responsible for the success of the University of Nebraska athletic teams – Bob Devaney. For 35 years he was the driving force behind the University of Nebraska championships, first as a Hall of Fame football coach (1962-72), then as Athletic Director (1967-93) and Athletic Director Emeritus (1993-96). Devaney retired in 1996 and lived in Lincoln until he passed away at the age of 82 on May 9, 1997.

Devaney's mark will remain forever. The memories of the storybook national championship seasons of 1970 and 1971 will continue to inspire generations of Husker fans for years to come. His commitment to building one of the nation's best athletic programs is reinforced with every athletic and academic honor earned by Husker student-athletes.

From the time he took over athletic director duties in 1967, to his final year in 1993, his vigor, enthusiasm and administrative excellence earned him a reputation as one of the nation's outstanding athletic directors. Those characteristics helped make him a football coaching legend. A 1981 inductee into the National Football Foundation and College Football Hall of Fame, under Devaney's leadership Nebraska developed one of the nation's most successful all-around athletic programs.

During his 11-year stint as Husker football coach, Devaney's teams won 101 games, lost only 20 and tied two for an .829 winning percentage. His career mark of 136-30-7 (.806) ranked him as the nation's winningest active coach at the time of his retirement in 1973. Today, he ranks 12th on the all-time list, six spots behind the man he tabbed as his replacement, Tom Osborne.

In all, his Husker gridiron teams won eight Big Eight titles and two national championships (1970, 1971) and went to nine bowl games. He had three straight Orange Bowl wins, two Outland Trophy winners, a Lombardi Award winner and a Heisman Trophy winner. Twice his teams won four consecutive Big Eight titles, 1963-66 and 1969-72.

NATION-LEADING 17 NCAA TODAY'S TOP TEN AWARDS

The highest honor the NCAA can bestow on a student-athlete is The NCAA Today's Top 10 Award. The award is based not only on outstanding athletic accomplishments, but on excellent academic records and leadership ability in community and campus activities.

The University of Nebraska earned its NCAA-leading 17th Top 10 Award in January of 2014 when women's tennis standout Mary Weatherholt was recognized at the NCAA honors dinner. Weatherholt was the NCAA singles runner-up in 2013. She was Nebraska's first Top 10 honoree since 2008.

The Husker football program has nine of Nebraska's 17 Top 10 Award winners, most recently All-America rush end Grant Wistrom who was a 1998 honoree. Wistrom's selection gave Nebraska nine Top 10 honorees in the 1990s. Two Huskers received the award in both 1990 and 1991, the only times that a school had more than one student-athlete honored. Nine of Nebraska's Top 10 picks were football players, making the Husker grid program the most decorated in the country.

In the 1990s, six Husker football players were awarded the Top 10 honor, including Aaron Graham (1996), Rob Zatechka (1995), Trev Alberts (1994), Pat Tyrance (1991) and Jake Young (1990). Randy Schleusener (1981) was the first Husker to win the award, followed by Dave Rimington (1983) and Mark Traynowicz (1985).

Nebraska's success in the classroom also extends to other sports. Along with nine football players who have won the Top 10 Award, four Husker volleyball players (Sarah Pavan-2008, Virginia Stahr-1990, Janet Kruse-1992, Nancy Metcalf-2002), two men's gymnasts (Tom Schlesinger-1989, Patrick Kirksey-1991), one women's gymnast (Richelle Simpson-2005) and one women's tennis player (Weatherholt-2014) have also claimed the honor.

VARSIITY LETTERMAN LIST

NOTE: The following list is as complete and accurate as historical records allow. Corrections and additions will be made if documentation is provided. In each entry, the year is listed for each letter won. For example in the listing for Willard Burnham, the years are 1924-26, meaning Burnham lettered in 1924 and 1926 but not in 1925. Lettermen lists are not available for the 1890, 1891 and 1895 seasons. Players are listed by hometown and the last position they played at Nebraska.

127 YEARS OF NEBRASKA FOOTBALL

Notes on the Associated Press Poll: The rankings indicated in all instances below are at game time, with Nebraska's to the left of the slash and the opponent's to the right. If a slash is alone, neither team was ranked at game time. Early-season games from 1936 to 1949 have no slash because the first polls in those seasons were not taken until after the season began. From 1936 to 1960 and 1968 to 1988, AP ranked the top 20 teams, from 1961 to 1967 the top 10, and since 1989, the top 25. The source for the weekly rankings from Oct. 19, 1936, through Jan. 3, 1984, is Football Rankings, College teams in the Associated Press Poll, 1936-1984, compiled by Lowell R. Greunke (Jefferson, N.C.; McFarland & Co., Inc., 1984).

Dr. Frothingham broke his leg while scrimmaging with the team in preparation for the Doane game and may have coached on the sideline with crutches.

(Marietta, 1902) 25-8-3 (.736), 1907-10
W.C. "King" Cole took over the reins after playing football under Fielding Yost at Michigan. Cole coached Nebraska to an 85-0 win over Doane in the last game on the field that preceded the Nebraska Athletic Field. His final season as coach marked NU's first unshared Missouri Valley Conference title. His last game as coach was a 119-0 win over Haskell, which still ranks as the most points a Cornhusker team has ever scored.

COACH EWALD O. "JUMBO" STIEHM

(Wisconsin, 1909) 35-2-3 (.913), 1911-15

Under Ewald O. "Jumbo" Stiehm's direction, Nebraska won or tied for the Missouri Valley Conference championship every season. His winning percentage of .913 ranks as the highest in school history. His teams recorded a 34-game unbeaten streak, the longest in school history. Also Nebraska's basketball coach, he was the only coach in Big Eight history to win football and basketball titles in the same academic year. He was the first year-round coach in school history, but he went to Indiana University after NU refused to increase his salary to \$4,250.

COACH ERNEST E. BEARG

(Illinois) 23-7-3 (.742), 1925-28

Ernest E. Bearg won Nebraska's first Big Six title in 1928 when his team went 7-1-1. Despite fielding powerful teams during his four years, fans criticized him for not using strategy and deception, which eventually led to his resignation. Bearg also spent one year as men's basketball coach (1926) and posted an 8-10 record.

NEBRASKA IN THE POLLS

The Associated Press poll began in 1936, and Nebraska came in at No. 15 in the first-ever regular-season poll on Oct. 24. The Huskers finished with a No. 9 final national ranking that year. From 1936 through 1949, the AP polls did not come out until October. Beginning in 1950, AP polls were issued weekly throughout the entire regular season. Until 1964, all final rankings are based on regular-season finishes and do not include bowl game results. In 1965, the AP final rankings became post-bowl rankings (with the exception of 1966). In 1974, the UPI final ranking also became post-bowl, and since then all final rankings have included bowl results. The Associated Press has tracked their all-time poll rankings based on finish in each of its final polls. Nebraska checks in at No. 6 in the All-Time AP Poll. The Huskers have appeared in 65 percent of all AP polls since 1936.

1970 AND 1971 NATIONAL CHAMPIONS
THE DEVANEY ERA

COACH BOB DEVANEY

(Alma, 1939) 101-20-2 (.829), 1962-72
 Bob Devaney won back-to-back national titles in 1970 and 1971 and eight Big Eight crowns. He retired in 1973 with a career record of 136-30-7 (.806), which left him as the winningest active coach in the nation. In 1971, he was named coach of the year by the Walter Camp Foundation, the Football Writers of America, Football News and the Washington Touchdown Club. Devaney was inducted into the College Football Hall of Fame in 1981 and into the Orange Bowl Hall of Honor in 1976. His 11-year stint as head football coach is the second longest in school history behind Tom Osborne. He was Nebraska's athletic director from 1967 to 1992 and served as athletic director emeritus for four years, before retiring June 30, 1996. Devaney passed away on May 9, 1997.

2017 NEBRASKA FOOTBALL

COACH TOM OSBORNE

(Hastings, 1959) 255-49-3 (.836), 1973-97

Tom Osborne was hand-picked by Bob Devaney as his successor and served as assistant head coach in 1972. Osborne is credited as the offensive genius behind Devaney's national championship teams and served as a full-time assistant from 1967 to 1972. Osborne won back-to-back national championships in 1994 and 1995, and a third national title in 1997. During his 25 seasons, Nebraska won 13 conference championships and went to 25 consecutive bowl games, including 17 "major" bowls. His teams won nine or more games every year and 11 national rushing titles. His athletes won six Outlands, three Lombardis, one Heisman, one Butkus and one Johnny Unitas Award. He was the fastest coach in college football history to win 200 games, doing it in just 21 seasons, and the fastest coach to reach 250 wins. In his last five seasons, Osborne's teams posted a .60-3 record, the most wins in a five-year span by any team in collegiate history. He served as Nebraska's Athletic Director from 2007 to 2012.

COACH FRANK SOLICH

(Nebraska, 1966) 58-19 (.753), 1998-03

Frank Solich was named Tom Osborne's successor on Dec. 10, 1997. He guided NU to a 12-1 record, Big 12 Championship and No. 2 final ranking in the coaches poll in 1999. In 2001, Solich led the Huskers to an 11-2 record and an appearance in the BCS title game in the Rose Bowl. In 2003, Solich coached Nebraska to a 9-3 regular-season record, but did not coach NU in the Alamo Bowl, as defensive coordinator Bo Pelini served as interim head coach. Solich was a member of Bob Devaney's first recruiting class in 1962. As a fullback, Solich earned All-Big Eight honors in 1965 and was the first Husker to rush for 200 yards in a game.

COACH BILL CALLAHAN

(Illinois Benedictine, 1978)

27-22 (.551), 2004-07

Bill Callahan came to Nebraska less than one year after leading the Oakland Raiders to Super Bowl XXXVII. The 27th head coach in Nebraska football history, Callahan became one of just five coaches in history to return to college football after leading an NFL team to the Super Bowl. During Callahan's tenure, Nebraska shattered numerous school passing records. He led Nebraska to two bowl games and a Big 12 North title during his tenure.

UNIVERSITY SYSTEM PRESIDENT

HANK BOUNDS, PH.D

UNIVERSITY OF NEBRASKA PRESIDENT | 3RD YEAR
SOUTHERN MISSISSIPPI | 1991

On Jan. 12, 2015, the Board of Regents appointed lifelong educator Hank M. Bounds, Ph.D., as the seventh president of the University of Nebraska. Bounds began his tenure as president on April 13, 2015, bringing with him a demonstrated record of expanding opportunities for students, improving higher education outcomes and efficiencies, and building successful partnerships with policymakers, donors and business leaders.

Bounds grew up on a small farm in rural Mississippi, where his family raised hogs and cattle and he hauled hay. His service in the Army National Guard helped him pay for college, and he earned bachelor's and master's degrees from the University of Southern Mississippi and a doctorate from the University of Mississippi.

Bounds has devoted his 25-year career to helping change students' lives in the same way education opened doors in his own life. He began as a high school teacher, then rose to principal, superintendent and state superintendent before becoming Mississippi's commissioner of higher education in 2009. In that role, he oversaw a complex system of eight public universities including research universities, regional universities, an academic health science center, historically black institutions, a law center, a school of veterinary medicine and 200 institutes and centers. Together the system enrolled 85,000 students, employed 26,000 faculty and staff, and operated with a combined annual budget of \$4.5 billion, including \$500 million in research and development.

During every year of Bounds' tenure as commissioner, student enrollment and degrees awarded by the institutions in the Mississippi system increased, by a total of 13.3 percent and 11.4 percent, respectively. He advocated with legislative leadership for improved faculty compensation and providing greater opportunities for students. He also provided oversight for private fundraising in excess of \$250 million per year.

Bounds worked with the Board of Trustees to implement a performance-based allocation model that distributed funds equitably and rewarded universities for operating efficiently and achieving attainment outcomes. He designed an efficiencies plan that saved more than \$90 million, an internal audit function, and a comprehensive diversity initiative that led to increased diversity among Mississippi faculty, staff and students.

Bounds also worked with partners to increase educational attainment in Mississippi, including a Center for Education Innovation focused on improving learning opportunities for disadvantaged children. Bounds created an office to foster relationships among university researchers, business and industry, and economic developers. He was tapped by the business community to chair a major statewide initiative to create an action plan to improve Mississippi's competitive position.

Bounds brings this experience to the University of Nebraska, which he believes can serve as a catalyst for change and growth in the lives of students and people in the state and around the world. He is working to make the University of Nebraska a giant in higher education—for the benefit of the state, the country and the world.

Bounds holds faculty appointments in the College of Education and Human Sciences at the University of Nebraska-Lincoln and in the Colleges of Education at the University of Nebraska at Omaha and the University of Nebraska at Kearney. He and his wife, Susie, are the parents of a son, Will, and a daughter, Caroline. They reside in Lincoln, Neb.

UNIVERSITY BOARD OF REGENTS

The Board of Regents consists of eight voting members elected by district for six-year terms, and four non-voting student Regents, one from each campus, who serve during their tenure as student body president. The board supervises the general operations of the university, and the control and direction of all expenditures. The board also includes a corporation secretary who manages all records including agendas, minutes, notices, policies and bylaws. Those documents can be found on the web at nebraska.edu/board/.

The board meets regularly, primarily in Lincoln but also in Omaha and greater Nebraska. Persons wishing to provide information to the board or to appear before it should contact: Corporation Secretary, University of Nebraska, Varner Hall, 3835 Holdrege, Lincoln, NE 68583.

The University of Nebraska recruited and hired Shawn Eichorst in 2012, and he quickly displayed an incredible passion for the University and its student-athletes as well as the state of Nebraska. As the leader of a tradition-rich athletic program with 24 intercollegiate teams, 600-plus student-athletes and more than 325 full-time employees, Eichorst has relied on a strong value system and a student-centered approach to lead the department. Nebraska's primary mission is to provide all student-athletes with the resources and support they need to be successful in academics, athletics and life. The core values of Integrity, Trust, Respect, Teamwork and Loyalty serve as the foundation, and the health, safety and welfare of student-athletes and staff are the essence of every decision made at Nebraska.

True to his vision and word, since Eichorst arrived in Lincoln, resources and services in every student-athlete support unit have been reviewed, improved and enhanced, including academics, athletic medicine, life skills, nutrition, sports psychology, strength and conditioning, performance and research.

Well respected on the national level, Eichorst has been a major player in spearheading the passage of the most comprehensive and progressive football recruiting reform in decades. Serving on the inaugural Division I Football Oversight Committee since 2015 and named co-chair of the NCAA Division I Football Recruiting Ad Hoc Working Group in 2016, Eichorst provides valuable leadership and insight into preserving and enhancing the game of college football.

He was the first Director of Athletics from any conference to visit the Big Ten Conference-based Academic Alliance at its Champaign, Illinois, headquarters. The Academic Alliance (formerly known as the Committee on Institutional Cooperation) is a highly successful, academic-based consortium of 15 schools, including all 14 in the Big Ten Conference. Under Eichorst's direction, Nebraska is leading the Big Ten and the Academic Alliance in several areas, including Digital Humanities and head injury research. He also serves on the Big Ten Conference Program and Budget Review Committee. Eichorst regularly attends Big Ten Joint Council meetings and NCAA Conventions, including the Autonomy Five Conferences and recently provided input on new legislation designed to give students more time to pursue academics, work, internships or additional rest and recovery. On campus, Eichorst is a member of the Chancellor's Senior Administrative Team.

Eichorst continues to aggressively move Nebraska forward with several new initiatives to enhance the student-athlete experience. Beginning in the summer of 2015, Nebraska became the first athletic department in the country to provide laptop computers to every student-athlete and the first to create a data analytics department. Nebraska is one of the first in the Power 5 Conferences to provide all student-athletes four-year, full cost of attendance-based scholarships. Nebraska was also the first-known department of athletics to create a Post-Eligibility Opportunity (PEO) program, where every Husker letterwinner who graduates and has exhausted their eligibility has an opportunity to pursue an internship, study abroad or enroll in a graduate school program valued at \$7,500. Nebraska's service abroad trip is also unique, with teams of student-athletes and staff serving abroad in each of the past three years, including Guatemala in 2015, the Dominican Republic in 2016 and Nicaragua in 2017.

Eichorst is in high demand and has made more than 600 public appearances around the state and country. In 2016 and 2017, Eichorst toured the state with Coach Mike Riley and has visited with fans in 32 Nebraska communities. His monthly radio show and "Connecting on Campus" online column provide opportunities to connect and

share the incredible activities, initiatives and accomplishments happening at the greater University and in the department.

Under Eichorst's leadership, Nebraska has extended its nation-leading total of CoSIDA Academic All-Americans to 329 and its nation-best total of NCAA Top Ten Award winners to 17. In 2016-17, 126 student-athletes earned undergraduate or graduate degrees and the Big Ten Conference honored 209 Husker student-athletes with Academic All-Big Ten awards. The 88 percent Graduation Success Rate (GSR) for the Nebraska student-athletes reported in the 2016-17 academic year was the highest GSR ever achieved for the fourth consecutive year. In addition all Nebraska teams achieved an NCAA Academic Performance Rate (APR) of 977 or higher which is the best in school history and marks the third consecutive year that all teams attained an APR better than 950.

During Eichorst's tenure, Nebraska has won three NCAA team Championships, increasing its total to 27. In 2012-13 and in 2014-15, the Nebraska women's bowling team earned the program's fourth and fifth NCAA titles, while the Husker volleyball team won the 2015 NCAA Championship, the program's fourth national title. With three sports winning Big Ten Conference championships in 2016-17, Nebraska now has 297 team conference championships all-time and 1,396 individual conference champions.

In 2016-17, the Husker volleyball, women's gymnastics and baseball programs won Big Ten Championships, while 13 Nebraska teams competed in NCAA postseason action, including bowling, football, volleyball, women's swimming and diving, wrestling, baseball, men's and women's gymnastics, rifle, and men's and women's indoor and outdoor track and field. In 2016-17, Nebraska produced 42 All-Americans who won 44 national awards, including 12 first-team honorees.

Under Eichorst's first year of leadership in 2013-14, Nebraska became one of only two NCAA institutions – and the first Big Ten program in history – to qualify for a football bowl game, and advance to NCAA postseason in the major team sports of volleyball, soccer, men's and women's basketball, baseball and softball. Additionally, Nebraska was the only institution to win a postseason game in six of those seven sports.

In Eichorst's four years at the helm of Husker Athletics, he has hired three head coaches. In December of 2014, Eichorst hired Mike Riley as head football coach. Prominent members of the national media, the coaching fraternity, Riley's former players and current and former Nebraska student-athletes praised the hire of Riley, one of the most respected coaches in the profession. Eichorst also hired Ashley Rose-MacAllister to lead the women's rifle team in 2014 and Husker letterwinner Amy Williams to lead Nebraska women's basketball program in 2016.

Nebraska's fan support continues to be unparalleled in college athletics. In 2016-17, top 20 national rankings for average attendance were reached across nine sports: football, volleyball, men's and women's basketball, wrestling, soccer, baseball and men's and women's gymnastics. A tribute to loyal Husker fans, two sports lead the nation with consecutive home sellout streaks. Football has 354 consecutive sellouts and volleyball has 219 consecutive regular-season sellouts.

Under Eichorst's leadership, Nebraska continues to focus on improving its facilities and the game-day experience at all athletic venues. In August of 2015, Hibner Stadium and Barbara Hibner Field for soccer and the Sid and Hazel Dillon Tennis Center were completed. In 2015, a new center-hung video board and sound system in the Devaney Center improved the game-day experience for volleyball, wrestling and men's and women's gymnastics. In 2014, Memorial Stadium added the largest wireless network system at a college football stadium in history, along with a state-of-the-art sound system. In 2017, Memorial Stadium will feature new video screens and ribbon boards. The biggest change will be the addition of wrap-around video boards on the northeast and northwest towers. The components of the North Stadium videoboard – installed in 2006 – will also improve. The current board will not change in size but the resolution will tighten from 20-millimeter to 10-millimeter pixels, creating a clearer, crisper picture that will match the state-of-the-art sound system that was updated in 2014.

In the summer of 2013, Memorial Stadium expansion added the innovative Nebraska Athletic Performance Laboratory (NAPL) inside East Stadium next to the Center for Brain, Biology and Behavior (CB3). That same year, Nebraska's men's and women's basketball teams became the primary tenants of the newly constructed Pinnacle Bank Arena, and the renovated Devaney Center became the home for Husker volleyball, wrestling and the men's and women's gymnastics programs.

Eichorst came to Nebraska after serving as Director of Athletics at Miami in 2011 and 2012. He hired legendary men's basketball coach Jim Larranaga, who led Miami to the NIT Second Round in his first season and ACC regular-season and tournament titles as well and the NCAA Sweet 16 in his second. The women's basketball, women's tennis, women's soccer, volleyball and baseball teams also made significant NCAA postseason accomplishments.

Before heading to Miami, Eichorst was the Deputy Athletics Director at Wisconsin. He was the Chief Operating Officer and oversaw the department's daily operations, as well as the men's basketball program under the direction of Director of Athletics, Hall of Fame Football Coach and former Husker Barry Alvarez.

From 2004 to 2006, Eichorst served as the Senior Associate Athletics Director for Administration at South Carolina, overseeing the department's daily operations, as well as the football and baseball programs under legendary coaches Lou Holtz, Steve Spurrier and Ray Tanner, respectively.

From 1999 to 2003, Eichorst served as the Director of Athletics at Wisconsin-Whitewater, which produced four top 10-percent finishes in the NACDA Directors Cup, one NCAA team title and two NCAA runner-up finishes.

A native of Lone Rock, Wisconsin, Eichorst was an all-conference defensive back, three-time letterwinner and 1990 football team captain for the University of Wisconsin-Whitewater. He graduated magna cum laude in business from UW-Whitewater in 1990 and in 2015 earned the Distinguished Alumni Award for Professional Achievement. He earned a law degree from Marquette Law School in 1995, practiced law in Milwaukee until 1999 and is a past member of the State Bar of Wisconsin Board of Governors. He served as an assistant adjunct professor of law at Marquette, where he taught classes in sports law. He serves on the Marquette University National Sports Law Institute Board of Advisors, and in 2006, Marquette awarded Eichorst the Sports Law Alumnus of the Year Award. He is also a graduate of the Sports Management Institute and serves on its Executive Committee.

Shawn and his wife Kristin have three sons: Jack, Joseph and Bennett.

NEBRASKA MEDIA SERVICES

COMMUNICATIONS OFFICE

The Nebraska Communications Office is available to assist you with coverage of the Nebraska football program. The Communications Office is located on the third floor of the Tom and Nancy Osborne Athletic Complex in the North end of Memorial Stadium.

For information regarding credentials, interviews, statistics, etc., please call the Communications Office at (402) 472-2263, visit Huskers.com or e-mail Assistant Athletic Director for Communications Keith Mann (kmann@huskers.com), Senior Associate Communications Director Shamus McKnight (smcknight@huskers.com) or Associate Director Matt Smith (msmith@huskers.com). Below are guidelines for covering NU in-season. Additions or changes to these policies can be found at Huskers.com/media.

MEDIA CREDENTIALS

Nebraska utilizes an on-line credentialing system. Directions regarding the application process will be sent to media members or can be accessed at Huskers.com/media. Out-of-state media can contact Vicki Capazo in the Communications Office at (402) 472-2263 for assistance.

As a general rule, working space in the Nebraska Press Box is allotted on the following basis: (1) writers covering for same or next day publication; (2) radio personnel for broadcast originations; (3) sports editors of Nebraska daily newspapers; (4) press and TV working photographers; (5) official school student daily newspaper, one seat and/or sideline only; (6) approved special coverage as space allows. Visiting freelance and amateur photographers are not eligible for media credentials, except by approval of the Nebraska Communications Office.

MEDIA ACCESS

Memorial Stadium access for the media is at the Media Gate entrance on street level on the west side of the stadium. The working press area is on Level 6 (Don Bryant Media Facility) with the photo and television deck on Level 7. Level 3 (West Stadium Club) and Levels 4 and 5 (Skybox Suites) of the West Stadium and Level 7 of the North and East Stadium Suites are not open to the media or public.

Single-game media credentials can be picked up at West Stadium Lobby Media Will Call on game days, beginning five hours prior to kickoff and must show a photo I.D. All credential holders must receive a wristband to accompany their credential in order to be admitted into Memorial Stadium.

MEDIA PARKING

Parking at Memorial Stadium is always at a premium, with a limited number of spaces allocated to the media. Media parking is divided among several lots around Memorial Stadium. Early arrival is strongly suggested. No cars will be admitted to the primary media lot directly south of the stadium later than 90 minutes before kickoff.

Each media outlet will receive one complimentary parking pass. Media outlets will be charged for additional parking passes (\$22/each). See page 226 for specific directions to assigned lots.

WEEKLY MONDAY MEDIA LUNCHEON

Each Monday during game weeks, Nebraska hosts a media luncheon. Press luncheons will be held on Level 6 of the press facility. A light lunch buffet is served at 11 a.m., followed by Coach Mike Riley's weekly news conference at 11:30 a.m.

COMMUNICATIONS CONTACT INFORMATION

Fax: (402) 472-2005
sportsinfo@huskers.com
Huskers.com/media

Media planning any live coverage of the press conference (television, radio, internet) must first request permission from the Communications Office.

Transcripts and video highlights from the press conference with Coach Riley and players will be available on Huskers.com.

INTERVIEW POLICY

During the season, Coach Mike Riley is available in person for media interviews at the Monday news conference and on the field after practice on Thursday. Coach Riley is also available each Tuesday on the Big Ten teleconference (11:24 a.m.) beginning on Aug. 30. Please contact the Big Ten office at (847) 696-1010 for details. Any other interviews with Riley must be arranged through the Communications Office at least one day in advance.

Nebraska players are available for interviews in person or by telephone at the Monday press conference or on Monday and Tuesday following practice. Player interviews can occasionally be set up for other times with at least one day advance notice to the Communications Office. All requests for player and coach interviews must go through the Communications Office.

Assistant coaches will be available on Monday and Tuesday following practice.

Press conference and post-practice interviews with players and coaches are prohibited from being streamed live online via apps such as Periscope.

No interviews are to be conducted in the locker room, training room, weight room or Nebraska Student Life Complex. As a general rule, freshmen

and redshirt freshmen are not available for interviews until they have participated in a game.

DAILY PRACTICES

During the season, practices are normally conducted either in Memorial Stadium, in the Hawks Championship Center or on the Ed and Joyanne Gass Practice Fields northeast of the stadium, beginning at approximately 3:30 p.m. Practices are generally closed to the media and public. Media wishing to interview Nebraska players or coaches after practice should come to the designated location based on the practice site shortly before the end of practice. Communications staff will escort media to the practice field at the conclusion of practice.

Photographers and videographers should contact Communications regarding days and times to shoot practice. Media are asked to remain on the sideline or behind the fence at Memorial Stadium during this time. When on the Gass practice fields, media may not stand between the two practice fields during this time. No interviews are to be conducted during this time period and these segments may not be aired or streamed live on television or the internet. Live practice reports of any kind are not permitted from the practice site (social media, radio, blogs, etc.). Media will be asked to leave the practice site to use their cell phones or mobile devices.

Contact the Communications Office for the exact time and location of each day's practice.

POSTGAME INTERVIEWS

Nebraska's locker room is closed after games, both home and away, but Coach Mike Riley and requested players will be available for interviews following a brief cooling-off period. For home games, only coaches, players and staff members will be admitted to the tunnel and locker room after the game, but Coach Riley and requested personnel will be brought to the interview room (Ndamukong Suh Strength Complex). Admittance to the interview area will be by media credential only. Media should access the area via the door on the northeast corner of the Osborne Athletic Complex. For away games, the best available interview area will be used. Interview requests, home and away, will be taken by Keith Mann at the end of the third quarter. Non-requested players making significant plays in the fourth quarter will be added as needed.

Nebraska players and coaches will not do interviews on the field after the game.

The visiting locker room at Memorial Stadium is located underneath the South Stadium. The visiting team interview area is just off the main tunnel leading to the visitor's locker room.

Media planning to carry the press conference live should request permission from the Nebraska Communications Office before doing so. If media are planning to do live interviews on the field after the game, they should make advance arrangements with the Communications Office, as well as contact Scott Guthrie in HuskerVision (402-472-4645).

SIDELINE POLICIES

The Big Ten Conference maintains a strict sideline control policy in an effort to keep the playing area as safe as possible. All sideline photographers must have a photo vest and a photo pass, and both must be clearly visible. Vests will be issued beginning three hours before game time. Vests will be issued to media members with a photo pass who will be shooting still photos or video during the game. Media without a photo vest may access the sideline during pre-game and in the final five minutes of the game. Special exceptions to this also include interviews with special guests on the field at halftime,

quarter breaks, etc. All other media should work from their assigned location on Level 6 or Level 7.

Those individuals receiving a photo vest will be asked to sign a waiver concerning the usage of photos at the time they check out the vests. Vests may be returned to one of four locations following the game: Nebraska post-game interview room, opponent post-game interview room, press box, photographers work area.

The Big Ten sideline control policy: (1) Only those photographers on assignment from a newspaper, magazine, television station or a participating institution, are given credentials. Each student publication may be limited to one press and/or one sideline photo pass. (2) Only those newspapers with Sunday and/or daily editions are eligible for sideline passes. (Special requests must be submitted to the Communications Director for review). (3) Cutline writers, equipment carriers, and/or other so-called "assistants" will not be allowed on the sideline. (4) Photographers must display their credentials (photo pass and vest) at all times. (5) University personnel are to be deployed on the sideline to ensure that all credentials are properly displayed. Those possessing bench passes (45) must remain inside the team bench area (between the 25-yard lines). (6) Photographers may not enter the bench area at any time. (7) Photographers are not permitted to congregate in the writers' section of the media facility during halftime, during or after the game.

A photographers work area is available on field level, just off the southeast corner of the playing field.

FACILITY USE RESTRICTIONS

The University of Nebraska-Lincoln has an interest in protecting its facilities, property and reputation associated with its intercollegiate sports. Therefore, no person shall be permitted to access or use the arenas, facilities and other University of Nebraska intercollegiate athletic venues without first securing the permission of the Director of Athletics or his/her designee. The only exception is an individual who records an image (e.g. photograph, videotape) for his/her non-commercial personal use. In no case shall any person be permitted to use these venues for the purposes of promoting the sale or manufacture of alcohol or tobacco or the promotion of any venture associated directly or indirectly with legal or illegal gaming or gambling.

TV, RADIO, INTERNET BROADCAST RIGHTS & RESTRICTIONS

Nebraska, its opponent and the respective conference designate the broadcast rights for all games. No pregame coverage shall be permitted for two hours before the game without the express permission of the University of Nebraska, the Big Ten Conference and the broadcast rights holder. Live postgame interviews may not be aired while the television rights holder is still on the air.

Per the Big Ten Conference, a maximum of two minutes (2:00) of game video footage (without audio) may be utilized during the seven days following the conclusion of the game solely within regularly scheduled bona fide news programming distributed via television, and *may not be distributed via the internet, wireless or other forms of media.* In addition, *live in-game streaming of the contests on social media is prohibited.*

Any secondary use of any picture, photograph, audio description, video, film/tape, drawing or other description of a game taken or made by the accredited organization or individual to whom a credential has been issued (including, but not

limited to use in delayed editorial or non-editorial advertising, sales promotion or merchandising) is prohibited without prior specific written approval of the Big Ten Conference. Nothing in these terms and conditions authorizes or allows bearer to violate any of the trademarks, copyright and other proprietary rights of the Big Ten Conference.

This restriction also includes highlights of games while in progress (live or recorded). Use of video highlights in any other manner or any media distribution platform without the advanced written permission of the Big Ten Conference is expressly prohibited. Any agency wishing to use film or video in any other manner must obtain written permission from the Big Ten Conference.

Local television stations may not originate a pre- or post-game show from inside Memorial Stadium.

Any blogs, tweets, live chats, social media posts, etc. from the game site should not serve as a substitute for, or approximate, play-by-play accounts of a game in any medium.

Non-originating radio stations or internet sites may not provide play-by-play coverage, live or delayed, but may provide short news updates provided such news update is one minute or less occurring no more than once per hour. No pregame coverage from the stadium shall be permitted for two hours before the game without the express permission of the University of Nebraska and the broadcast rights holder.

INTERNET/TELEPHONE

Media will have use of the Internet in the Memorial Stadium press box. A limited number of Ethernet ports are available in the press seating area and the photographer's area. Contact the Athletics Communications Office before the start of the season for information regarding cost of Ethernet ports at a specific seat. The Memorial Stadium press box is equipped with wireless internet. Media members who plan to use wireless internet should contact the Communications Office in advance of the game for instructions.

Media members using wireless frequencies at Memorial Stadium will be asked to register that equipment in advance. Media will be prompted to complete a frequency coordination form when they fill out their on-line credential application. (Note: This does not apply to those registering for wireless internet access). Nebraska provides telephones for media use in the Memorial Stadium media facility. Any media sources that want to install a telephone in the media facility should contact Nebraska Telecommunications (402) 472-2000 at least two weeks before the game.

Information such as statistics, postgame quotes, play-by-play, etc., will be available online at Huskers.com. If arrangements are made in advance, postgame notes, quotes and game statistics may be e-mailed. Please contact the Nebraska Communications Office during game week to request e-mail service.

THE BIG TEN CONFERENCE

James E. Delany
Commissioner

Known as one of intercollegiate sports' most successful undertakings, the Big Ten is home to a lineage of legendary names and an ongoing tradition of developing strong leaders. Even in its infancy, the conference established itself as the preeminent collection of institutions in the nation, where the pursuit of academic excellence prevailed as the definitive goal.

The history of the Big Ten traces back more than 120 years to the Palmer House hotel in Chicago, where on January 11, 1895, then-Purdue president James H. Smart and leaders from the University of Chicago, University of Illinois, University of Michigan, University of Minnesota, Northwestern University and University of Wisconsin set out to organize and develop principles for the regulation of intercollegiate athletics.

At that meeting, a blueprint for the administration of college athletics under the direction of appointed faculty representatives was outlined. The presidents' first known action "restricted eligibility for athletics to bonafide, full-time students who were not delinquent in their studies." That important legislation, along with other legislation that would follow in the coming years, served as the primary building block for intercollegiate athletics.

On February 8, 1896, one faculty member from each of those seven universities met at the same Palmer House and officially established the mechanics of the conference, which was officially incorporated as the "Intercollegiate Conference Athletic Association" in 1905.

Indiana University and the State University of Iowa became the eighth and ninth members in 1899. In 1908, Michigan briefly withdrew its membership, and in 1912 Ohio State University joined the conference, bringing its membership total back to nine. Upon Michigan's return in 1917, the conference was first referred to as the "Big Ten" by media members, and that name was eventually incorporated in 1987.

As the 1900s opened, faculty representatives established rules for intercollegiate athletics that were novel for the time. As early as 1904, the faculty approved legislation that required eligible athletes to meet entrance requirements and to have completed a full year's work, along with having one year of residence.

In 1901, the first Big Ten Championship event was staged when the outdoor track and field championships were held at the University of Chicago. The debut event marked what is now a staple of conference competition. Today, the Big Ten sponsors 28 official sports, 14 for men and 14 for women, including the addition of men's ice hockey and men's and women's lacrosse over the last three years. Big Ten schools compete in a total of 42 different sports, furthering the conference's commitment to broad-based programming and providing more participation opportunities than any conference in the country.

One of the conference's proudest traditions began in 1902 when Michigan took on Stanford in the Rose Bowl, the nation's first bowl game. Big Ten teams only appeared in Pasadena twice before the conference signed an exclusive contract with the Tournament of Roses in 1946, making it the first bowl game with permanent conference affiliations. But Michigan's appearance in 1902 cultivated a relationship that has endured for more than a century. In January 2014, Michigan State defeated Stanford in the 100th Rose Bowl Game.

Coupling the academic goals set forth by the leaders of the charter members of the conference and their steadfast commitment to athletics, the conference instituted the Big Ten Medal of Honor in 1915. It is awarded annually by each conference institution to a student of the graduating class who has attained the greatest proficiency in scholarship and athletics. It is the most prestigious honor a student competing in Big Ten athletics can receive.

In 1922, Major John L. Griffith became the conference's first "Commissioner of Athletics." Griffith was the first of five men to assume the role of commissioner in the conference's history, followed by Kenneth L. "Tug" Wilson in 1945, Bill Reed in 1961, Wayne Duke in 1971 and current commissioner James E. Delany in 1989.

After nearly 30 years with 10 members, the conference consolidated to nine schools when the University of Chicago formally withdrew its membership in 1946. Michigan State College (now Michigan State University) was added to the Big Ten three years later, bringing the number of affiliated conference schools to 10 once again.

In 1955, the Big Ten formulated a revenue-sharing model designed to pool all football television rights of its members and share those proceeds equally. The conference and its members continue to utilize a revenue-sharing model, dividing media rights, bowl payouts and other profits among all conference institutions.

While academics have always played an integral role in the conference, presidents of the Big Ten member institutions formalized the primacy of academics with the establishment of the Big Ten Academic Alliance (formerly the Committee on Institutional Cooperation) in 1958. The Big Ten Academic Alliance is an academic consortium of all Big Ten universities. In 2014, the schools currently constituting the Big Ten Academic Alliance produced over \$10 billion in funded research, \$5 billion more than any other conference.

In one of Duke's first actions as commissioner, he oversaw the adoption of the Big Ten Advisory Commission in 1972, designed to study conference programs and make suggestions which would further Big Ten objectives. The Advisory

Commission enlists former students that competed in Big Ten athletics to serve as liaisons to the NCAA's Diversity and Inclusion Department, the Big Ten Student-Athlete Advisory Commission and other organizations.

In 1981, the conference presidents and chancellors endorsed a proposal that enabled universities to affiliate their women's intercollegiate programs with the conference, and the first conference championships for women were staged that fall. The Big Ten was the first conference to voluntarily adopt male and female participation goals after launching its Gender Equity Action Plan in 1992.

In December of 1989, the conference agreed in principle to invite Pennsylvania State University for membership. On June 4, 1990, the Council of Presidents officially voted to integrate Penn State into the conference, giving the Big Ten 11 members.

In 2004, the Big Ten implemented a pilot program of instant replay for college football. Following the season, the conference forwarded replay proposals to the NCAA regarding the future use of instant replay, where it approved country-wide testing in 2005. In 2006, the NCAA approved the use of instant replay for all conferences.

In 2006, Delany announced the creation of the first conference-owned television network, a 20-year agreement with FOX Networks to create what would become the Big Ten Network (BTN). Launched on Aug. 30, 2007, BTN now produces more than 1,000 events across all platforms each year. BTN is in more than 60 million homes in the U.S. and Canada via the nation's major cable, satellite and telco providers and more than 300 additional cable operators across the country. BTN2Go is the digital extension of BTN, delivering live and on-demand programming to computers, smartphones and tablets and also is accessible outside the U.S., Canada and the Caribbean via BTN2Go International.

On June 11, 2010, the Big Ten Council of Presidents/Chancellors (COP/C) approved a formal membership application by the University of Nebraska, expanding the conference to 12 institutions. Nebraska officially joined the Big Ten on July 1, 2011.

The conference expanded its footprint further in 2012 when the COP/C approved formal membership applications from the University of Maryland and Rutgers University on November 19 and 20, respectively. Maryland and Rutgers became official Big Ten members on July 1, 2014, giving the conference almost 9,500 students participating in intercollegiate athletics and more than 11,000 participation opportunities on 350 teams.

Since opening in the fall of 2013, the Big Ten conference center has hosted more than 300 meetings annually for member institutions, Big Ten Academic Alliance (formerly CIC) related committees and coaches groups. The headquarters also features an interactive digital museum - the Big Ten Experience - which opened to the public on June 7, 2014, and brings the conference's storied academic and athletic history to life. For more information on the Big Ten Experience, go to bigten.org.

In June 2014, the Big Ten opened a second office in New York City, featuring both office and meeting space in Midtown Manhattan. Big Ten staff members are based in the New York City office to provide expanded coverage and service, while other conference and institutional administrators utilize the space as necessary when conducting business on the East Coast. The Big Ten and its member institutions also have access to satellite office space in Washington, D.C.

Delany and his staff work to meet the educational needs of students competing in intercollegiate athletics to allow them to excel in all areas of their lives. The conference office manages 28 different championships and tournaments, offers legislative and compliance services, oversees the production and distribution of more than 1,400 events annually, provides staff services to coaching and administrative personnel and services media and fans interest for information on the Big Ten.

More than 120 years after its inception, the Big Ten remains a national leader in intercollegiate athletics on and off the field. Big Ten programs have combined to win more than 450 team and 1,800 individual national championships, consistently taking home individual honors for athletic and academic accomplishments and fulfilling the Big Ten's mission of academic achievement and athletic success.

BIG TEN CHAMPIONSHIP GAME

The seventh Big Ten Football Championship Game will be played on Dec. 2, 2017, at Lucas Oil Stadium in Indianapolis. The game will be televised to a national audience on FOX with kickoff set for 7 p.m. Central. The game will match the winners of the East and West divisions, and the winner of the contest will be presented the Stagg Championship Trophy.

In 2011, the Big Ten Conference announced that Lucas Oil Stadium would host the first five football championship games through the 2015 season before the agreement was extended to 2021. During the first six seasons, Wisconsin (2011, 2012), Michigan State (2013, 2015), Ohio State (2014) and Penn State (2016) have captured titles. Nebraska made its first Big Ten Championship Game appearance in 2012 and lost to Wisconsin.

While a member of the Big 12 Conference, Nebraska participated in the league title game six times. Nebraska captured Big 12 crowns in 1997 and 1999, and was also the North Division representative in the game in 1996, 2006, 2009 and 2010.

2017 BIG TEN BOWL LINEUP

COMPLIANCE GUIDELINES

COMMITMENT TO COMPLIANCE

On behalf of the University of Nebraska student-athletes, coaches and Athletics Department staff, I would like to express my appreciation for your continued support of our entire athletics program.

The University of Nebraska is known for its loyal, passionate, and knowledgeable fans. It is this type of fervent support that not only assists Nebraska student-athletes in reaching their full potential on and off the playing field, but also draws the next generation of student-athletes to our campus. However, as a University of Nebraska booster, please remember that you are also required to know and follow NCAA regulations.

Our coaches, student-athletes, and Athletics Department staff members are knowledgeable about NCAA regulations because they receive on-going education. But, to truly attain the excellence the University of Nebraska strives for, we also need our supporters to be educated about these same regulations. In turn, you will be assisting us with protecting the eligibility and well-being of our current and future student-athletes.

Please review the information listed below, which includes some of the most important and frequently asked questions about NCAA regulations for boosters. Since this document cannot address everything you may need to know, I encourage you to contact our office with questions that may arise. Our staff can be reached at (402) 472-2042 or Compliance@Huskers.com.

Thank you and Go Huskers!

Jamie Vaughn, Senior Associate Athletics Director for Compliance

Compliance

The University of Nebraska must monitor its program to assure compliance and to identify and report to the NCAA instances in which compliance has not been achieved. An institution found to have violated NCAA rules is subject to disciplinary and corrective actions as determined by the NCAA.

THE DEVANEY SOCIETY

Achieving greatness in both the classroom and on the playing field has long been a goal of the University of Nebraska. Our nation-leading 329 CoSIDA Academic All-Americans (as of June 1, 2017) and 27 team national titles reflect the manner in which we strive to achieve to the highest level.

Rising costs have made funding these athletic scholarships increasingly difficult. To help offset the expenses, the University of Nebraska established an athletic scholarship endowment fund to honor Hall of Fame Football Coach Bob Devaney.

Follow in the footsteps of Coach Devaney and commit to the long-term success of Nebraska Athletics. We are sincerely grateful to those who committed to our future stability and established a Devaney Society Scholarship for male and female student-athletes.
