BIG 12 CONFERENCE

SCHEDULING & TIEBREAKER PROCEDURE

Conference Competition. All teams will be scheduled to play nine games as part of the Conference schedule competing in a round-robin format.

Championship Game Participants. The two teams that complete the regular season with the highest winning percentage(s) will be the representatives in the Conference Championship Game. The team that wins the championship game will be the Big 12 Champion.

Tiebreaker Procedure. If two teams are tied for first place both teams will participate in the championship game and the winner of the head-to-head will be the #1 seed. If more than two teams tie for first place, the tiebreaker procedures below will be applied separately, to identify each participant in the championship game.

In the event two (or more teams) tie for second or any subsequent position, the tiebreaker procedures below will be used to break all ties as necessary. For the avoidance of doubt, only Conference records will be used throughout the process:

- a. If two teams are tied, the winner of the regular-season game between the two tied teams shall prevail.
- b. If three or more teams are tied, steps 1 through 4 will be followed until a determination is made. If only two teams remain tied after any step, the winner of the regular season game between the two tied teams shall prevail.
 1. The Conference records of the three or more teams will be compared against each other in a "mini round-robin" format.
 2. The Conference records of the three or more teams will be compared against the remaining team(s) in the Conference standings from top to bottom.
 - a. When comparing against the remaining teams in the Conference standings any two-way ties will be broken by head-to-head competition before the comparison begins.
 - b. If more than a two-way tie exists amongst the remaining teams in the Conference standings, the record against the collective tied teams as a group will be used.
 3. Scoring differential among the tied teams. The team or teams with the lowest difference between points scored and points allowed in games vs. the tied teams is eliminated from consideration.
 4. Draw (In the event steps 1-3 cannot break a multi-team tie the prevailing team or teams will be determined by draw at the Conference office). In the event tiebreaking procedures are unsuccessful and a draw is necessary in determining any portion of seeding, the following procedures will be used:
 - a. The draw will be conducted in public or with media attendance.
 - b. Institutions involved in the drawing have the right to have a local representative in attendance at the drawing.
 - c. A single slip of paper for each institution (with name or logo) will be placed in a container and will be drawn in order of seeding from highest to lowest.

In the event that scheduled regular season contests cannot be played as originally scheduled, every effort shall be made to reschedule such a contest at the earliest possible date, provided that such rescheduling does not interfere with classes, examination periods, NCAA rules, or other sports prohibitions. If contests cannot be rescheduled and in the event of a first-place tie, the Conference tiebreaker system will be utilized to determine championship game participants or a Conference Champion.

COLLEGE FOOTBALL HALL OF FAME

Established in 1947 by the National Football Foundation and College Hall of Fame, Inc. The first class of enshrinees was inducted in 1951. A nominated player must be out of college at least 10 years and an All-America First Team selection by a major selector during his career. Coaches must be retired three years. The voting is done by a 12-member panel made up of athletics directors, conference and bowl officials and media representatives.
