TODD BOWLES

"Todd and I have a very good working relationship. We work very closely together. We communicate constantly. We both have the same vision for what we want to achieve here and that includes ownership too in terms of Woody (Johnson). We are all working towards that common goal. ... I think the world of Todd and I think I really like what he has done with this offseason, not only with the team and working with the players with some of the coaches he has brought in."

- General Manager **MIKE MACCAGNAN** [07|31|17]

KEVIN GREENE

"Kevin is a ball of fun every day and his energy is infectious. Kevin has a famous saying, "You have to have a hunter's heart." To sit in the room with him every day, you feel his energy and those guys feed off of him. He's laid a really high expectation for them. He wants the group to look like him in how they play should look and it's really contagious. He's tremendous."

- Defensive Coordinator **KACY RODGERS** [08|15|17]

33

JAMAL ADAMS

"We've talked about these two young safeties for a while now. I think they're gifted young players, special players. Not just physically, but their approach and how they carry themselves."

- QB **JOSH McCOWN** [08|05|17]

(On his thinking behind starting two rookies, Jamal Adams and Marcus Maye, at safety...) "They can play. It's rare that these type of things happen, but those two guys showed so much in the spring in what we brought them along with, they can only get better. Their maturity level, as far as learning the plays, exceeded what we wanted for our expectations as a rookie, so we think those guys are ready to play."

- Head Coach **TODD BOWLES** [07|30|17]

(On why Adams was outstanding...) "It wasn't so much just the plays. His eyes were good. His reads were good. Everything he did, he did it the right way. He made tackles when opportunities presented themselves. He made the plays he was supposed to make. He had a good ball game."

- Head Coach **TODD BOWLES** [09|11|17]

11

ROBBY ANDERSON

"I think Robby brings a pretty unique skillset from that standpoint. He can really go. I think he's got great ball skills as well. He's getting a lot more confident the more we're putting him in situations to be able to use that speed and run. He's definitely a big factor in our offense."

- QB **CHRISTIAN HACKENBERG** [08|24|17]

"He's playing at a high level. We've said it all along, Robby has tremendous speed and because of that he's always going to be able to impact the play whether the ball is going to him or not because you have to account for him. He continues to do things that impress us, and you realize there's other things that he can do and you utilize him more doing this route or that route, and so his talent is obviously allowing Coach (John) Morton and the guys to come up with things that will help our team, and that's a good thing for us."

- QB **JOSH McCOWN** [08|15|17]

"He's just a stud. He's learned, he's grown. He might be faster. Honestly, he might be faster. ... He's taking things that Coach Morton is telling him in the film room and in the meetings and taking it to the field. It's showing up. He took a little three-yard route and I thought he took it to the house. His burst is exceptional."

- QB **BRYCE PETTY** [08|01|17]

32

JUSTON BURRIS

"JB has really taken some big strides. We watch him and we're sitting there like, this guy is physical, and he's fast. Athletically, he can do everything we ask him, and the other night he didn't disappoint, so right now he's battling every day and so far we're pleased with where he's at."

- Defensive Coordinator **KACY RODGERS** [08|15|17]

56

DEMARIO DAVIS

"Mentally, he's sharper. He's in a different place mentally. He got to play MIKE in Cleveland, and he's played MO here before so (in) combining the two experiences, he's a lot smarter understanding the defense and knowing when he can cheat and disguise as things and when he can't so, mentally, he's a lot sharper. But that comes with experience."

- Head Coach **TODD BOWLES** [08|03|17]

10

JERMAINE KEARSE

“Just from seeing him on tape, [he is a] heck of a competitor. He’s obviously played in a lot of big games, and so we welcome him here with open arms. As soon as the deal happened, I had a few guys that have played with him, been around him, text me and just talk nothing but the best about him.”

• QB **JOSH McCOWN** [09|04|17]

58

DARRON LEE

“I’m really pleased with the way he came back from OTA’s to here...he worked his butt off over the summer. Then you see him right now in practice taking the step forward from his rookie year. It seems like the game is slowing down for him a little bit and we’re expecting a lot of D. Lee this year.”

• Defensive Coordinator **KACY RODGERS** [08|15|17]

[On how good Lee can be once he grasps the mental aspect...]

“Well, he’s got the tools to be a good linebacker. You just want to take it day-by-day. As long as he gets better every day, I think he’ll become a good football player.”

• Head Coach **TODD BOWLES** [07|31|17]

26

MARCUS MAYE

[On his thinking behind starting two rookies, Jamal Adams and Marcus Maye, at safety...] “They can play. It’s rare that these type of things happen, but those two guys showed so much in the spring in what we brought them along with, they can only get better. Their maturity level, as far as learning the plays, exceeded what we wanted for our expectations as a rookie, so we think those guys are ready to play.”

• Head Coach **TODD BOWLES** [07|30|17]

“We’ve talked about these two young safeties for a while now. I think they’re gifted young players, special players. Not just physically, but their approach and how they carry themselves.”

• QB **JOSH McCOWN** [08|05|17]

15

JOSH MCCOWN

[On how he feels about the Jets culture right now...] I think we’re in a great place just because [Head] Coach [Todd] Bowles laid out an environment where we come in and compete, we work hard. Really it started way back in the offseason, but [he] just did things to help shape and cast a vision for us of what we want to become and then challenge us to hold that standard, and really and truly watch the vets on this team come together and establish that. Whether it was Leo [Leonard Williams], or Steve [McLendon], or Mo [Muhammad Wilkerson], or Brian [Winters] – just these guys coming together, have been here a while and saying, “This is how we want it to be, and then let’s hold everybody to those things,” and so that’s been really good. I think it’s a good environment right now for us.

• QB **JOSH McCOWN** [08|15|17]

“Very important, especially in the locker room. A lot of times that is what matters the most, the locker room, because the guys have to gel and fit and go out on the field and play in that same manner so, like I said last year, playing next to the guys instead of playing for them. Everybody has to be that tight knit group while we’re playing, and sacrificing for the greater good of the team out there. So Josh, I played with him in Chicago, same guy being in the locker room, a great dude and a good quarterback that we can be smart, and be smart with the football.”

• RB **MATT FORTE** [07|31|17]

96

MUHAMMAD WILKERSON

“In dealing with Mo, we’re kind of looking at him and the things he’s done in the offseason, and the thing that’s really stood out is his leadership. He’s the guy that’s calling the team up. He’s the guy that’s encouraging people to come together and do this. But the stuff he’s doing on the field, I’m really pleased with where he is right now.”

• Defensive Coordinator **KACY RODGERS** [08|15|17]

92

LEONARD WILLIAMS

[On what he expects from Williams this season]... “Nothing less than what he showed you last year. A lot of talent. People say the sky’s the limit, well the only limit is him. He doesn’t have a limit. He can grow as long as he wants to go. It’s not the sky. Because what if he reaches all his goals, I feel like he has more to reach then. He can reach all his goals in one year. If he reaches them, that means he hits the sky. That means there’s no limit for him.

• DL **STEVE McLENDON** [07|28|17]

Daylon McCutcheon returns for his third season as the Jets assistant defensive backs coach after making his NFL coaching debut in 2015.

Since 2015, the Jets secondary has ranked in the top 10 in both passing defense and completion percentage allowed. Last season, the Jets improved from the league's lowest-ranked passing defense, allowing 302.1 yards per contest over the first eight weeks, to the league's second-ranked passing defense, allowing just 207.5 yards per game.

In his first full season with the Jets (2015), the defensive backs produced all 18 of the team's interceptions (fifth-most in the NFL), and held opposing quarterbacks to the lowest completion percentage in the league (57.1 percent) and the sixth-lowest quarterback ranking (79.0).

McCutcheon returned to the Jets after spending the 2013 training camp as a minority coaching intern, working with the defense. Prior to returning to the Jets, he assisted ARZ in the same capacity during the 2014 training camp, working with **Todd Bowles**, **Mike Caldwell** and the ARZ defense.

STUMP MITCHELL

RUNNING BACKS

Lyvoniah "Stump" Mitchell joined the staff as the team's running backs coach on February 1st, 2017, marking his 16th season coaching running backs in the NFL.

Prior to joining the Jets, **Mitchell** spent nine seasons in SEA (1999-2007), two seasons in WAS (1998-99) and the last four seasons in ARZ (2013-16), turning an ARZ rushing attack that ranked 24th or worse each season from 2005-2012, including 32nd four times, to a top 10 rushing offense over the last two seasons.

Under **Mitchell**, four different backs — Ricky Watters (1999-00), Shaun Alexander (2001-05), Clinton Portis (2008) and David Johnson (2016) — have gained 1,000 yards rushing in a season, while Andre Ellington produced 1,000 scrimmage yards in each of his first two NFL seasons (2013-14). Additionally, Alexander (five times) and Johnson (each of the last two seasons) have produced 10 or more scrimmage touchdowns in a season, including Alexander's then-NFL record 28 in 2005 and Johnson's league-leading 20 last season. He has helped produce five Pro Bowl players: Alexander, Johnson, Portis, as well as fullbacks Mack Strong and Mike Sellers.

ROBERT NUNN

DEFENSIVE LINE

Robert Nunn was named the defensive line coach for the Jets on January 31st, 2017, his 18th season as a coach in the NFL and his 30th season coaching football.

Prior to the Jets, **Nunn** worked with CLV (2016), NYG (2010-15), TB (2009), GB (2005-08), MIA (2001-02, 04) and WAS (2003). He has been part of six top-10 defenses for three different teams, while 19 different players have produced at least 5.0 sacks in a season under him. Of those 19, 11 matched or established their single-season career bests while coached by him. Among the players coached by **Nunn** in the NFL are Hall of Famers Bruce Smith, who broke the NFL career sacks record under him in 2003, and Jason Taylor, who established a single-season best 18.5 sacks in 2002, as well as Jason Pierre-Paul and Justin Tuck, both of whom registered multiple 10+ sack seasons with him.

Before entering the coaching ranks in the NFL, **Nunn** spent 12 years coaching at the collegiate level, including eight seasons as the head coach (1992-99) at Georgia Military College in Milledgeville, GA after spending his first season at the school (1991) as the defensive coordinator. Among his other stops were coaching defensive ends at Tennessee, where he coached current Jets defensive coordinator **Kacy Rodgers**, and one season as the defensive line coach at Northeastern Oklahoma A&M College (1988).

DENNARD WILSON

DEFENSIVE BACKS

Dennard Wilson joined the Jets staff as the team's defensive backs coach on January 18th, 2017 after five seasons with SL/LA.

With the Rams, **Wilson** held the defensive backs coaching position for the last two seasons, overseeing a passing defense that improved from 23rd in 2015 to ninth overall in 2016. Since 2015, cornerback Trumaine Johnson has picked off eight passes, tied for the fifth most in the league and third most among corners. Before spending the last two seasons as the defensive backs coach, **Wilson** worked as the SL defensive quality control coach after joining the team in 2012.

Wilson entered the NFL coaching ranks with SL after four years as a pro scout with CHI, evaluating pro players and scouting opponents.

JASON VRABLE

OFFENSIVE ASSISTANT

Jason Vrable was named to the staff as an offensive assistant on February 7th, 2017. Vrable joins the Jets after spending the previous four seasons with BUF.

In BUF, **Vrable** spent the first three seasons as offensive quality control coach before being promoted to assistant quarterbacks coach. He assumed the role of interim running backs coach following Anthony Lynn's promotion to offensive coordinator in Week Three. Since Week Three, BUF running backs Mike Gillislee (5.71) and LeSean McCoy (5.67) led all qualifying NFL runners in rushing average as the pair also accounted for 23 total touchdowns as part of a BUF offense that finished first in the league in rushing yards per game.

Prior to entering the NFL coaching ranks, **Vrable** spent two seasons at Syracuse, first working as an assistant to the wide receivers coach and then as an assistant to the quarterbacks coach. Following his time with the Orange, **Vrable** spent two seasons at the University of Charleston as the school's offensive coordinator and quarterbacks coach, as the school led its conference in total offense and rushing offense.
